GREAT AMERICA! Daring to be brave, everyone holds their arms in the air.

NOW, LOOK AT THAT RIDE! The famous Cork Screw can turn a person's stomach upside down.

AN EVENING DELIGHT AT CEDAR POINT is often a coaster ride at night and looking at the lights below.

OH NO, WHERE NEXT! Gemini's confusing track will take you by surprise.

UPS AND DOWNS of the Blue Streak make it one of the most popular traditional coaster rides.

HELP! Bush Gardens doesn't look the same upside down.

HOLD ON, ROLL ON

There was nothing like a rollercoaster ride — quick drops, sharp turns and the feeling of your stomach dropping to the bottom of your feet. A person's first coaster experience could have been a disaster. Sophomore Kelly Pierce said, "It was fun, exciting and it met up to my expectations, but I got sick!"

Each Amusement Park had its most popular coaster ride. The fastest coaster ride in the United States was the "Gemini" at Cedar Point Amusement Park in Sandusky, Ohio. Junior Tom Spencer went to King's Island Amusement Park in Cincinnati, Ohio, and intended to ride The Bat. "I wanted to ride the new trackless coaster ride, but the lines were too long," he said. "So I rode the Demon instead and it was terrible. The seat guard almost choked me; I had muscle spasms for a day!" There is nothing like the ups and downs of a rollercoaster ride.

SUMMERFEST RIDES ATTRACT STUDENTS

In hopes of bringing in more people, a new approach was used in this year's Holt Summerfest. The Summerfest was held in the Cedar Park Shopping Center between Holt and Lansing. Amusement rides were also new this year. Many Holt students were among the crowd attending this summer event. Although enthusiasm and attendance had been down in the past, the location of the Summerfest and the variety of rides worked in Holt's favor. Senior Theresa Kienitz said, "It was a lot of fun being with friends and being a little kid again, even if it only was for a little while." Junior Diane Krieger added, "Seeing friends from school during the summer was great. I also won two stuffed animals."

TRANSPORTATION No problem for Eric Gafner and Brendon Hope who rode their bikes to check out the Summerfest activities.

