Finance

1. **June 2018 Financial Report**
   The balance sheet reflects a total asset position of $13,898,935.03. CADL’s cash position continues to remain higher than the previous year because we didn’t receive our Penal Fines and Industrial Facilities Tax payments until August in 2017.

   **Revenue Highlights**
   ▪ Under Penal Fines, the $528,617.45 amount received from Ingham County is lower than was received in 2017, but very close to the budgeted amount. The Penal Fines from Eaton County were received in August and will be in next month’s Financial Report.
   ▪ Under Library Fees, with $21,974.40 for July and 62% of the budget, that area of the budget looks to be on course to meet the budget projection for 2018.
   ▪ Under Other Income, $11,453.95 for Interest Income is all interest from our bank accounts.

   **Expenditure Highlights**
   ▪ Under Salaries and Benefits, on the Health Insurance line, the monthly number of $69,019.66 is higher than normal because of the number of claims. Also, the Retirement line is higher because it reflects the June payrolls where there were three pay periods in the month.
   ▪ Under Governance, Per Diem was $360.00 and Legal Services was $623.50.
   ▪ Under Maintenance and Utilities, $6,252.14 year-to-date expense for the Vehicle line, a majority of which are repair costs for the Mobile Library. There were several issues with that vehicle recently, which represent 80% of the amount in that line item.
   ▪ Under Capital Outlay, the $16,218.00 on Backup Generator Project line is the last cost of this project.
   ▪ Under Capital Outlay, the $4,875.00 on the Replace DTL Fire Panel line was for a fee for the consultant for our plans that were forwards to the City of Lansing.

Margaret Bossenbery made a motion to accept the August 2018 Financial Report. Jeff Croff seconded the motion. The motion carried.

2. **Millage Rate Approval**
   The 2018 millage rate request forms for both Ingham and Eaton counties were provided to the Board members.

   Margaret Bossenbery made the motion to accept the recommendation. Sally Trout seconded the motion. The motion carried.

3. **Capital Area One Book 2019 Author Visit Recommendation**
   It is recommended to partner with Lansing Community College in bringing the author Angie Thomas for 4 visits to discuss her book *The Hate You Give*. CADL will be splitting the total cost of $25,000 with LCC, so CADL’s portion will be $12,500. With that
amount, CADL will host one event at our branches and one event at an area school with the author.

Margaret Bossenbery made the motion to accept the recommendation. Jeff Croff seconded the motion. The motion carried.

4. **Patron Computer Vendor Recommendation**
   It is recommended to purchase up to 170 Dell OptiPlex 7460 All-In-One computers for $154,700 from Dell Direct. These will be used to replace the current patron desktop computers across the district.

   Margaret Bossenbery made the motion to accept the recommendation. Sandy Drake seconded the motion. The motion carried.

- Through the text notice service, patrons will now be able to renew items by simply replying to their courtesy notice text or their overdue notice text.
- In July, Holt held an escape room event titled *Spyder Heist* and had a great group of 8 teenagers. Most of the kids did not know each other but worked together to solve all the clues and get their prize.
- There were many fantastic programs in July at the South Lansing Branch. The library hosted musician Rodney Page. He played different styles of music utilizing technology and his violin. It was a hugely successful program and was enjoyed by everyone.
- South Lansing also hosted an afterhours mini-golf event. The library was turned into a mini golf course and patrons putted their way around music themed obstacles into book stands made into holes.
- The Williamston Branch is getting handicap accessible doors and a sign near the street entrance.
- The 80th celebration of the Mason Branch went very well. Planning for the Mason Branch renovation will begin in September.
- The CADL Conference staff in-service day will be on Monday, November 12. The McConnell Committee will be chosen at next month’s Board meeting.
