Impressions.....

So many impressions were left this year at Williamston High School. New faces or old, everyone had something to express. We opened our doors to about 180 incoming freshmen. All of whom came into WHS willing to meet the

challenge of High School, and

impress all the teachers. The sophomore class returned to Williamston High School ready and willing to fully express themselves now that they had one

year under their belts. We also welcomed back our new junior class who were thankful for their first year of being upper-classmen and now could be looked upon by friends, family, and faculty impressively. Last but not least the senior

year the seniors came back ready to make all their lasting impressions on the students and staff of Williamston. This is why we decided to title our yearbook "Impressions."

# Fight With Might For Green And...

One of the lasting impressions of the Hornets of Williamston High School is the cheering and never ending support we give to our athletic teams. No matter what the sport, the faithful Hornet fans are cheering their hearts out for the mighty green and white. With the support of the students and fans the athletes are pushed a little harder to do their best, and it makes high school that much more memorable and impressionable for us students. Some of the many memories that we have would be the singing of the Williamston fight song at the end of the 3rd quarter, the Hornet mascot, and standing up throughout the whole games showing our spirit. Whether the teams are up or down, winning or losing, we do our best to cheer them on! GO HORNETS!

# A Night of Impressions

Homecoming 2000 was a memorable one. This year's theme was fairy tales. The spirit days were: Monday - pajama/comfy day, Tuesday - Wacky hair day, Wednesday - Class Color day (the Freshmen had pink, the Sophomores had grey, the Juniors had white, and the Seniors had black.) Thursday - the forever impressionable Clubbin' day, and of course Friday was Green and White day. Also held on Friday was the pep assembly. The seniors won the tug of war contest by first dragging the freshmen across the floor. The juniors then pulled the sophomores away for a win, and then it was the seniors against the juniors... The seniors swept the juniors off their feet with their strength, and ended up winning the tug of war, no sweat! As for the fairy tale theme and the floats... They all turned out nicely, the freshmen with their Billy Goat's Gruff float, the sophomores with their Alice in Wonderland float, the juniors and their Hansel and Gretel float, and finally the seniors with their Little Red Riding Hood float. The Juniors won the contest with their steaming oven float representing Hansel and Gretel which helped them win spirit week. Along with Homecoming was the Friday night crowning of the King and Queen. Cass Wright and Kortney Devito walked out with the crowns. Finally, Saturday night came along with a greatly anticipated dance. Whether you went with a group of friends or with that "special someone," you have to admit, Homecoming 2000 was an impressionable one.

