DR. L. ROBERT McCONNELL STAFF AWARDS

The McConnell Award was initially discussed at the November 1998 CADL Board meeting. The award was named in honor of Dr. L. Robert McConnell who was the first Chairperson of the CADL Board.

The Board established two individual awards – one award was given for Innovation and the other for Customer (Patron) Service. Employees are nominated for one or the other.

Innovation: To recognize a staff contribution for the introduction of a new/innovative program service or approach, which can lead to a qualitative or quantitative improvement in CADL operations. Such innovations may be stimulated either by either identified needs or issues, or new opportunities.

Customer (Patron) Service: This award recognizes exemplary staff performance in either responding to identified patron needs or developing new approaches/services or tools which significantly enhance service to patrons. Award recipients may be those whose collective activities over time demonstrate attention to patrons, or individuals who implement a solution to an actual or anticipated customer need. This award is also given to staff who do not work directly with the public but provide superior service to other staff.

Employees are nominated for the award by their coworkers. A subcommittee of the CADL Board, with input from the Director, makes the selection from the nominated candidates. Members of the Management Team are not eligible to receive the award. All employees who are nominated receive a certificate. The winners receive a certificate and \$500. The certificates are handed out at the McConnell Award ceremony held during the CADL Conference.

Timeline:

Mid-September – nominations are due

Late September to Early October – committee meets to determine recommended recipients

October Board Meeting - Board votes on recipients

Early November - recipients and nominees recognized at CADL Conference on November 11

CAPITAL AREA DISTRICT LIBRARIES HUM 202 EVALUATION OF THE CAPITAL AREA DISTRICT LIBRARY EXECUTIVE DIRECTOR

NOVEMBER 15, 2023

Procedure Overview

The Capital Area District Libraries (CADL) Board is solely responsible for developing, implementing, and accomplishing the evaluation of the Executive Director of CADL. The annual evaluation process provides an opportunity for the Library Board and Executive Director to refresh or reach mutual goals for the upcoming year.

The Chair of the CADL Board will appoint a three-person committee in September responsible for organizing and ensuring that the evaluation process is completed within the time frame indicated in the evaluation procedure.

The committee is responsible for reviewing the evaluation process and documents each year. Any recommended changes will be brought to the Board and voted on at the December meeting for use in the next evaluation cycle.

The evaluation procedure and documents adopted in December will be used for the Executive Director's evaluation that takes place in March of the following year. The documents, if amended, will be distributed to the Executive Director shortly after the December meeting.

The evaluation process includes three parts:

- 1. The CADL Board will evaluate the Executive Director
- 2. The Library Director will complete a self-evaluation using the same evaluation document as the Board.
- 3. The Management Team and the Branch Heads will evaluate the Executive Director. The Management Team consists of:

Assistant Director
Collection Development Director
Finance Director
Human Resources Director
Marketing and Communication Director
Technology Director
Operations Director

CADL will use this procedure and accompanying forms to complete the Executive Director's evaluation.

Evaluation Procedure

- The evaluation committee will distribute the CADL Board Evaluation of the Executive Director document to the Library Board members at the February Library Board meeting. The Executive Director will receive a copy of the document in January so they can review and complete it by the February Board meeting when they present their report to the Library Board.
- 2. At the February Library Board meeting, the CADL Executive Director will provide the Board with a written and oral report including information regarding the status of CADL and informing the Board of their accomplishments in meeting the established goals of CADL. This report should include, but is not limited to, the following information:
 - Statistical Report: A year-end compilation of statistics provided by the Director in the monthly report. i.e., circulation figures, registered patrons, technical services, outreach attendance, Mobile Library stops and usage, data base use, electronic users, library program attendance, equal opportunity as it relates to staff composition.
 - Financial Report: The current status of the budget, correlating it to expenditures towards CADL goals as well as information on the grants applied for and received.
 - Community Relations Report: Meetings or interactions with local municipalities, governmental agencies, and the efforts/meetings with the Friends of the Library Groups. Some information on what has been done to build community support for CADL should also be included.
 - New Services, Technology Report: Any new services or technology developed or implemented during the year.
 - Goals: Goals that the Executive Director set at the beginning of the evaluation year as they pertain to the operation of CADL and how those goals were achieved and describe the goals set for the upcoming year.
 - Additional Information: Should include any additional information that the Director thinks the Board should know about that directly impacts their evaluation.
- 3. The day after the February Library Board meeting, the CADL Staff Evaluation of the Executive Director document will be distributed electronically to the Management Team and Branch Heads. The Executive Director will be provided with a copy of the evaluation; however, it is not necessary that they review and complete this evaluation by the March Board meeting when the evaluation will take place. The evaluation will be

