

# Borrow Digital

Movies, TV Shows, Music, Books,  
Audiobooks, & Comic Books

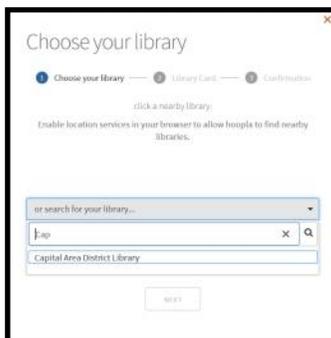

hoopla has a large, diverse collection of music, movies, television shows, books, audiobooks, and comic books that you can instantly borrow from CADL to enjoy from your computer, tablet or smartphone!

You can borrow up to 12 titles per month. Music can be checked out for 7 days. Books, audiobooks, and comic books can be checked out for 21 days. Most movies and TV shows can be checked out for 72 hours. Always available, no holds, no overdue fines!

## First-time Users: Create a hoopla account

### On a computer,

1. Open your web browser to <http://www.hoopladigital.com>.
2. Select **Get Started** to create a hoopla account.
3. Enter your email address and create a password. Select Continue.
4. If your location services are on, hoopla will find Capital Area District Library. Otherwise, search for Capital Area District Library in the Search box and select Next.

5. Enter your complete library card number and select Next. Then, select Sign Me Up.
6. Choose the category of item you're searching for to browse or search for a title in the Search box.

### On a smartphone or tablet,

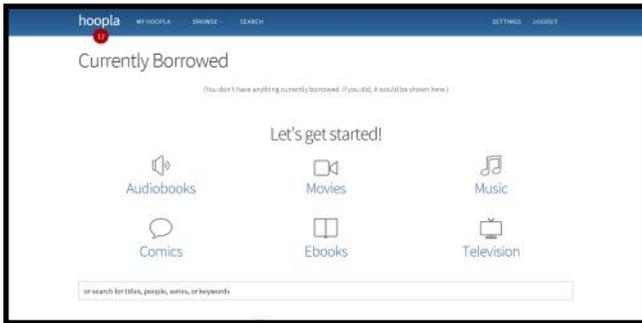

1. Download and open the free **hoopla** app from your device's app store.
2. Select **Sign Up** to create a hoopla account.
3. Select Capital Area District Library, which is listed under **Choose Your Library**. If it is not, find it under the list of libraries in the Choose a library list.
  - Enter your email address and create a password.
  - Enter your complete library card number and select **Sign Up Now**.
4. Select **Browse Titles** to begin enjoying hoopla.

# Check Out and Enjoy Movies, TV Shows, Music, Books, Comics, & Audiobooks

## On a computer,

1. **Log in** to <http://www.hoopladigital.com> with your email address and password.
2. Browse or search for an item. Search is in the top-middle of the screen.

3. When you find a title that you would like to check out, click on it and select **Borrow**. **Play** the title from this screen. A list of your borrowed titles show up at [www.hoopladigital.com](http://www.hoopladigital.com).

## On a smartphone or tablet,

1. Open the hoopla app. **Log in** with your email address and password, if needed.

2. Browse or search for an item. Use the My Hoopla, Video, Music and Books buttons to browse titles. The search function is found by clicking the magnifying glass.
3. When you find a title that you would like to check out, click on it and select **Borrow**. A list of your borrowed titles show up on the **My Hoopla** or **Home** screen.
4. You can download an item for offline listening or viewing. Do this on an iPad or iPhone, by clicking the cloud icon (either at the top or bottom of the screen) and on an Android by selecting **Download**.

Hoopla is now available for a number of smart TV options. Learn more about using hoopla on your television at <https://www.hoopladigital.com/help> by selecting "Using hoopla on your TV"!

***You do not need to return a title.***

*The item will be returned after 72 hours for movies and TV shows, 7 days for music, or 21 days for books, audiobooks, and comic books.*
