From Ethiopia to Holt

This year Holt was proud to have Sayed Ahmed Adem as a foreign exchange student. Sayed, who is from Tessenei, Eritrea, Ethiopia, has taken college prep courses at Holt. He plans to attend Gustavus Adolphus College in St. Peter Minnesota, where he will major in medical technology. The college has given him a scholarship to attend.

Sayed speaks Arabic, Amharic, Tigre, Tigrinya, and English and he is currently studying the French language. He has traveled in Europe and visited much of the U.S., and hopes to travel more after College.

The Holt Chapter of the National Honor Society has made Sayed an honorary member. He has also been a member of the Foreign Language Club in Holt.

Holt has been very honored in having Sayed as a member of its student body and hopes he will take many pleasant memories back with him.

Cheerleaders Lead Pep!

This year's Peppy crew were very busy! When not leading the school in cheers, they could be found practicing, planning a skit or sponsoring a dance. The Varsity also attended a clinic where they learned many new cheers and chants to improve school spirit. Few people realize the effort and work that goes into being a cheerleader, but their efforts are always appreciated!

Art Club Formed at Holt

This year an art club was formed at Holt High School. This club was to promote better ideas as well as original ones in the art field. These students worked on many projects during the year. They made center pieces for the class dinners and helped design and paint the scenery for the Winter Ball.

This year the librarians, under the direction of Mrs. Stauffer, took a field trip to the Michigan State University Library and Museum. Holt's Rams showed a lot of spirit this year never losing a game by more than one touchdown. Playing through rain, sleet, snow, and a heat wave, they had the kind of never say die that always makes for an exciting game.
