The Executive Director approved the emergency purchase of a new delivery vehicle on Monday, April 29, 2024 for $43,501.00. The “outer route” delivery box truck sustained a critical engine failure, and due its age and mileage, was not recommended to be replaced. A replacement vehicle was found, and an emergency purchase was approved. The $43,501.00 purchase price includes a municipal discount of $6,100. $80,000 was allocated for the replacement of this vehicle in the 2024 budget.

It is recommended to scrap the 2014 box truck at PADNOS Recycling for disposal since it cannot be auctioned. After contacting several local auto parts and scrap yards,
PADNOS Recycling / cars4cash of Willow Street in Lansing offered to pay up to $500 for the vehicle to be scrapped.
