58 YEARS OF PATTENGILL
AND STILL GOING STRONG!!!

PATTENGILL JUNIOR HIGH SCHOOL
LANSING, MICHIGAN

80-81

**BY THE STUDENTS
OF PATTENGILL**

THE 1981 PEACEPIPE IS DEDICATED TO MR. ADAMSKI

In keeping with tradition, PEACEPIPE is dedicated to someone who has been a real asset to Pattengill: Mr. Henry Adamski. A teacher here for 27 years, Mr. Adamski says he likes Pattengill because it's a nice place, he has lots of friends here, and he likes the student body a lot. As he retires, he plans to pursue his hobbies of photography, fishing, and other outdoor sports.

Mr. Adamski graduated from Michigan State University with majors in vocational agriculture and industrial arts and a master's degree in instructional media. In addition to his career at Pattengill, he has taught a variety of courses in Williamston, at Lansing Community College, and at M.S.U. At Pattengill, he has taught metal shop and science, focusing for the last 18 years on developing and teaching eighth-grade science in a team-teaching situation. For nearly 20 years, he has served as chairman of the science department and has been in charge of the school's audio-visual service and equipment.

Mr. Adamski has done a terrific job here, and he will be greatly missed by students and staff alike. We wish him well and hope he will be happy in all that he does.

ADMINISTRATION
AND STAFF

"Our community, students, and staff are proud of our school. It's through the process of working together cooperatively that we will be able to achieve the best that we are capable of producing."

Miss Putnam

"It is our goal at Pattengill to have each student leave this level of learning with the basic skills that will be needed for a successful adult life."

"It is also important to help each student develop a positive self-concept and an interest in exploring his or her potential."

Mrs. Lewis

"The students of Pattengill should be proud to be part of the great tradition that has grown through the years at their school. Many parents, even grandparents, of present students have attended Pattengill and refer to their school experiences with fond memories. There is a certain feeling of pride in a school that continues through the years because of the way students feel about their school. That feeling of pride still exists with the present student body and we, of the staff, are proud of these feelings. We will strive to continue this spirit in Pattengill Junior High."

ACTIVITIES

S.E. Hinton, author of four popular novels, visited Patten-gill this year and spoke to a group of approximately fifty students. Hinton's first two books — *THE OUTSIDERS* and *THAT WAS THEN, THIS IS NOW* — have been required reading in English classes taught by Mrs. Mikulski and Mrs. Davis; ninth-graders from those classes were invited to write a character sketch based on one of the author's books in order to see her in person and hear her talk about her experiences as a teenager that led to her career as a writer.

We enjoyed S.E. Hinton and hope she can come back again.

Mr. Gibson

These pages are dedicated to the people who made the 1980-81 PEACEPIPE a success. We thank Mrs. Kogelman for taking her time to help prepare the year-book. We also give our special thanks to Mrs. Davis for her editing skills. An extra-special thank-you is directed to Mr. Gibson for all the pictures he so kindly developed for us throughout the year.

GENERAL ORGANIZATION (G.O.)

The G.O. (General Organization) did a great job this year solving some, if not all, the student body's problems. At monthly meetings, G.O. representatives discussed ideas and planned school activities. They are the ones who planned and organized the Christmas Food Drive, with the help of students and teachers. They put up the decorations for the parties, held pep-rallies, and planned special days.

Chris,

We had a tough first half of a year,
but after that you began to trust
me. I hope some-time we can
have a love affair. If not, maybe
we can fool around. I hope we
get stoned together some time. If
not, call me and tell me about it.
Since you can ~~re~~-state. I bet
you can roller-skate, do come
some Friday and we'll have a
good time. Love.

EDITORIAL

"Pattengill's Community Involvement Committee (C.I.C.) based its objection to the proposed conversion of the school as a junior high on what we felt were the school's unique features and strengths. Throughout the ten months that we were involved in trying to keep Pattengill open, we tried to present these facts in the most positive, logical and calm manner possible. This was made easier knowing the committee had the support of the staff, students and parents."

"Pattengill will remain a junior high school! There will be, of course, many new challenges to be faced by all of us. We hope that we can meet them successfully too and keep going strong!"

Mrs. John Cruise
Parent Representative, C.I.C.

"We are pleased that Pattengill will be continued as a junior high school and are appreciative of the support of our student, parent, and faculty community. We look forward to welcoming our new students in the years ahead, as they will bring an added strength to our school and to our program of education."

Miss Evonne Putnam
Principal

C.I.C. Parent Representatives Mrs. Cruise and Mrs. Watson keep Miss Putnam informed.

"Our C.I.C. helped to swing the decision to keep Pattengill open by publicly calling attention to our good points. Good things are what Pattengill will never run out of."

Barbie Trierweiler
G.O. President

C.J.,
Hey brother,
were really gonna
have to raise some
(Hell) this summer, I better
see you. If I don't then
you better call. Thanks for a
great year. Love always,