- created and conducted in such a way that the Management Team and Branch Head respondents are anonymous.
- 4. The CADL Board, Management Team and Branch Heads are encouraged to complete the evaluation within two weeks. If a Board or designated Staff member neglects to return the evaluation document by the deadline indicated, the process will begin without it, and it will not be included in the compilation.
- 5. The evaluation committee will compile the results from the CADL Board, Management Team, and Branch Heads evaluations. The evaluation committee will use the individual ratings by the Board members/staff to arrive at a consensus rating for the Director. Board members' comments will be given verbatim as part of the compiled evaluation and the comments will be labeled with the Board member's name. The compilation should be completed by the March Committee of the Whole meeting and distributed to the Board members and the Executive Director at that time. The Management Team and Branch Heads will not receive a compilation of their responses.
- 6. The evaluation of the Executive Director will take place at the March Board meeting, or Board meeting as mutually agreed between the Board and the Executive Director, with the entire Board present. The evaluation will take place in an open session unless the Director requests a closed session pursuant to the Open Meetings Act. A member of the evaluation committee will take the lead role in the evaluation discussions. They will review the results of the evaluations and the Director will have the opportunity to respond to the Board's/staff's evaluation at that time. The discussions will then be opened to all of the Board members.
- 7. The Executive Director, the Chair of the Library Board and the representatives from the evaluation committee will sign a document indicating that the evaluation took place.

5	As a public service organization, CADL works to improve the lives in our communities by
6	creating exceptional library service. CADL Cares is an effort to further this by coordinating
7	staff volunteer efforts in addition to our regular outreach programs.
8	The CADL Cares Committee will consist of the Assistant Director, the Marketing Director and
9	the Human Resources Director as well as at least two representatives from the branch
LO	libraries. The committee, along with the Executive Director, will be responsible for overseeing
l1	this policy.
12	The CADL Cares Committee will regularly coordinate a district wide "Casual for a Cause
L3	Friday." Staff members who want to participate, and are scheduled to work, may donate \$1
L4	and wear jeans to work. The money collected at each branch will be sent to the Finance
L5	Department who will donate it to a local organization that has a mission similar to CADL. The
L6	organization will be selected annually by the CADL Cares Committee with staff input.
L7	The CADL Cares Committee will also select activities annually for staff to participate in which
L8	are either state-wide library initiatives or locally organized efforts to improve our community.
L9	Activities selected will be coordinated by CADL employees and promoted centrally by the
20	Marketing Department on paid time.
21	The CADL Cares Committee may organize efforts outside of the library (walks, clean ups,
22	Habitat for Humanity, etc.) for staff members to participate in. Any volunteer activities done
23	outside the library must be completed on an employee's own time and not on work time.

2026 Janitorial Service Contract Recommendation September 24, 2025

RECOMMENDATION:

Approve the Executive Director to sign a 1-year contract extension for Boling Janitorial Services for 1/1/26-12/31/26.

Boling Janitorial was selected as the vendor to provide services after a 2023 RFP process, and the CADL Board approved the Janitorial Service Recommendation in October 2023. That recommendation allotted for a contract extension pending services meet CADL's expectations, which they did in 2025. We recommend extending it for the 2026 calendar year.

BACKGROUND:

CADL currently requires cleaning services for Dansville, Downtown, Foster, Holt, Leslie, Mason, Okemos, South Lansing, and Stockbridge. Boling Janitorial was selected through the RFP process in 2005, 2011, and 2023.

