The following costs are being charged in compliance with Section 4 of the Michigan Freedom of Information Act, MCL 15.234, according to CADL’s FOIA Policies and Guidelines.

1. **Labor Cost for Copying / Duplication**

   This is the cost of labor directly associated with duplication of publication, including making paper copies, making digital copies, or transferring digital public records to be given to the requestor on non-paper physical media or through the Internet or other electronic means as stipulated by the requestor.

   This shall not be more than the hourly wage of CADL’s lowest-paid employee capable of necessary duplication or publication in this particular instance, regardless of whether that person is available or who actually performs the labor.

   These costs will be estimated and charged in **15-minute time increments**; all partial time increments must be rounded down. **If the number of minutes is less than one increment, there is no charge.**

   **Hourly Wage Charged: $________**  
   **Charge per increment: $________**

   □ Overtime rate charged as stipulated by Requestor.

   To figure the number of increments, take the number of minutes: ___ , divide by 15-minute increments, and round down. Enter below:

   Number of increments  

   x _______ =  1. **Labor Cost**  

   $________

2. **Labor Cost to Locate:**

   This is the cost of labor directly associated with the necessary searching for, locating, and examining public records in conjunction with receiving and fulfilling a granted written request. **This fee is being charged because failure to do so will result in unreasonably high costs to CADL that is excessive and beyond the normal or usual amount for those services compared to CADL’s usual FOIA requests, because of the nature of the request in this particular instance, specifically: ________________

### 3a. Employee Labor Cost for Separating Exempt from Non-Exempt (Redacting):

*(Fill this out if using a CADL employee. If contracted, use No. 3b instead)*.

CADL will not charge for labor directly associated with redaction if it knows or has reason to know that it previously redacted the record in question and still has the redacted version in its possession.

This fee is being charged because failure to do so will result in unreasonably high costs to CADL that is excessive and beyond the normal or usual amount for those services compared to CADL’s usual FOIA requests, because of the nature of the request in this particular instance, specifically:

*(Fill this out if using a contractor, such as the attorney. If using in-house employee, use No. 3a instead)*.

CADL will not charge for labor directly associated with redaction if it knows or has reason to know that it previously redacted the record in question and still has the redacted version in its possession.

This fee is being charged because failure to do so will result in unreasonably high costs to CADL that are excessive and beyond the normal or usual amount for those services compared to CADL’s usual FOIA requests, because of the nature of the request in this particular instance, specifically:

________________________

As CADL does not employ a person capable of separating exempt from non-exempt information in this particular instance, as determined by the FOIA Coordinator, this is the cost of labor of a contractor (i.e.: outside attorney), including necessary review, directly associated with separating and deleting exempt information from nonexempt information. This shall not exceed an amount equal to 6 times the state minimum hourly wage rate of $8.15.

CADL must utilize the most economical means available for making copies of public records, including using double-sided printing, if cost saving and available.

### Estimated Time Frame to Provide Records:

_________________________ (days or date)

The time frame estimate is nonbinding upon CADL, but it is providing the estimate in good faith. Providing an estimated time frame does not relieve CADL from any of the other requirements of this act.

### Waiver: Public Interest

A search for a public record may be conducted or copies of public records may be furnished without charge or at a reduced charge if CADL determines that a waiver or reduction of the fee is in the public interest because searching for or furnishing copies of the public record can be considered as primarily benefiting the general public.

☐ All fees are waived OR ☐ All fees are reduced by: ________%

Subtotal Fees After Waiver: $_________

### Discount: Indigence

A public record search must be made and a copy of a public record must be furnished without charge for the first $20.00 of the fee for each request by an individual who is entitled to information under this act and who:

1) Submits an affidavit stating that the individual is indigent and receiving specific public assistance, OR

2) If not receiving public assistance, stating facts showing inability to pay the cost because of indigence.

If a requestor is ineligible for the discount, the public body shall inform the requestor specifically of the reason for ineligibility in the public body’s written response. An individual is ineligible for this fee reduction if ANY of the following apply:

(i) The individual has previously received discounted copies of public records from the same public body twice during that calendar year, OR

(ii) The individual requests the information in conjunction with outside parties who are offering or providing payment or other remuneration to the individual to make the request. A public body may require a statement by the requestor in the affidavit that the request is not being made in conjunction with outside parties in exchange for payment or other remuneration.

☐ Eligible for Indigence Discount

Subtotal Fees After Discount (subtract $20): $_________

### Discount: Nonprofit Organization

A public record search must be made and a copy of a public record must be furnished without charge for the first $20.00 of the fee for each request by a nonprofit organization formally designated by the state to carry out activities under subtitle C of the federal Developmental Disabilities Assistance and Bill of Rights Act of 2000 and the federal Protection and Advocacy for Individuals with Mental Illness Act, if the request meets ALL of the following requirements:

(i) Is made directly on behalf of the organization or its clients.

(iii) Is accompanied by documentation of its designation by the state, if requested by CADL.

☐ Eligible for Nonprofit Discount

Subtotal Fees After Discount (subtract $20): $_________
Deposit: Good Faith
CADL may require a good-faith deposit before providing the public records to the requestor if the entire fee estimate or charge authorized under this section exceeds $50.00, based on a good-faith calculation of the total fee. The deposit cannot exceed 1/2 of the total estimated fee. | Date Paid: | Deposit Amount Required: |

Deposit: Increased Deposit Due to Previous FOIA Fees Not Paid In Full
After CADL has granted and fulfilled a written request from an individual under this act, if CADL has not been paid in full the total amount of fees for the copies of public records that CADL made available to the individual as a result of that written request, CADL may require an increased estimated fee deposit of up to 100% of the estimated fee before it begins a full public record search for any subsequent written request from that individual if ALL of the following apply:

- (a) The final fee for the prior written request was not more than 105% of the estimated fee.
- (b) The public records made available contained the information being sought in the prior written request and are still in CADL’s possession.
- (c) The public records were made available to the individual, subject to payment, within the best effort estimated time frame given for the previous request.
- (d) Ninety (90) days have passed since CADL notified the individual in writing that the public records were available for pickup or mailing.
- (e) The individual is unable to show proof of prior payment to CADL.
- (f) CADL calculates a detailed itemization, as required under MCL 15.234 that is the basis for the current written request’s increased estimated fee deposit.

CADL can no longer require an increased estimated fee deposit from an individual if ANY of the following apply:

- (a) The individual is able to show proof of prior payment in full to CADL, OR
- (b) CADL is subsequently paid in full for the applicable prior written request, OR
- (c) Three hundred sixty-five (365) days have passed since the individual made the written request for which full payment was not remitted to CADL.

Late Response Labor Costs Reduction
If CADL does not respond to a written request in a timely manner as required under MCL 15.235(2), it must do the following:

- (a) Reduce the charges for labor costs otherwise permitted by 5% for each day CADL exceeds the time permitted for a response to the request, with a maximum 50% reduction, if EITHER of the following applies:

  - (i) The late response was willful and intentional, OR
  - (ii) The written request included language that conveyed a request for information within the first 250 words of the body of a letter, facsimile, electronic mail, or electronic mail attachment, or specifically included the words, characters, or abbreviations for “freedom of information,” “information,” “FOIA,” “copy”, or a recognizable misspelling of such, or appropriate legal code reference for this act, on the front of an envelope, or in the subject line of an electronic mail, letter, or facsimile cover page.