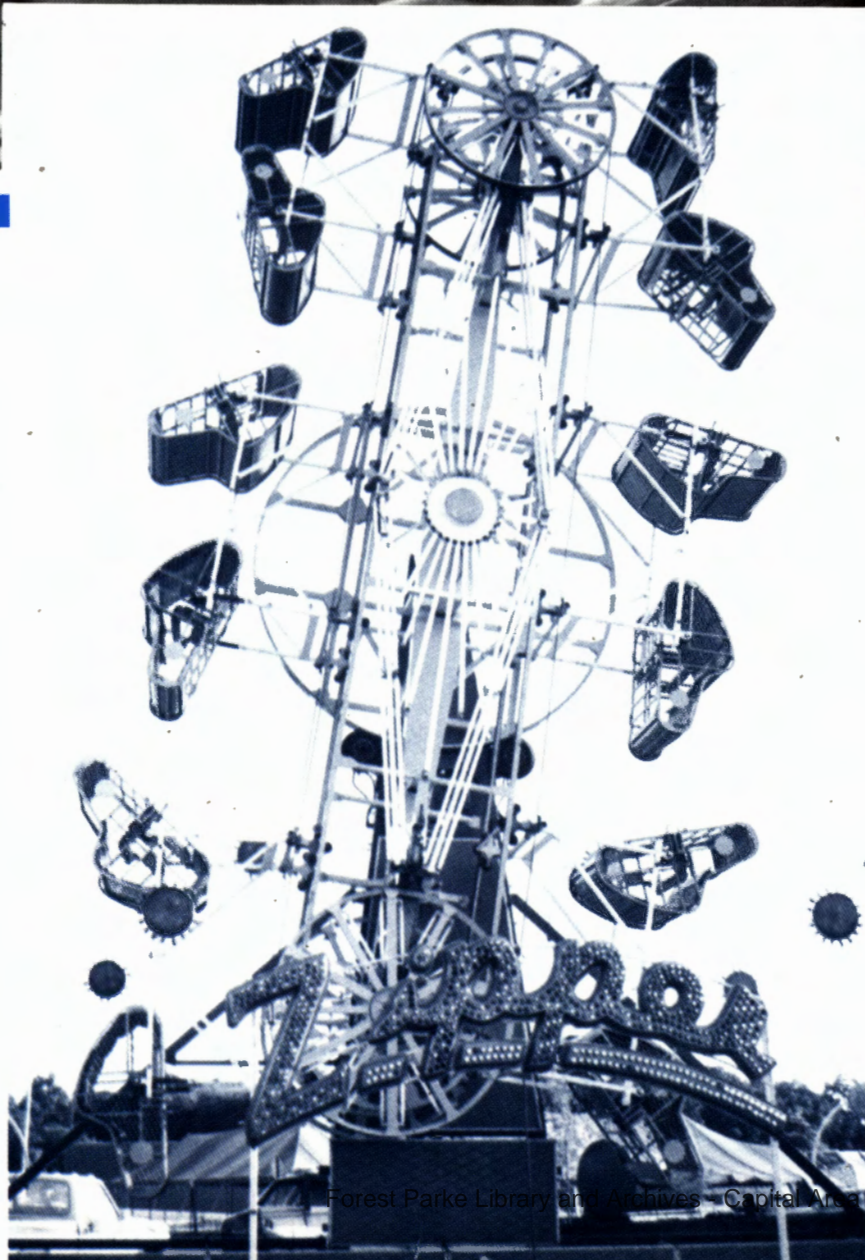

SMILE Teresa Kienitz, Gilbert Palacios, Angie Antes, Dan and Troy Harmon take a few minutes away from the amusement fun to pose for a picture.

JUST 25¢ ... Diane and Linda Krieger and Kim Larson try their luck at the color game.

ZIP ... The Zipper proves to be one of the popular rides at the Holt Summerfest.

WOW, LOOK AT THIS! Pam Gilmore observes a hair follicle in a Biology lab.

-MICRO-COMPUTERS always add a little excitement to Jenny Parker's day.

A PRACTICAL APPROACH! It is sometimes hard to figure out what rolling a ball down hill has to do with light rays.

HEY, THAT'S MY BALL! A bit of friendly competition in gym class helps release excess energy.

UP AND DOWN

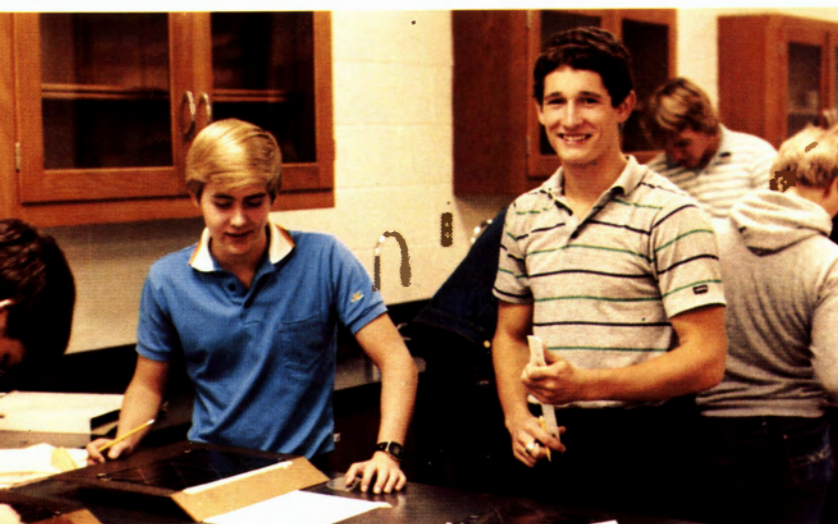

Oh no, not another lecture. There is nothing worse than a full hour lecture on those days when you can't stay awake.

