Foreign Exchange Students Learn American Ways

Holt had four guests from overseas this year: Ulla Marianne Asplund (Ann) of Finland; Marjatta Paivahonka, also of Finland; Christa Weigand, of Germany; and Ulrich Janke, Germany.

Ann had already graduated before she came to Holt. She thought the United States would "be more different."

Marjatta found American Schools quite different from the Finnish schools. She thought classes at Holt easier.

Christa found classes harder. To Christa coming here was "like a dream."

Ulrich, like Marjatta, thought United States school subjects easier. He found American teens more mature at an earlier age.

Holt was proud to have these students as visitors and hopes they took pleasant memories back with them.

Marjatta Paivahonka, Ulrich Janke, Christa Weigand, Ann Asplund

Organizations

A.-V. Club Benefits the School

The Audio-Visual Club is a small organization that provides a lot of service to the school. Its members spin records at school dances and operate the many projectors, microphones, and other a-v equipment throughout the school day. The concessions stand at the basketball games and at dances is another of the clubs responsibilities.

“Check-mate” is the Theme of the Chess Club

The Chess Club meets to help the members practice and improve their knowledge of chess. Meetings are held after school and the members often sit for hours at a time debating the next move in a tense game. Advisor for the group is Mr. Carl Miller.

Buildings and Grounds Keeps the School Clean

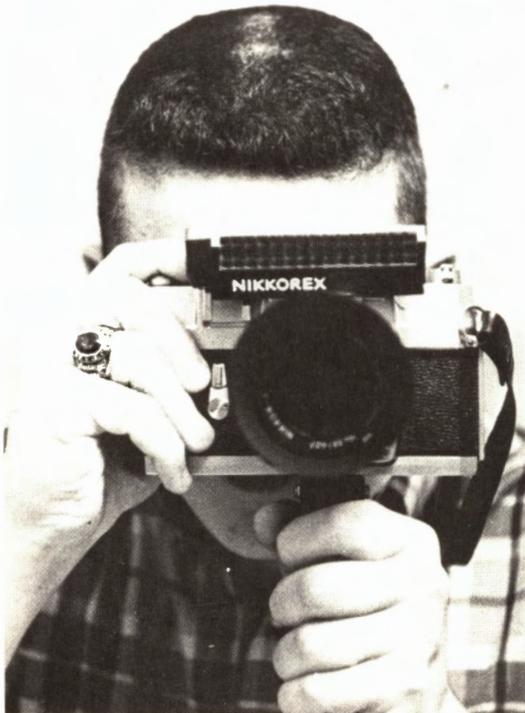

The Buildings and Grounds Commission, affiliated with the Student Council, has had a fairly active year as it sponsored the regular locker checks in addition to maintaining the hall pictures of the "Honor Students of the Month". It also sponsored the first annual "Clean-up Week", the highlight of which was the bulletin board contest. The Commission has performed well during a busy year, led by Commissioner Tom Sawyer and Assistant Commissioner Eric Bickel. Mr. Hovanesian advises the group.

At Work . . .

The student body seldom realizes the hours and hours of work that result in their annual. It is not as simple as just taking the pictures. These pictures must be incorporated into page layouts, labeled, transferred to triplicate copy sheets, typed, proofread, and approved. Explanatory paragraphs must be written about organizations and cast lists must be compiled for stage productions. Last minute details include the final proofreading, separating the copy sheets, construction of a dummy and boxing the final copy. A sigh of relief is issued when the "book" is in the hands of the trusted postman. But the anxiety continues. All summer questions arise — Did the mistake on page seven get

corrected? Did someone number page 34? Was that Joe we labeled Jack? Will the book ever come? Finally the book comes, is distributed, and the mistakes are found. But, then, we learn by our mistakes!

Solo Ensemble Adds Variety to Band

The activities of the Holt High School Band have been both many and varied during this past year. The programs presented by the marching band during the football halftimes included intricate marching patterns and superlative music. The marching band also represented Holt High School in several parades including the Veterans Day parade in Lansing and the Fall Homecoming parade in Holt.

The concert season of the Holt High School Band consisted of two programs presented for the students and public of Holt. The Spring Concert was a formal affair sponsored by the Kiwanis Club of Holt, with the proceeds going to the band.

The Holt High School Band, under the direction of Gerald Winters, has had a very successful and busy season.

