NEW BUSINESS

General

1. Legislative Updates
   The Michigan Library Association sent out an email to congratulate those who responded to the call-to-action to contact their representative regarding House Bill 5090. The call-to-action led to the Senate Fiscal Agency reevaluating the impact of the bill and they found that library funding would not be significantly impacted by changing the failure to stop at a weigh station from a misdemeanor to civil infraction.

2. Community Contacts
   - Sally Trout, Deb Bloomquist and Vern Johnson attended the Annual Report presentation at the City of Mason on June 25.

Expenditure Highlights
- Salaries were $645,591 for the month and were higher because of a three pay period month.
- Materials spending is in line with the budgeted amount with 48% of the budget being spent so far this year.
- Maintenance and Utilities continues to be under budget as one of the results being the switch to more energy efficient lighting.

2. Mason Branch Architectural Vendor Recommendation
Finance Director Pat Taylor presented the recommendation to approve the payment of $10,885 for the architectural feasibility study of the Mason Branch that will be conducted by the Mayotte Group. This will cover 50% of the cost of the study and the City of Mason will cover the remaining 50%.

DIRECTOR’S REPORT
- The Okemos Branch had a search and find event in June called “Library Rocks”. Tom Shilts painted rocks with the CADL logo and placed them at various Meridian Township parks. The Township really liked the idea and so did the patrons. As of June 30, 22 of the 30 rocks have been found.
- CADL staff member Denelle Hobbs had the idea of participating in geocaching. She hid the CADLbug in a canister in Frances Park in Lansing. So far, the CADLbug has traveled in Michigan, Indiana, Wisconsin, Iowa, Minnesota and Missouri.
- The furniture for the Aurelius Branch’s computer/reading area is now at the branch. Scott Duimstra passed out photos of the furniture. Aurelius has also seen an increase in both their visits and circulation.
- The Williamston Branch is very busy at their new location. On Wednesday, July 11, they had 638 people visit the library and their two Summer Reading programs had a combined attendance of 158 people. The exterior roadside sign for the library will be installed soon. CATA is also adding a stop at the Middle School.
- Two StoryWalks have been installed at Hawk Island and MSU 4-H Children’s Garden.
- The Read Off Fines program was a great success. Most of the reading was done at home, with about 65% done at home and 35% done in the library at the larger branches. For the Mason Branch and smaller, all the reading was done at home. The total amount waived was about $1,000 and 53 children participated. We hope to bring the program back in the future.
- CADL had a FOIA request from SmartProcure. They wanted copies of purchase orders from 2013-2018. We fulfilled the request but they were unable to access the digital files so they withdrew the request.
- The City Pulse had an article highlighting CADL’s upcoming millage renewal vote.
- The Friends of the Mason Branch are having a celebration of 80 years of the Mason Library on Wednesday, August 8 at 6 PM.
- The CADL staff and Board picnic will be Sunday, August 26 from 1 – 3 PM at Wonch Park in Okemos.