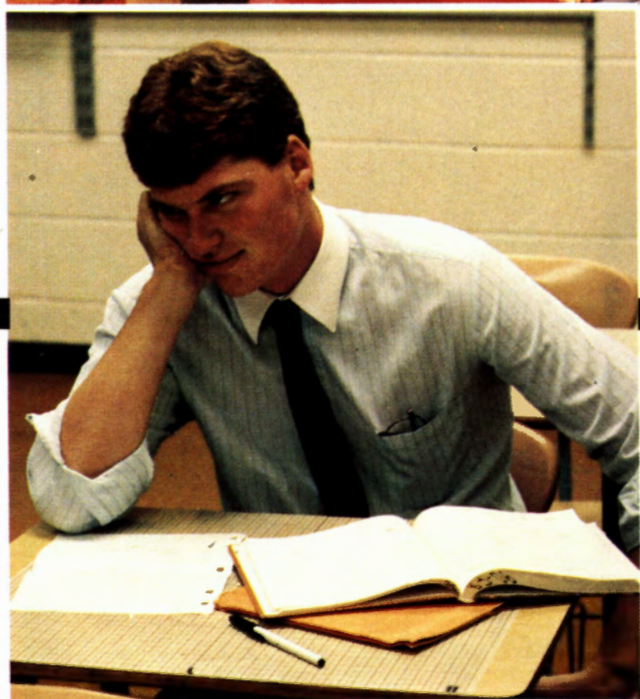

Students often thought they had it rough in the classroom. Also, quizzes and tests were not a high spot of their day. Classes often seemed dull, filled with the same old routine.

But some exciting things were worth remembering. There were substitute teachers! Remember Mr. Forkey? He always had something to talk about and it was never about the class he taught. There was Jeopardy in Biology class and the range in Driver's Education. Lab classes were action spots, even though all actions were not approved.

If school was hard on students, think about the teachers. It was not all fun and games for them either. Mr. Kressler believed that the hardest task for teachers was "getting students to think enough of themselves to perform to their capabilities." All teachers agreed that grading quizzes and correcting papers was a hassle and, like students, they had other things they would rather be doing.

For most, learning and teaching was "work", but seeing growth and feeling proud kept both students and teachers rolling on . . .

WAKE-UP CLASS! Lectures can be the longest part of the day.

"I GIVE UP." Matt Doran attempts one of Mr. York's "impossible" problems.

"I NEED A NAP." Ken decides class is not for him.

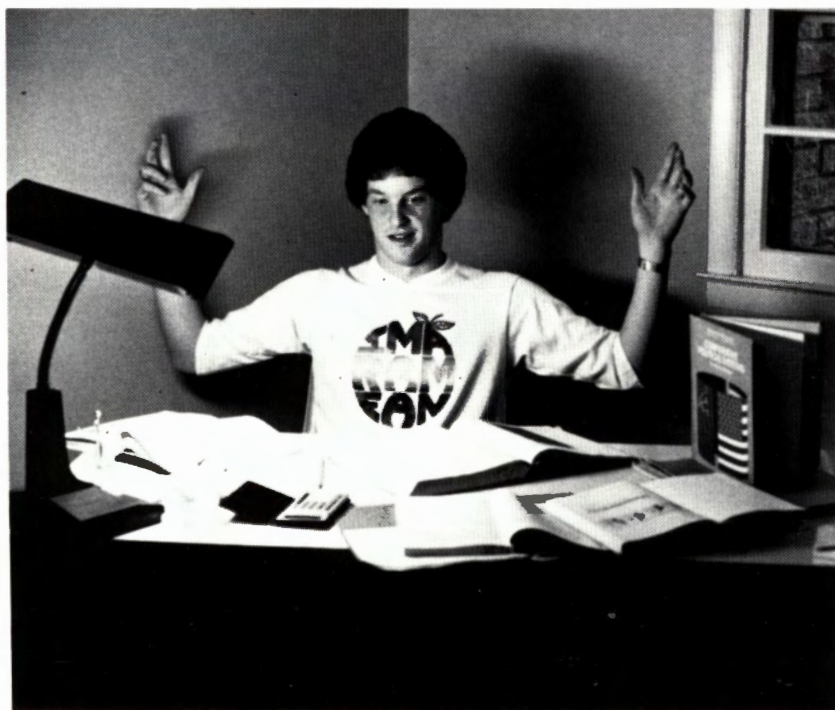

4.0s a group of seniors making use of their lunch hour.

DETERMINED to learn something are Craig Pier and Aaron West.

CONCENTRATION Kip Pentecost finds his dining room table is the best place for doing homework.

HARD AT WORK. Tracy Baker does some serious inschool studying.

HELP! Craig Reynolds is getting snowed under.