# PEOPLE

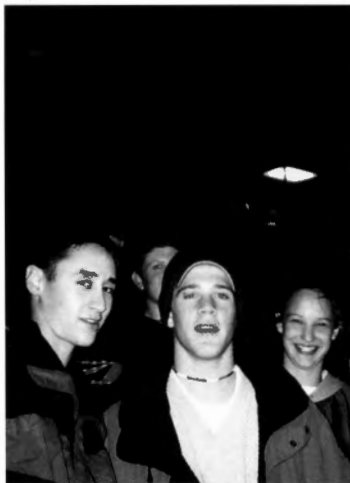

# From Freshmen to...

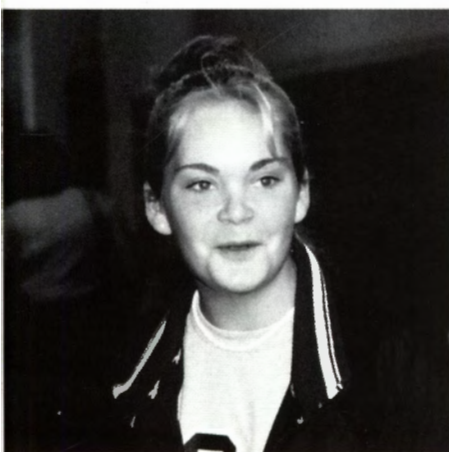

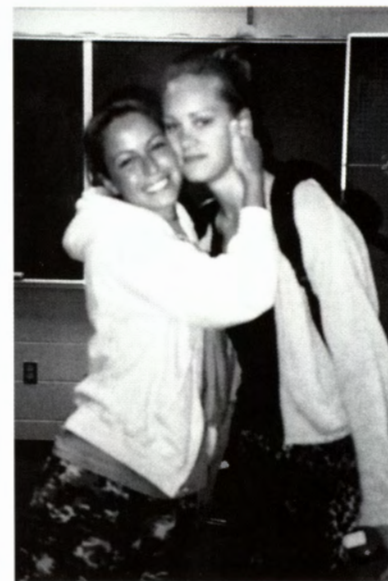

We have all grown up in this high school, from Freshmen to Seniors, and it has been an exciting ride. The freshmen come into this school not knowing what to expect, the sophomores now have one year under their belt, the juniors finally made it to become upperclassmen, and the seniors finally get to rule the school. Our time in this high school is short, but we manage to make ever lasting friends that we will never forget. Hopefully, we will come out of high school not only with the stuff our teachers taught us, but also lessons of life. Make this year and every year the best you can make it, and make it impressionable. We have all grown up here with these people, and we will never forget them. Thank you for all the memories you have brought our school.

## Class of 2001

Williamston has made quite an impression on the class of 2001. Despite the rumors and petty arguments, our class has pulled through. Together we have made many memories and shared unforgettable moments. We are going to leave Williamston High School as changed individuals. As we set out to face the real world we will forever remember our fellow classmates. We have enjoyed the formal dances and trying to find the perfect date. We have reached state champs with wrestling and with cross country, making our coaches proud. The teachers have made their mark on us, likewise we have made our mark on them. The class of 2001 has made quite an impression on Williamston.

# Looking to Next Year

This year's team of Hornets, led by captains Brad Palazzolo and Chris Dobias, were faced with a tough season. Despite the many changes that transpired and obstacles that needed to be overcome, the players learned many valuable lessons about the game of football and the challenging game of life.

In spite of their win-loss record, many individuals still remained determined and focussed and were recognized for their hardwork and accomplishments. Mike Rice, Brad Palazzolo and Matt Graham all received honorable mentions within the Ingham County League.

# A New Impression

The 2000 golf season proved to be one of new impressions and rejuvenation. Nine new freshmen joined the ranks along side the familiar faces of those from before. Despite the many new circumstances, the golfers were able to work hard and perform well as a team. Adding their new coach, Dan Schab to the mix, the team earned a victory early in the season from the Black Hawk Invitational. Although this season was viewed as a rebuilding year, the athletes, led by John Bowersox and Yuji Sparks, proved determination and skill ends with a profitable season. The Varsity team tied for third in the league while the Junior Varsity brought home a second place finish. Ending the season, John Bowersox captured the most valuable award, along with Honorable Mention All State, while Brian Vander Laan named the most improved.

# DETERMINATION

Determination is what held the girls Varsity Basketball team together throughout a trying season. The Lady Hornets began their season with a loss, but no single team could discourage the hoopsters of Williamston. As they progressed they were faced with both victories and defeats, but in the second half of their season, they were encouraged with a three-game winning streak. Also in the midst of their trials, Jenny Beers earned the honor of First Team All-League and Sarah Enfield was recognized as Second Team All-League. Although their record of 7-14 doesn't show it, this year's team of Lady Hornets were a very talented group of athletes that gave it their all and represented their school with pride.

\*\*\* Muscles tighten as his lungs strain to draw in one more breath--a breath of victory--a breath of defeat--a breath that will never be forgotten in the history of Williamston Cross Country. \*\*\*

Coach Nilsson was honored to lead this year's team of talented runners to a state championship, he was but one among many leaders. Senior Jason Stover set a new school record and earned the title of individual state champion. Seniors Pat Maynard (3rd) and Mike Salisbury (9th) were named All-League and All-State. Within their amazing season there were many others that earned recognition: David Bills, All-State and All-League, Mike Delaney, Second Team All-League, and both BJ Pankow and Nick Marlett received Honorable Mention All-League.

Many coaches go through their career hoping for a team like this, but few are priveleged enough to experience it. After many years of coaching, with an incredible record of 186-1, Coach Nilsson had all his dreams answered and his hard work paid off.

