

Getting Started with hoopla

1. Download the hoopla app from your device's app store or go to hoopladigital.com.
2. Choose "Sign Up" from the login screen.
3. On the next screen, enter our library name and select it from the resulting list (it may search automatically if location settings are turned on). Then select "Next".
4. Enter your library card number with no spaces and select "Next".
5. Enter your email address.
6. Create a password.
7. Select "Complete Registration" or "Sign Up!" (differs depending on if signing up via the browser or the app).
