Books by Mail Application

This free service from Capital Area District Libraries puts library items into the hands of residents who are unable to use traditional library services.

After enrolling, you will receive a small, green shipping bag in the mail, filled with items you have requested or that have been chosen for you. When the items are due, just mail them back in the same bag—postage has already been paid!

How to Enroll

Fill out the front and back of the application attached to this brochure and mail it to us. You will be contacted by library staff to set up an account and start requesting items.

Some important notes:

- You must reside in CADL's service area to be eligible. Call 517-334-1528 if you are not sure.
- This application must be signed by a caregiver, activity director or social worker.
- Once you are enrolled, you will no longer be able to use a library card in one of our branches.

To enroll in this service, fill out both sides of this form and mail it to:
