The Student Council played an important part in all school activities. Some of their accomplishments have been sponsoring the United Fund Drive in co-operation with the Key Club, conducting a Capital Circuit Council Conference, working on recommendations for the improvement of conditions existing within the school, and recognizing organizations of the school through non-voting representation.

The Buildings and Grounds Commission has excelled in fulfilling the requirements of their organization.

The Clean-Up Campaign, held in the fall, was one of their biggest movements of the year. All campaigns undertaken by this organization were successful in keeping the school and surrounding grounds in orderly condition.

The Traffic Commission, another branch of the Student Council, is responsible for the traffic in the halls between classes. It is the policy of this commission to maintain peace and order in the building at all times.

The year of 1956 can well be acclaimed as the finest year that the chorus has ever had. Under the direction of Mr. Ainslie, the chorus has presented a Christmas Concert and an operetta entitled. "Ask the Professor". It is well to note that this is the first operetta presented in this school for over a period of eight years. Other accomplishments of this group are: participating in the Baccalaureate and having two members receive high ratings in the State Solo Festival at Jackson. Beatrice Bosom received a "Superior" rating and Roger Brewer an "Excellent" rating.

DRIVERS TRAINING

Something new was added to the high school curriculum this year, driver's training. The classes were held during the home room period and the actual driving was held during school or after school. The students learned how to drive and some of the laws and courtesies of the road. Ap-

proximately sixty students took the course this year. The driving instructors were students from Michigan State University and were very well qualified for the job. The class instructors for this year were Mr. Wilkes and Mr. Combs. Next year the class will be a regular elective.

Above you will see a picture of one of Holt High School's prize driver training pupils. He seldom makes an error--

1955 VARSITY FOOTBALL

The 1955 Varsity Football Team's size and record could not be compared this season. The Rams, being one of the smallest teams in the Capital Circuit, won 6 games, lost 2, and tied one.

Credit is due to all members of the squad as all were called upon during

the season to display individual skill, especially during times of injury.

The team will lose 11 seniors this year but they will have some up and coming stars returning for the 1956 season.

1955—56 VARSITY BASKETBALL

Our 1955-56 Varsity Basketball Team had a very successful season, winning eleven games and losing only five of the regular season. Paced by seniors Ken Blalock, Ken Boettcher, Mike Marshall, and George Albert, the Big Rams won the District Tournament and went on to the Regional Tournament only to lose to a very strong Lakeview team 79 to 60.

Many points scored in Holt's games can be attributed to the flashy ball-handling of Bob Tuttle and Don DeChelbor.

We, here at Holt, can well be proud of the Big Rams for the sportsmanship and winning effort they have shown during the year. Our hats are off to Coach Hovanesian and all members of the Holt Varsity Basketball Team.

1956 VARSITY BASEBALL

The 1956 Big Rams Baseball team, again was one of the top teams in the Capital Circuit B League this year. Winning 9 games and losing 8 put the Rams near the top of the heap. The big bats of B. Tuttle, J. Clever, and many others; plus the fine pitching from W. Runyan and M. Marshall; and the defensive play of G. Bell and A. Shaver; and the promise of the future with such fine young players as G. Howell, B. Foster, D. Livensparger

and D. Holliday really made the team a team to be feared by the others of the league.

Coach Wilkes taught the boys many little tricks about how to play better baseball and worked very hard to improve each boy's weakness. Thank you, Mr. Wilkes and team, for the fine job you did and for keeping the good sportsmanship of Holt on a high standard.
