Dedication

To a man who lives before us in a silent manner but has set a wonderful example to all who have been under his direction or in association with him in any way. To one whose qualities of friendliness, loyalty and leadership have won a place of high respect, deep admiration, and warm affection among both the student body and the faculty. With deep appreciation for his service to us as a teacher and friend we dedicate this, the 1960 RAMPAGES, to our Band Director Gerald Winters.