VENDOR HISTORY:

Boling Janitorial is a 65+-year-old commercial cleaning company based in Lansing, MI, with a wide range of services, along with supplies for most of the cleaning and toiletry needs. In early 2021, Boling Janitorial underwent significant company and structural changes to its staffing.

Boling Janitorial maintains warehouse space in its facility to store CADL products, as most libraries have limited storage options, with Downtown being an exception. Their cleaning staff delivers the products these libraries require. We budget \$ 15,000-\$ 20,000 for cleaning supplies, which are not included in the cleaning service rates.

Digitizing Hidden Collections: Amplifying Unheard Voices CLIR Grant September 24, 2025

RECOMMENDATION:

Apply for a \$50,000 grant from the Council on Library and Information Resources (CLIR) in support of the continuing digitization of Local History's Stebbins Real Estate Collection "Standard Card Files" series. The grant application is due on October 20, 2025.

BACKGROUND:

Forest Parke Library & Archives (Local History Collections) at CADL holds a unique resource in the Stebbins Real Estate Collection. This group of materials was compiled by the Stebbins family, who operated the Advance Realty Company in Lansing from the late 1920s to the early 1970s. They were involved heavily in the Greater Lansing Board of Realtors, local development, and other civic and business activities. This collection includes files for residential, commercial, and rural properties throughout the greater Lansing and Ingham County area. It has long been a well-known and popular resource in the community.

The Standard Card Files series of the collection contains a mix of typed and written index cards, written notes and drawings, newspaper clippings, photographs, negatives, correspondence, and even occasional house keys. There are some 300 boxes in this series, averaging about 175 addresses per box (52,500 estimated total). Currently, staff only can digitize individual addresses on demand for researchers, and not always to any consistent standard.

With grant funds, we will continue the work we began in 2024 with support from the Library of Michigan's LSTA Grant (2024-2025) using our established vendor to digitize the remaining half of the collection. We will also continue to apply our established appropriate digitization standards to every item in the collection. In addition to cataloging and hosting the digitized materials on Local History Online for public access, this collection will be shared online as part of Michigan Memories and the Digital Public Library of America (DPLA). All digital materials will be packaged for preservation as part of our membership in the Michigan Digital Preservation Network. If awarded, the grant funding would commence on January 1, 2027.

Since 2017 when detailed statistics began being collected, the Stebbins collection has represented 20% of our total reference requests. Our users for this collection are a mix of homeowners and property development groups who often must visit the library to view the collections in person, waiting for staff to digitize materials on demand. Similar to the Lansing City Assessor photograph collection that generated a 400% increase in photo requests once it was available, we expect this collection to be immensely popular when it is digitized and publicly available online.

These travel guidelines address every aspect of library business travel from the initial decision to make a trip to the final billing and reimbursement procedures. These guidelines cover every type of library business travel including meetings, educational workshops, conferences, making a bank deposit, and many others.

Capital Area District Libraries will cover the ordinary and necessary expenses incurred by library staff members and board members traveling on Library business. Travelers are expected to exercise the same care in incurring business expenses as any prudent individual traveling for personal reasons. This includes:

- traveling only when such travel is necessary to effectively conduct library business,
- using the most cost effective travel methods,
- personally checking the accuracy of all accountable documents before accepting them, and
- promptly and accurately reporting all expenses (with required documentation attached).

In addition to actual costs, it is expected that travel arrangements should also consider costs for time, scheduling, needs, convenience and personal safety.

2. General Guidelines

<u>Travel Authorization</u> - Prior authorization is required for any travel. Travel by Library Board members needs to be authorized by the Board Chairperson. Travel by the Executive Director needs to be authorized by the Board Treasurer. Travel of more than 50 miles needs to be authorized in advance by the Executive Director or designee. Travel of 50 miles or less needs to be authorized by the employee's supervisor.