Choir Entertains Holt at

The first public appearance of the Holt High School Vocal Department was at their Thanksgiving Concert. This concert, which featured secular music, was followed by the annual December Christmas Concert at which time the story of the first Christmas was told in song. The vocalists performed songs from Broadway hits at their Winter Concert, and featured romantic songs at their Spring Concert.

May 5 the curtain rose on the misty village of Brigadoon, a village that appeared only for one day each century. Two American hunters, Dave Borton

and Jim Spencer, happen upon the village while hunting in Scotland. They are rather disturbed by the atmosphere of the village until the event is explained to them by the schoolmaster Jim Voss. Dave falls in love with a village girl who is portrayed by Melinda Oakes. The hunters leave the village and after getting home to the U.S., Dave decides he loves the village maiden. When they return a second miracle occurs. The village returns for the second time in the century. Other leads in the operetta went to Sue McCabe, Alan Barrett, and Tom Greenhoe.

The 1966-67 Debate Team has held the name of Holt High School high in the ranks with a 4 out of 6 victory in the State Debate Competition. They worked long hours to earn this distinguished title for our Speech Dept.

Foreign Language Club Visits Europe via Pictures

The Foreign Language Club, composed of students taking one or more foreign languages, toured many countries by way of pictures and slides at their meetings. Among the many speakers were Miss Betty Walker from M.S.U., Mrs. Sachse from East Lansing, and Anne Asplund from Finland. The club enjoyed folk dancing and refreshments at the meetings, while practicing their languages on each other. Mrs. Steinfatt served as club advisor, planning the various programs.

Future Homemakers Sponsor Parties, Attend Conventions

The Future Homemakers have been very active this year, going horseback riding; sponsoring Christmas parties, a "Daddy Date Night", a taffy pull with Mason's F.H.A.; adopting an orphan in India; and attending re-

gional and state conventions. Officers were Helen Smith, Irene Humphrey, Candy Clark, Pam Koehler, and Kathy Stevenson.

Future Nurses Take Field Trips, Hear Speakers

The Future Nurses of America are part of a national organization of girls interested in and preparing for nursing careers. The club heard various speakers this year, in particular, a registered nurse spoke on what could be expected and what to look for in nursing school. Several field trips were taken by the club, the most notable of which was the trip made by three of the most active club members to the Coldwater State Home and Training School. Heading the organization were the officers: President Lily Lambeth, Vice-president Pat Martin, Secretary Gisela Wuerfel, and Treasurer Janel Sheldon. Mrs. Beck, chemistry teacher, advised the club on their many activities.

President Barb showed Great leadership. Hup! two! three! four!

Future Teachers

The future teachers club has been very active this year. The members have gone on field trips to Central Michigan University, Michigan State University, and Walnut Street School for the Handicapped. As in past years the members have worked with elementary teachers, while getting experience in teaching. Chris Wellington won the club's award this year, for exemplifying the qualities of a fine future teacher.

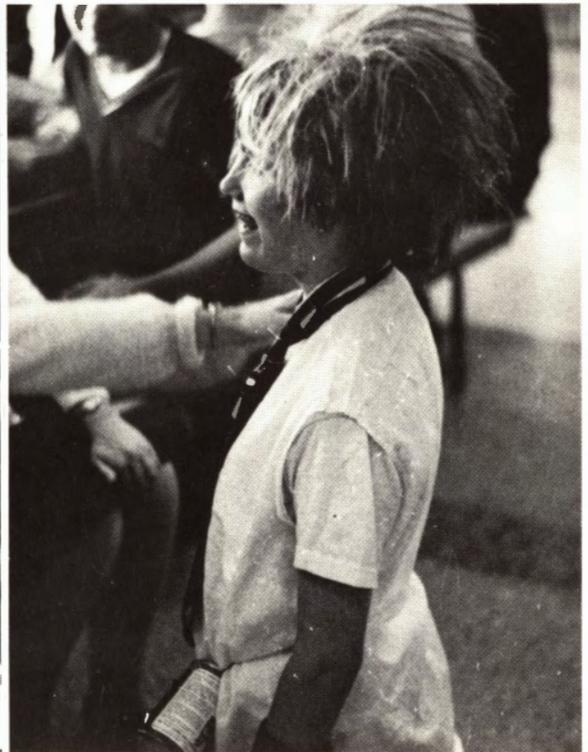

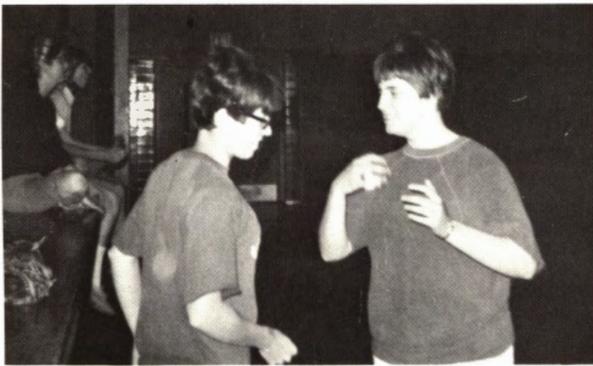

The tall and the short of it!