HOMEWORK: A ROUGH RIDE

Homework, a not so popular word, came every student's way. Hitting the books was unavoidable for most, especially those having teachers who enjoyed piling it on. As the word indicates, homework was intended for home, but in Holt High School students could be seen studying and doing last minute cramming.

Whether it was in a quiet corner or in a crowd of people, each student had his or her own way of studying. The library and cafeteria, with conventional tables and chairs, were the most popular places; but lockers and the lobby floor were a close second. At any given time, students were seen sprawled-out or propped-up with a book-in-hand.

Although homework was not everyone's favorite thing, students learned to cope in their own way.

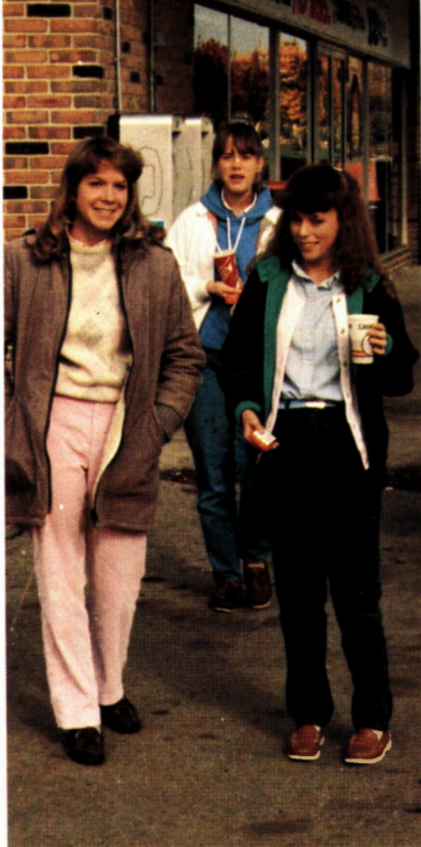

HEY, WHO LIKES PEPPERONI! Students relax at Little Ceasars, one of the popular hang-outs after football games.

BOOGIE TO THE BEAT! The homecoming dance adds excitement to the week full of events.

HEY MOM, SEE MY NEW RIDE! Chris Hofstra and Russel Pollack cruise around in their Trans-Am after school.

SENIOR POWER! Making posters for homecoming, gives Kim Cleeves and Chris Sible something to do after school.

LET'S GO TO 7-11. Walking or riding, 7-11 is a real convenience store, even a convenient hang-out.

AFTER SCHOOL . . . WEEKENDS . . . FREE TIMES . . . THEY KEEP US GOING.

After school and weekends . . . these were the exciting times! Holt students had little problem filling up these free moments. Once school was out there were a variety of things to do — that is if you didn't have a test to make up or grounds to clean. There were always practices for plays, sports, cheerleading, Ramsingers, and pom poms. Special events brought on float building, mural paintings and club meetings.

When it came to the weekends, there was always something to do. Football games, Little Caesar's, parties or just goofing around and being silly with friends were highlights. Everyone found something to do from cruising around with friends to a quiet date with a special boyfriend or girlfriend. Most students lives for the weekend and most enjoyed them. A few had regrets.

"HOLT WRESTLING" Art students are adding spirit to the balcony practice area.

"TAKE OUR PICTURE!" Everyone is excited before the homecoming game against Lumen Christi.

PRACTICE! Did you ever add up those hours of practice spent after school?

DEDICATED TO:

The 1983-84 Rampage Yearbook is dedicated to Mr. and Mrs. Woolston. They have been employed in Holt Public Schools for 18 years.

Mr. Woolston attended Owosso High School and graduated in 1960. He went on to special post high school training at Taft Junior College where he received his Associate Arts Mr. Woolston also attended Muskinguin College, Michigan State University and Spring Arbor College. He has received a BA degree. History and social science were his major areas of study. He currently teaches social studies, advises ASHHS, and participates in training work for athletes. He has also coached varsity football and reserve basketball, and he has sponsored the Military Science Club, the Varsity Club, Campus Life and the Student Forum.

Mrs. Woolston graduated from Port Huron High School. She continued her education at Spring Arbor College where her major areas of study were secretarial and teaching. She has been formerly employed as the secretary to the principal of Okemos High School, secretary to the vice-president of the Gaylord State Bank, secretary to the elementary principals of Fort Gratiot Township Schools. She currently runs the new computer in the Attendance Office and is the secretary. She also does the typing for special events, such as the Kiwanis Invitational Track Meet.