# Running Wild

The Cross Country Lady Hornets had an outstanding season in spite of their youthfulness and lack of experience. The young team, with only two seniors, was led by captain, Heather McAdam. Fortunately talent has no set age. Freshman, Kate Rice, was one of the new runners this year. She may have been young but she made her mark. She was league champion, medaled at every invitational and at the regional meet. She completed her first season as a hornet by medaling at the State Finals and receiving All-State Honors. The team finished 6th in the league, and with their youth this year, are looking forward to greater success in the future.

**Top Left:** State qualifiers Kevin Sharp, Andy Simmons, Nick Simmons, Casey Hullibarger, Mike Rice, and Devon Young. **Top Right:** Devon Young, freshman, a state qualifier! **Right:** Junior Kevin Sharp placed 6th at states. **Left:** Junior Mike Rice placed 7th at states. **Below Right:** Junior Andy Simmons, State Champion! **Below:** Junior Casey Hullibarger, State Champion! **Below Left:** Senior Nick Simmons, State Champion!

Nick Simmons was one of the top ranked and most recruited wrestlers in the nation. He signed with MSU for a full ride scholarship at a press conference held at WHS.

Nick Simmons' astonishing high school wrestling career has been big news since he was a freshman. Nick has been ranked as the #1 wrestler since entering high school. He leaves Williamston with a perfect record of 211-0, 192 pins and 16 tech falls. Only three matches in his high school career have gone the full 6 minutes.

Nick is also a 3-time national champion and hopes to be the 1st ever 4-time national champion after competing in the summer following his senior year.

Nick along with his brother Andy, a junior, hold more state and national records than any other wrestlers.

We wish Nick the best of luck at MSU and hope he continues his winning/pinning ways.

# Varsity Girls Volleyball

Bringing in new leadership with a new coach, Dana Plaxton and two first year captains Carlyn Peterson and Margo Smith, the Varsity Volleyball team proved victorious. Although lacking in height the team showed to be well rounded with strength in all areas of the game. They accomplished many of their goals, one being the defeat of their rivals, DeWitt, in tournament play. With their win against Haslett, the Volleyball girls showed true perseverance after coming back from behind to pull out a huge win. The team was able to make it to the semi-final round of districts and ended the year with a winning record. Awards received this year by players include; MVP: Carlyn Peterson, Most Improved: Marta Suryak, Defensive Award: Katie Kruse, and Coaches Awards were received by Amanda James and Amanda Robaitaille

Back for another season Varsity Girls Soccer coach, Jim Flore, led his team to six league wins with only four loses. Co-Captains this year were seniors, Katie Kruse, Stephanie Blumer and Barb Powell. The team had a lot of fun together and had a great team chemistry. They traveled to Petoskey for their annual tournament in which they placed second. A strong point for the team was their defensive skills, which showed with the strong play of First Team goalie, Shannon Braden. Other First Team members included: Katie Kruse, Stephanie Blumer, and Barb Powell.

# A Perfect Season

The Lady Hornets were busy this spring. They started their season with a victory at the Bath Invitational. They then brought home the championship trophy from the Fulton Invitational. The next victory lap was taken at the Stockbridge Invitational, then at the Williamston Invitational.

In dual meets, the Hornets managed to go undefeated with a record of 9-0. When it came time for the ICL meet the Lady Tracksters were on fire! They blew past their opponents to win the meet, and ending Haslett's eleven year streak.

At the Regional meet, the Hornets stomped the competition and brought home the 1st Place Regional trophy. This put them in the Team state meet.

At Team States, the Hornets swept again. Bringing home the State Championship trophy. Both guys and girls were escorted back into town with fire trucks.

The 2001 season was a "Journey To The Top" for the Lady Hornets!

But this year didn't end the same as the years past, instead of going to State festival, the bands combined and traveled to Virginia Beach where they performed in the prestigious Dixie Classic.

Dear Darlin Carlyn,  
 You've experienced a lot in your life to date.  
 Many wonderful opportunities in our world still await.  
 First before all the challenges you accept, these are but a few wishes we hope will be kept.  
 We wish you an opened mind and an open heart.  
 They are needed-- for a start have courage and be persistent.  
 Show common sense and when you're right insist on it.  
 As the song goes make your own kind of music  
 and sing your own special song.  
 Believe in yourself.  
 Have faith, hope, and above all love.  
 Our love and support always!