Girls Athletic Association Conducts Varied Athletic Events

The Girls Athletic Association has been busy this year with their own athletic events. Highlights of the year included the fall initiation for new members (prospective members were little sisters for a day, wearing the wildest dress imaginable), several play nights, a bike trip, and a canoe trip down the Manistee River. The club was led by officers Renee Davis, Ingrid Stangenwald, Vadia Burt, Diane Johnson, and Anne Richmond, and Advised by Miss Bird and Mrs. Quane.

The Honor Society was led this year by Pres. Sharon Lambeth, Vice-Pres. Linda Galka, Treasurer Lee Pawlowski, Secretaries Nancy Sablain and Kathy Green, and advisors Mrs. Baumbach and Mrs. Kitzman.

N.H.S. sponsored many diverse activities, from a parliamentary procedure breakfast to a pep assembly skit to a year-end party, making it one of the most active clubs in the school, as well as the most respected.

Junior Classical League Brings Rome to Holt

The Junior Classical League is an unusual club, as it meets both in and out of school to better further its activities. In the spirit of preserving the Roman heritage, J.C.L. members attended a workshop at M.S.U. for all state organizations, and held the annual Roman Banquet, where everyone attended in togas or other Roman dress.

Officers this year were Don Cragun, Gordon Smith, Connie Roberts, and Franka Ballard. Mrs. Steinfatt was the advisor.

