Local Collection at the Capital Area District Libraries

The Capital Area District Libraries would like to support local authors and artists by giving them the opportunity to include their works in our Local collection. The Local collection features donated books, music and films from local authors and artists. If you're interested in having your work(s) added to the Local collection, please read the submission guidelines.

Submission Guidelines:

- At least one copy of the work must be donated to the Capital Area District Libraries.
- CADL can only accept physical copies (books, CDs or DVDs). We currently do not have the ability to circulate digital copies of books, music or movies.
- Donated materials become the property of CADL and are subject to CADL's Collection Development Policy.
- Donated materials that have low circulation may be withdrawn from the Local collection after one year.
- To submit your work(s), please fill out the form below and submit it along with a copy of your book, CD or DVD to any CADL branch.