Dearest John,

How can it be that the time has flown by so quickly? Just minutes ago you were a beautiful, sweet baby boy! And look at you now... A loving, caring brother, a gifted athlete, a (graduating) insightful student, and a handsome, wonderful son. Through the years you have brought us so much joy to our lives. You thrilled us as we watched you play basketball, baseball and golf. You amazed us with your intelligence and leadership. You touched our hearts with your endless acts of kindness and unselfishness. Surely the future holds nothing but good things for you! Thank you for staying true to yourself, your beliefs and your dreams. You have made us very proud. May god bless you and keep you in His care as you begin your next phase of your journey. Congratulations Johnnie! We love you very much!

# Unforgettable Impressions

## *Moving On...*

Among the seniors that are moving on from Williamston High School this year, there are two staff members that will be missed as well. We would like to say thank you for taking the time to help shape us into the people we have become. Your time and efforts were greatly appreciated!

Mr. Randall Bowles, **Principal**

Ms. Bonnie Vant  
**Media Specialist**

Whether you were an anxious senior, a nervous freshman, or somewhere in between, you left an unforgettable impression on all of us here at W.H.S. Some made more noticable impressions than others, but none went without reward. For everybody at Williamston High School, the 2000 - 2001 school year was one of impressions that will not be forgotten. For the staff, it was one more year under their belt in which they accomplished the goals they set out to do: teach with much enthusiasm, and try to make as many differences in their students lives as possible. For the students, it was a long year of fun and fights with friends, but hopefully none of it you regret. Thanks Williamston High School for the great year!

What a golden year for sports.

Michael Johnson won two gold medals in the 400 meter and 4 x 400 meter relay in the Sydney Olympics.  
(Must have been the shoes.)

Multiple medals also went to Maurice Green and to Marion Jones, who took home three gold and two bronze.

She's the first woman to win five medals in one Olympics.

Tiger Woods did it again.  
And again.  
And again.

As the PGA Tour Player of the year, he placed first in tournament after tournament, including the U.S. Open, the British Open and the PGA Championship.

The golden girls of soccer settled for silver in Sydney.

Under a Shaq attack.

Shaquille O'Neal, with Kobe Bryant, shot the Lakers to victory against the Indiana Pacers in the NBA finals.

Lance rules. Armstrong conquered the Alps and silenced cynics, winning his second consecutive Tour de France.

His comeback from cancer makes him a double role model, to athletes and cancer patients alike.

The "Subway Series" made baseball big news. For the first time in 44 years the New York Yankees and the New York Mets went head to head at the World Series. New York came out on top.  
(As in Yankees.)

The Williams sisters continued to take the tennis world by storm. Rivals on opposite sides of the net, they're unstoppable as partners.

Venus topped a stellar year with wins at Wimbledon and the U.S. Open.

She took the gold at the Sydney Olympics in singles, and paired with Serena to take the gold in doubles as well.

It wasn't in the stars. The New Jersey Devils took the Stanley Cup back from the Dallas Stars after their nail-biting double overtime victory in game six.

D-FENSE!

The Baltimore Ravens extraordinary defense gave them the edge and a 34-7 win over the New York Giants in Super Bowl XXXV.

What goes around comes around.

Look behind the technology hype and you're sure to find recycled trends. Oh, the irony.

It's the 70s all over again.

Large tinted lenses make for look-at-me sunglasses and disco-era hairstyles return with "wings" and feathered bangs reminiscent of Farrah Fawcett's famous locks.

A new twist is the bright burst of hair color, maybe a leftover from the punk and glam rock resurgence last year.

# STATE OF COOL REFRESH

A rhinestone belt holds up your denims? Glittery studs on your faded jeans?

Totally.

England's Prince William took a "gap year" before college, following his mother's example of service and humanitarianism.

His volunteer and environmental work in Chile shows that the man who will be king is a true prince of hearts.

For the guys, the mop top is back with the "shag" hairstyle.

