A 2019 recommendation to demolish the property and create parking spaces would be very costly, and it is unlikely the City will grant permission for parking in that space. The other viable option is to sell the property, and a recommendation along that line will be presented to the Board at a future meeting.

   There were no legislative updates. Executive Director Duimstra reported that Governor Whitmer is very aware of the ALA’s My Right to Read Campaign, and she has announced intent to write a proclamation for Right to Read Day and do a storytime leading into Banned Book Week. The funds are reimbursed, so funds from the Capital Projects Fund Balance would be used and then be reimbursed.
