LANSING PUBLIC SCHOOLS . . . THERE'S NO BETTER PLACE TO LEARN!

## REQUESTING SUBSTITUTE TEACHERS

It will aid the Substitute Teacher's Office if you will please use the following procedure when reporting an absence:

1. Please call 374-4270 before 6:30 A.M. and give the NAME, SCHOOL, GRADE(s) OR SUBJECT(s) TAUGHT AND REASON FOR THE ABSENCE.
2. We must know HOW MANY DAYS OR 1/2 DAYS (specify A.M.'s or P.M.'s) you expect the absence to be. If it is a P.M. ABSENCE, PLEASE GIVE THE TIME AT NOON THE SUBSTITUTE SHOULD BE THERE.
3. If you expect to be absent an additional day, please let this office and the school office know before 2:30 P.M., if at all possible, so that the same substitute will be notified to return the next day.
4. In view of requirements that must be met before authorizing employment of teacher substitutes, please contact our office when a substitute is needed. You may suggest a particular person; however, only people who are on the "Active Substitute Teacher List" will be used. Our office makes all substitute assignments.
5. The Employee Relations Office (374-4068) should be contacted when requesting the use of Conference, Meeting, and In-Service Days; however, the Substitute Office should also be notified as soon as possible.

This year I will be working from my home, so I will be able to call for substitutes in the evenings and during weekends, as well as throughout the day starting at 5:45 A.M. If you know of an absence the night before, please call then. The subs appreciate knowing ahead of time. If the tape-recorder is on, please leave a message.

Thank you sincerely for your cooperation.

Marilyn Warner  
Substitute Teacher Assignment Clerk
