**DIRECTORS REPORT**

- Hennes Communications is scheduled to do crisis communication training with the Board in September. Executive Director Duimstra participated in this training with the MLA Board and highly recommends it. The training focuses on how to respond to media requests during tense situations. The management team will also have a training session.
- Annual Report presentations are complete. The By the Numbers campaign was phenomenal and will be continued next year. Executive Director Duimstra’s attendance at all the presentations resulted in many positive outcomes.
- The ALA Annual Conference took place in Chicago in June. Executive Director Duimstra attended on June 22 and accepted an award on behalf of the MLA. The Gerald Hodges Intellectual Freedom award was presented to the MLA in recognition of their My Right to Read campaign.
- The current insurance policy expires too close to the next board meeting, so the Board will need to hold a special meeting in August to approve a recommendation for an insurance provider. The meeting will take place on Wednesday, August 9 at 5:30 pm.
- CADL will partner with the Lansing Lugnuts for a Marvel Superhero Night on Friday, August 11. Board Chair DeYeya Jones agreed to make the first pitch on behalf of CADL.
- The Mason Library renovation is underway. The branch will close on Monday, July 24 to move modified services to the other side of the building. In spite of modified services, they have been running on regular hours and visits are only down to 3,000 from a 4,000 visit norm.
- Options are being explored for the house next door to the Downtown Library. This is the only building that the library owns, and a decision will need to be made on what to do with that space. Options will be presented to the board in the next few months.
- The Library Card Challenge contest between CADL branches runs from June through September. There are two traveling award cups which will be presented at CADL Conference. The cups will be awarded for the number of card holders and circulation activity. The contest helps educate staff on the activity that impacts library statistics.