The bed-head hairstyles of Ricky Martin and Kevin of the Backstreet Boys is typical of the macho look many stars like.

Leather whatever.

Leather is everywhere. Leather pants. Leather boots.

Everything else sparkles and shines.

We heard lots of wedding bells.

Two Backstreet Boys got hitched, Madonna married her Guy.

Catharine Zeta-Jones wed Michael Douglas, and Jennifer and Brad tied the knot.

Caution. Heavy traffic ahead.

As in new millennium traffic. It seems like the more info there is, the harder it is to be informed. Technology promises a bright new age but it's still hard to communicate.

Some things never change.

The Pope journeyed to the Holy Land and prayed for peace, while conflicts between Israelis and Palestinians raged.

Allegedly linked to the unrest, the USS Cole was bombed off the coast of Yemen. This year we remember with honors entertainer Steve Allen, actors Walter Matthau, Jason Robards, and Alec Guinness.

# SO WHERE ARE WE?

# WHAT'S NEW?

And the nation waited 36 days for the drama of the 43rd presidential election to unfold.

Another first. After court battles and recounts,

Florida's 25 electoral votes were finally awarded to Texas governor George W. Bush in the closest presidential race in history. In another dramatic sequence of events, tensions between U.S. and Cuba

rose over the custody battle of 6-year-old Elian Gonzalez who was finally reunited with his father and sent back to Cuba amid anti-Castro protests.

**Crash.** Technology and music went head to head, as 19-year-old

Napster co-founder Shawn Fanning battled the music industry over copyright usage of downloaded music.

Firestone tires exploded on highways across the nation forcing one of the largest recalls in history.

Hillary Clinton stepped out of the White House and into the U.S. Senate, a first.

Television gives a crash course in life lessons.

The nation tuned in to see who would be voted out in this summer's biggest smash "Survivor".

The ultimate survivor, Richard Hatch, beat all odds in order to outlast his island mates.

# ANYTHING 'ON'?

In shows like "Roswell" and "Angel," to survive means getting rid of the bad guys.

They showed that we all experience feelings of alienation, but we are not alone.

In fact, putting up with siblings, family issues and struggling to "find ourselves" are common denominators for us all.

## Inventions topped inventions.

This year, we saw cable lines not only enhance television but surfing speed and e-commerce as well.

### Electronic organizers rock.

From the palm of your hand you can check e-mail, invest in futures or buy a present for Mom.

### Oh yeah, and get organized.

The newest digital cameras have greater picture quality as well as roomier disk space,

while the next generation MP3s are smaller, faster, more portable, and provide better-than-ever sound quality.

### Toyota was among the future-thinking car companies to introduce hybrid cars.

Half -electric and half gasoline-powered, these new wheels will eventually be as easy on the pocketbook as they are on the planet.

Playstation 2 and the latest Nintendo made the virtual world more entertaining.

# SHOCKING!

## Performers

like Hoku and Jakob Dylan of the Wallflowers emerged from the shadows of their famous parents.

## Blink-182

lets their California style influence their wardrobe and music, which led them to an MTV music award for "All the Small Things."

## Globalization

has had a profound effect on the style-music industry. Latin's back with a bang with the return of Carlos Santana and the rise of Enrique Inglesias along with Christina Aguilera's release of a Latin-style CD this year. And we saw Ricky Martin going global with a tour reaching as far as Austral-Asia.

On the local scene, many underground performers have been rocketed into the mainstream, as was Moby, the one-time New York DJ, with the immensely popular "Play," image is everything.

# LIVE BABY LIVE!

Madonna came alive (what else is new) with her new "Music," reinvigorating her original dance-music roots.

Unbelievably, this mother of two has topped the charts for some three decades now.

## Her concert,

performed in a London pub, was one of the most-watched events on the Internet to date.

And with MTV, VH1, Napster, and others, the faces of today's performers are seen live everywhere.

For pop princesses like Britney Spears, Christina Aguilera and Aaliyah, as well as the ubiquitous boy bands, image is as big as (maybe bigger than) their music.

For performers like the Backstreet Boys, LFO, 98° and especially \*NSYNC, style is the substance of pop.

Check out their live shows.