<u>Travel Expense Form</u> - Travelers attending overnight conferences, institutes, or business meetings need to submit a completed, signed Travel Expense Form with all supporting documentation (original receipts only) to their supervisor within fifteen (15) days from their return. The supervisor will review the form and receipts for accuracy and conformity to established policies; however, the responsibility for the accurate completion of a Travel Expense Form is the personal obligation of the traveler and cannot be delegated. After review, the supervisor will forward the documents to the Executive Director or designee.

<u>Travel Mileage Form</u> - Travelers who use their personal cars for day-to-day business related tasks such as bank deposits or other errands related to library work need to record each trip on a Travel Mileage Form. Completed, signed Travel Mileage Forms need to be turned in to the employee's supervisor. Mileage reimbursement requests are to be submitted at least quarterly.

<u>Reimbursement</u> - Travelers will be reimbursed actual expenses directly involved with travel, based upon their Travel Expense Form and accompanying receipts. Original receipts are required for all expenses. The Travel Expense Form must note:

- business purpose of expense;
- amount of expense;
- date of expense;
- place of expense (name, address, city, state)

separate entries on the Travel Expense Form. If a change in travel arrangements results in a refund, the traveler must attach the refund of credit slip to the Travel Expense Form. If travel changes are based on personal situations of the traveler, additional reimbursement will be dependent on circumstances.

3. Ground Transportation

<u>Vehicle Use Agreement</u> – All staff members using their personal vehicles to travel for library business will be required to sign a vehicle use agreement. This agreement will require the signer to abide by all motor vehicle laws, meet minimum insurance requirements, follow prescribed safety rules, and document all travel and any accidents that might occur while driving on library business.

<u>Mileage Rate</u> - Travelers using their personal cars for library business travel will be reimbursed at the rate currently allowed by the IRS. All travel must be by the most logical direct route.

<u>Commuter Travel</u> - Commuter travel (the distance an employee normally drives between home and work) is not reimbursed. Employees whose business travel overlaps their normal commuting mileage will be reimbursed for all mileage except commuting mileage.

For example, if an employee attends a meeting in Lansing, works in Haslett and lives in Mason, they would be eligible for mileage for the drive from Mason to Lansing minus the mileage that it normally takes them to drive from Mason to Haslett. CADL does not pay mileage for an employee to drive to a location that is shorter than the distance they normally travel to work. For further explanation of commuter travel mileage, see the CADL HR manual.

<u>Restrictions</u> – All CADL travelers are required to wear a seat belt at all times while traveling on Library business.

Any penalties for traffic/parking violations are the responsibility of the driver. Under no circumstance should an employee attempt to operate any moving conveyance if under the influence of alcohol and/or a controlled substance.

Highway tolls and reasonable parking costs may be expensed. When combined with personal travel, only the costs applicable to the business portion of the trip may be expensed.

<u>Transport Hires</u> - Hotel courtesy shuttles are the preferred method of transportation between the arriving airport and the hotel, whenever available. If a hotel shuttle is not available, the most logical, low cost transportation must be used.

Rental Cars - All car rentals must be pre-approved or the travelers will not be reimbursed by CADL for the rental.

Before leaving the car rental agency location, the driver will inspect the car for damage and will advise the rental agency of any damages that are not previously noted on the rental contract.

All rental cars should be refueled immediately prior to their return in order to avoid fueling charges (use self-service whenever possible).

Reporting Accidents - All accidents involving CADL travelers driving on Library business must be reported. Accidents involving personal cars driven on Library business must be reported to the driver's insurance company as soon as possible. Accidents involving rental cars must be reported to the car rental company immediately. When an accident occurs, regardless of driver fault:

- report the accident promptly to the jurisdictional authority;
- in the absence of legal representation, do not admit negligence or liability;
- in the absence of legal representation, do not attempt settlement, regardless of how minor:
- obtain the names, address and telephone numbers of injured persons and witnesses
- exchange vehicle identification and insurance policy information with the other driver;
- photograph the accident scene immediately, if at all possible.

