Homecoming 1973 was almost spoiled by rain but our Rams defeated the LCC Cougars, 12-3.

During half time, 1972 homecoming King and Queen, Rocky Shaft and Gretchen Cheney crowned this year's King and Queen, Bob Maxey and Mary Shaffer.

Also announced at half time was Senior Court, Art Brokenshire and Leri Covert, Junior Court, Dallas Walters and Fran Robles, Sophomore Court, Jim Amthor and Cissy Bourne, and Freshman Court Steve Lubbers and Kathy Gilpen.

Many long hours were spent preparing floats but only one could win. First place went to seniors, followed by freshmen in second place, sophomores came in third and last place went to juniors.

Judged also was the loud mouth jug, won by sophomores.

## In Dedication

The 1974 Rampages staff is proud to dedicate this yearbook to Juanita Smith, in appreciation of all the extra time spent with the Spanish Club, Pep Club, Honor Society, and long hours spent during the last four years with the Senior Class. (Thanks for the pizza and pop at the floats!)

Probably the highest enjoyment  
comes when you are old enough  
to know what you are doing but  
young enough to do it anyway.

# Hovanesian For President!

Not only was 1974 the year of a 20-0 Perfect regular season, his 300th win, and his first trip to the state finals, it was also Coach Dan Hovanesian's first try in a Presidential Race. We're sorry to hear that Coach Hovanesian, and running mate Jack Crawford lost the race. But Mr. Hovanesian was chosen Class B Coach of the Year. (with no chance of Impeachment!) Congratulations and thanks for a great year!

## FHA 1974

FHA: President: Patrice Kaiser  
 V. President: Maureen Soffredine  
 Secretary: Barbara Landis  
 Treasurer: Carol Elbers  
 Historian: Angie Landis  
 Ass't. Treasurer: Troy Antekier

This year FHA went to area hospitals for a day, they entertained the children and cheered them up. They also went caroling at homes for the elderly at Christmas. Three members, Troy Antekerier, Angie Landis, and Maureen Soffredine each received awards for their participation at a state convention. But . . . it wasn't all work and no play for the members, they also had a sleigh ride and a family picnic.

# Rapper Staff

This year's Raper has been a great improvement over last years. The staff working with the graphics department put together a better paper. There were better lay-outs and more organization. The graphics department also helped them make their deadlines. Good job Rapper Staff and Mrs. Marietta, continue the good work. One last word to graphics, what happened to his eyes?

# Exchange Students

During this school year we had 15 German exchange students, they were accompanied by their principal. They stayed with different students of Holt, they stayed for three weeks. While they were here they visited Greenville village, a police station, the career center, the Jr. High and they attended a few track events. Students from Holt will be going to Germany this summer. The girls were: Gisela Reischl, Guelula Schiller, Gabriele Thau, Gabriele Hueher, Brigitte Renner, Ulrike Hlawatsch, Sabine Liedel, Elke Tobert, Petra Dietl, Angelika Hall, Ursula Demmel, Angelica Deuber, Gabriele Zeibwanger, Elisabeth Mayer, Angelika Krenn, their principal: Mr. Hans Lobentanzer.

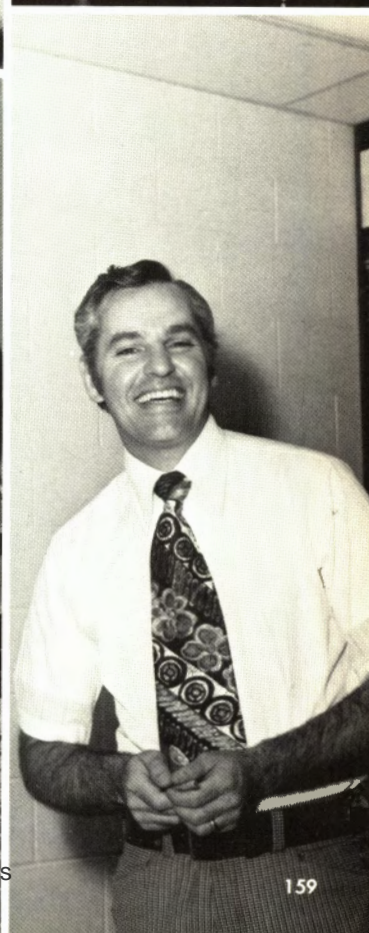

Vivi Anderson

We also had a girl visiting from Denmark, her name was Vivi Anderson. Vivi came here to visit after a friend, who was here the year before, told her about America and Holt.

She stayed with the Cummings family. During her stay she found time to take a trip to Florida. I heard that she really liked it here, how about it Vivi?

# OLDSMOBILE

DIVISION OF GENERAL MOTORS CORPORATION

## Meet the '74 Omega. Compact Olds—at a compact price.

Omega's the little car with big-car thinking built in. Inside, there's room to stretch. And because its wheelbase is longer and its tread wider than that of some smaller compacts, you notice the difference in the way it handles on the road. Solid. Smooth. Quiet.

Being an Olds, Omega also has the nice touches you'll like. Soft-grip steering wheel. Plush, cut-pile carpet. "Wet-look" vinyl trim. Chromewhere it counts. And underneath the hood, a smooth-running, six-cylinder engine—standard.

Your Omega can be a coupe, sedan or hatchback. You can keep it basic, or spice it up with a sporty S package and a Rocket V8. Either way, nobody'll mistake it for a plain vanilla compact. It's a lot of little Olds.
