### In Dedication

To Mr. Darold Briggs for his eight years as coach of the Holt Rams football team. The last three teams were Capital Circuit Champions. This year's team was unbeaten, unscored upon and finished number four in the State.

Mr. Briggs attended Central Michigan University, graduating with a Bachelor of Science degree in 1957. He started his coaching career at Pittsford High School in Pittsford, Michigan, where he was football coach, basketball and track coach and athletic director of the school. He came to Holt in 1964.

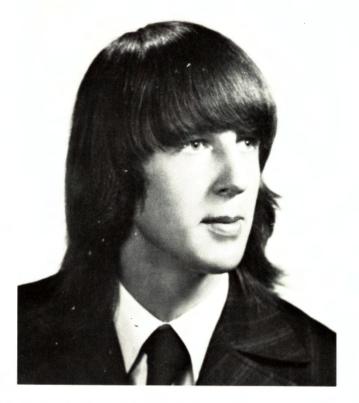

The 1973 Rampages staff is very proud to be dedicating this yearbook to a person who has spent so much time and effort helping make our school so proud of our Rams.

#### THE ROAD GOOD-BYE

The road I took was named Good-bye. The path looked strange . . . I wondered why, I left familiar things behind, A hand caught mine . . . I paid no mind. The stranger never once did say Just what had brought him on my way. On we went, and some what afraid, I wished I hadn't come but . . . stayed. All the friends that I once knew, Took a road named Good-bye too. There were no two roads just the same, Though all were called Good-bye by name. The road went on; we went on too, And I was sad, for then I knew, That never could I be the same, Having walked down Good-bye lane. And though I couldn't understand. We said no words, but just walked on. I thought of things now past and gone I thought of games I'd lost and won, I thought of all the things I'd done, I thought of those I loved and cared, Of times we'd had, of things we'd shared. I thought of things, of tears I'd shed . . . Those same things now brought smiles instead. The tasks I'd done, those left to do, I wondered how I'd make it through . . . When something inside seemed to say, "The best you can from day to day," The way was rough; I knew the score, It never ends . . . there's always more. But now I knew that all in all, Each thing in its own place will fall. I thought of all the happy days, The sad ones now just seemed a haze. And in a flash I came to see How much the past had meant to me. We walked along - I wondered where The future led and what was there. The past still echoed from behind, I was its, and it was mine. But in my heart was still a fear, And in my eye a shining tear. Yet on my face there was a smile, And we walked forward all the while. I walked along the road Good-bye. I looked back once . . . I heard a sigh, Then I remembered at my side My silent, but my constant guide. The stranger's hand I felt in mine I asked his name, he turned just so, He smiled and said, "I'm called "Hello!"

## **Oldsmobile**. For the 75th year in a row: a step ahead

The first company organized specifically to produce automobiles on a quantity basis.

The first fully automatic transmission drove an Oldsmobile. The first high-performance Rocket V-8 engine powered an Oldsmobile.

Innovations at Oldsmobile are not merely traditional; they have become a way of life. And 1972 is no exception.

This year, we introduced new front bumpers on the Olds 98, Delta 88 and the Custom Cruiser station wagon. These bumpers absorb minor impacts-they flex, then return to position. A feature befitting America's first car maker to celebrate its 75th Anniversary. We've made the Toronado even more distinctive, with

subtle changes in its design.

We changed the grille on our Cutlass Supreme, but maintained the standard touches like a front center armrest and wood-grain vinyl paneling.

Our Rocket V-8 engines are designed to perform well, even on no-lead, low-lead or regular gasolines.

And each Oldsmobile comes equipped with all of the standard GM safety features.

Changes, modifications, improvements and good sound automotive ideas like these have kept Oldsmobile a step ahead for 75 years. A good place to be.
