

America 250 Decades Reading Challenge

JANUARY 20-DECEMBER 31

Celebrate America's 250th Anniversary by reading 25 books across 25 decades. Travel through the years from 1776 to 2026, choosing titles from or about each decade to explore the people, events, and stories that shaped our country. Need ideas? Check out our decade-themed reading lists for all ages at cadl.org/America250.

HOW IT WORKS

- Use this log to track your reading.
- Read a book that fits each decade listed (by publication date or subject). Complete in any order you choose.
- Write the book title on the log under the Title spot for each decade.
- Turn your completed log in at any CADL branch by December 30, 2026, to receive a prize and be entered into grand prize drawings for t-shirts, book bundles and more! Grand prize winners will be notified by Jan. 15, 2027.
