## WHERE THE ACTION IS!

*Flick the stick...*

*Cutlass does the rest!*

Take a hair-trigger transmission . . . tie it to 290 horses and you've got action with a capital "A." That's what Cutlass delivers. Its all-new 330-cubic-inch V-8 power plant sports a four-barrel carb and a 10.25-to-1 compression ratio. Take your choice of a three-on-the-floor, fully synchronized four-on-the-floor, or a silken new variable-vane Jetaway transmission (all optional). But the power-room isn't the only place this bucket-seat beauty has been beefed up. Ten more inches in length, three in wheelbase, two in tread width. Extra inches *inside*. In short, Olds has put plenty into the '64 Cutlass. You'll get plenty out of it!