Long Distance Ground Transportation - Trains and personal cars may be used for business travel when the total cost to do so (tickets, mileage, parking, tolls, etc.) is less than the cost of the lowest available round-trip airfare. Travelers using their personal cars for library business are responsible for insurance coverage meeting the state required minimums for public liability (bodily injury) and property damage. In case of an accident, travelers are personally responsible for any insurance deductibles.

4. Meals

<u>General</u> - It is expected that the traveler would incur reasonable dining expenses in the same manner as they would at home. Travelers will be reimbursed the cost of meals, plus a gratuity up to 20% for high quality service when on overnight business trips. Travelers on trips of more than 6 hours duration will be reimbursed for meals if their travel coincides with regular mealtimes. Meal receipts should be itemized. When credit cards are used to pay for meals, itemized receipts should be obtained when feasible.

<u>Per Diem</u> - The maximum per diem expense limit for all meals is \$75. This amount can be used to cover one meal, two meals or three meals per day. When specific meals are included in the price of the conference or event, the per diem will be reduced \$20 for breakfast, \$25 for lunch, and \$30 for dinner. Travelers will not be reimbursed for alcoholic beverages.

Separate meal expenses will not be reimbursed when a meal is:

- Included in the price of a conference,
- Served en route on a conveyance, or
- Included in the standard price of accommodations.

In-between meal snacks such as a bottle of water, candy bar, or ice cream cone will not be reimbursed.

5. Lodging & Air Travel Guidelines

CADL makes lodging and air travel reservations except when not feasible or otherwise prohibitive, in which case the traveler may make arrangements with prior approval. Traveler preferences will be considered and balanced with fiscal factors, availability, group rates and other details.

5.1 Lodging

<u>Cancellations</u> - Generally, all hotel reservations will be guaranteed for arrival. Reservations that have been guaranteed and which the traveler will not use, must be canceled as appropriate and a cancellation confirmation must be noted. All hotel room charges against uncanceled and unused guarantees will generally be the responsibility of the traveler.

Generally, lodging charges will be reimbursed after travel is complete and itemized receipts are provided to CADL. Capital Area District Libraries will pay for room, applicable taxes, and parking. No other charges will be accepted.

5.2 Air Travel Guidelines

<u>Reservations</u> - While CADL generally makes air travel reservations, in the rare instances when travelers are approved and requested to do so, the following points should be considered to obtain the least expensive fare:

- making a reservation for the least expensive fare available in Coach Class,
- making reservations with the carrier that will provide the lowest logical airfare,
- making reservations as far in advance as possible to take advantage of early booking discounts and availability of open seat inventories,
- using alternate airports if the cost savings is more than \$100 of that of the closest airport,
- traveling during off-peak times if on less costly itinerary.

Exceptions to these guidelines need to be documented and reported on the Travel Expense Form

<u>Airline Tickets</u> - It is the responsibility of the traveler to review all tickets and itineraries for accuracy upon receipt. The traveler is accountable for all tickets and is responsible for any charges if a ticket is lost or stolen.

<u>Denied Boarding</u> - If denied boarding, the traveler must immediately obtain a written statement from the airline agent and have the airline make alternate arrangements. The traveler should not make his or her own arrangements, as these will not be reimbursed by the airline. The traveler may keep any denied boarding compensation offered while on a business trip.

6. Personal Travel

Personal travel is permitted in conjunction with a business trip as long as a minimum of 50% of the time away is business related and no additional costs are incurred. If additional costs are incurred due to personal travel being added to a work related trip, arrangements will be made to offset costs on behalf of CADL. In such instances, all other reimbursement and travel guidelines within this policy will be followed. If adding personal travel results in reducing the

overall costs, CADL will only reimburse the adjusted costs for air travel, car rentals and lodgings.

Spouse/companion travel may also be added to any business travel itinerary as long as there is no additional cost to the Library. Incremental costs are the traveler's responsibility.

CADL may also be required, depending on the applicable laws, to disclose such reports to the appropriate legal authorities. If the report has merit, disciplinary action will be taken against the offending employee. Within the sole discretion of CADL and depending on the severity of the misconduct, the offending employee may be disciplined up to and including discharge.