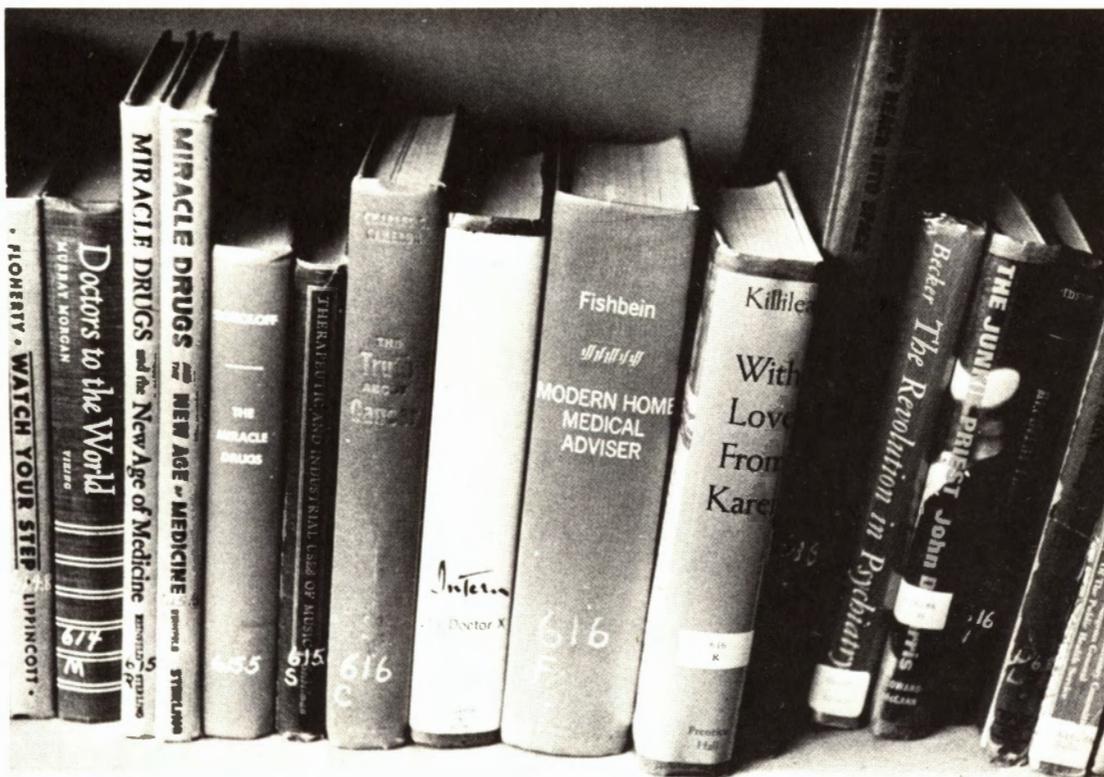

Key Club Conducts Annual Christmas Drive

Holt's Key Club, a service organization affiliated with Kiwanis, was led by Jeff Stauffer, President; Tom Brauer, Vice-president; Larry Patterson, Secretary; and Tom Lokia, Treasurer. They sponsored several unusual dances, the famous "Kill a Car" dance, a canoe trip down the Manistee River, a trip to the state-wide convention in Detroit, and the annual Christmas drive among homerooms to collect food for the needy. Mr. Wilson serves as the club advisor.

Area Colleges Interest Library Club

The members of the Library Club work day in and day out in the high school library, serving the whole school. Instead of a regular set of officers, a chairman and committee head the club. Under this year's chairman Rindy Premoe, the club took field trips to Michigan State and to the University of Michigan, to tour the library facilities and attend a convention of library assistants. Mrs. Stauffer, librarian at the high school advises the group.

Holt Forms First Literary Club

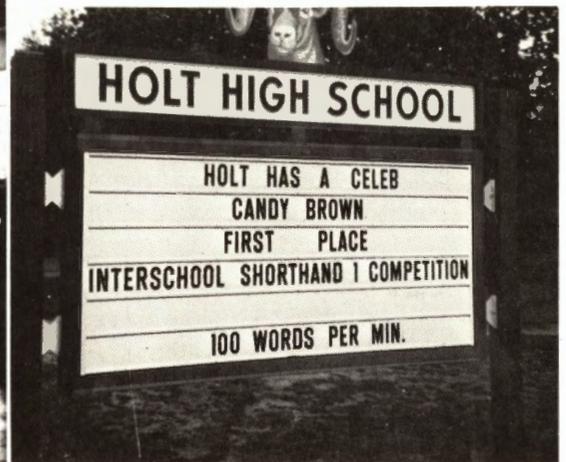

The Literary Club, newly formed this year, reads and discusses all sorts of books — both old and new — at the meetings. Guest speakers have lectured to the club, and the group has taken various field trips, on to Detroit to see a play. A major project of the club was the sending of a scrapbook full of comics and cartoons to a hospital in VietNam. Officers for the year were President Jean Parker, Vice-president Joan Leonard, Secretary Carol Browsers, and Treasurer Joan King. Mrs. Norma Hood advises the group.

Student Council Sponsors All-School Projects

Holt's Student Council has benefitted the entire school with its many projects and activities. Delegates Linda Adams, Lee Pawlowski, George Mochmar, and Jim Douglas were sent to the Capital Circuit Council, an inter-school council formed to promote better relations between the schools in the Capital Circuit. S.C. sponsored the first "Winter Homecoming", in which a queen was elected from the student body, and various assemblies for the whole school. The most notable of these was an assembly featuring a comic magician. The most outstanding project was the purchase of an outside bulletin board, to inform the students and public about coming events in the high school. Officers this year were: President Linda Adams, Vice-president Bruce Stephens, Secretary Joan Bauer, Treasurer John Bloomquist, and Building and Grounds Commissioner Tom Sawyer. The Council was advised by Mr. Hovanessian.

Varsity Club Members Win Letters

Varsity Club consists of the athletes who have won their letter in any of the sports that Holt competes in. Entrance into the honorary organization is achieved by the completion of a complicated initiation — a day of being a “little sister” and a night of more ingenious ceremonies. Officers for this year;

Bruce Stephens, President; Mike Woods, Treasurer; Joe Bochenek, Vice-President; and Eric Bickel, Secretary. The club was advised by Mr. Briggs, the track and football coach.

Varsity Baseball Finishes Strong

After a slow start, the varsity team came on strong to win seven of the last nine games, finishing the season with a 7-7 win-loss record. This put them in a tie for third place in the league with Okemos. In addition, Mike LaMacchia and Steve Moubray made the All-Circuit first team at third base and catcher. Russ LaMacchia and Bruce Stephens made the second team at the second base and outfield positions.

Tennis Team Is On the Ball

The tennis team, coached by Mr. York, did a fine job of representing Holt. The doubles team of Jim Douglas and John Bloomquist was outstanding as the boys won the regional doubles tournament, defeating several tough area teams.