Mr. and Mrs. Woolston live in Mason with their four children. Jeff 16, Jon 14, Joe 12, and Julie 7 months. They enjoy their time together at school, yet find many things they enjoy doing at home. Mrs. Woolston enjoys sewing, stitchery crafts and playing the piano. Mr. Woolston spends his leisure time fishing, boating, painting, making military minatures and just enjoying their children.

THRILL SEEKERS MAKE "RAM" PAGES

Each year the Rampages Staff has its work cut out for them. A creative mind, a talent for writing and an eye for design were the necessary tools for getting the book together. Learning, teaching and helping others were experiences shared by both the new and old staff members.

Chaos and confusion were sometimes used to express those moments when page deadlines or weekly assignments were to be met. Each person had his or her part to pull together. It was an opportunity to create an unique page and know it would become a part of the 1984 yearbook.

FASHIONABLE TURNS AND LATEST TWISTS

With today's popular dress styles, "anything goes"! From head to toe the options were endless. There was punk, preppy, combat, the California look or any of these thrown together. The girls favored the short squashed boots with a mini dress, while the guys tended to favor designer Vans and OP shirts. Some other favorites included: cut-up sweat shirts, oversized blouses with high button down collars, colored nylons, thin ties, bow ties and argile sweaters, boots of all kinds and the ever popular blue jeans. Holt's halls were no exception! Around every corner there was a new and different look.

LOOKING UP TO WHAT'S HAPPENING

US INVADES GRENADA

A small island in the Caribbean stole the attention of many as US Marines invaded Grenada on Oct. 25, 1983. President Reagan sent troops to rescue the 1,000 American Medical students who feared being held hostage by pro-Cuban factions during the attempted take over the existing Grenadian government. Most Americans agreed the rescue mission was necessary but differed if whether or not the mission was also a political move.

OVER 200 MARINES KILLED IN LEBANON

Sunday was normally a day of rest, but on Oct. 23 many Marines were digging through rubble hoping to find one more survivor. Less than two miles away and twenty seconds after the Beirut International Airport explosion, a similar event took place at the French paratroopers' building. The French toll stood at 56 dead, 15 injured and two missing. This double act of horror left questions about the US Peacekeepers' role in the troubled country, Lebanon.

FIVE HOUR DAY

Holt High School cut back to a five hour day making the school day significantly shorter. School was dismissed at 1:55 p.m. and 10 minutes were added to lunch. Not many students complained. The early dismissal time allowed more time for homework, athletic practices and after school jobs. The disadvantages arose during scheduling. Class selections were reduced and so were the number of classes fitting into the day. For many students this meant losing an elective that may have added extra enjoyment or challenge into their school day.

BALTIMORE WINS WORLD SERIES

This year's World Series was different from the past. The first game had no walks, which has never happened before in a series. There were more bean balls thrown than usual causing a bit of hostility between the Phillies and the Baltimore Orioles. The Orioles kept pushing, and because they pushed they won.

KOREAN AIRLINER SHOT DOWN

On Sept. 1, 1983 there was a brutal attack in the sky. A 747 Korean Passenger Airliner was targeted and shot down by a Soviet fighter plane. It was said that the Soviet pilot couldn't distinguish if it was a commercial jet or an American radar plane, the RC-135.

The shooting was denied at first by the Soviets, but later they openly admitted to the horrifying act. The death toll reached a frightening 269, 61 were Americans. Much mourning and anger was felt around the world.

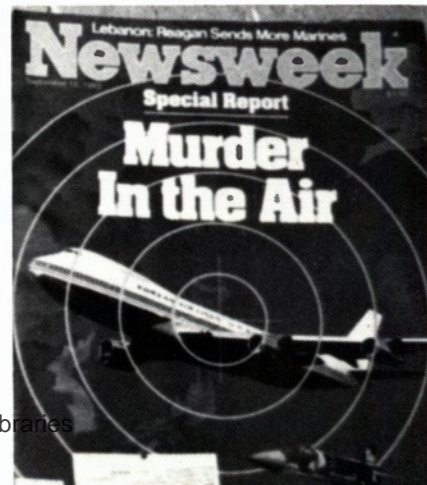

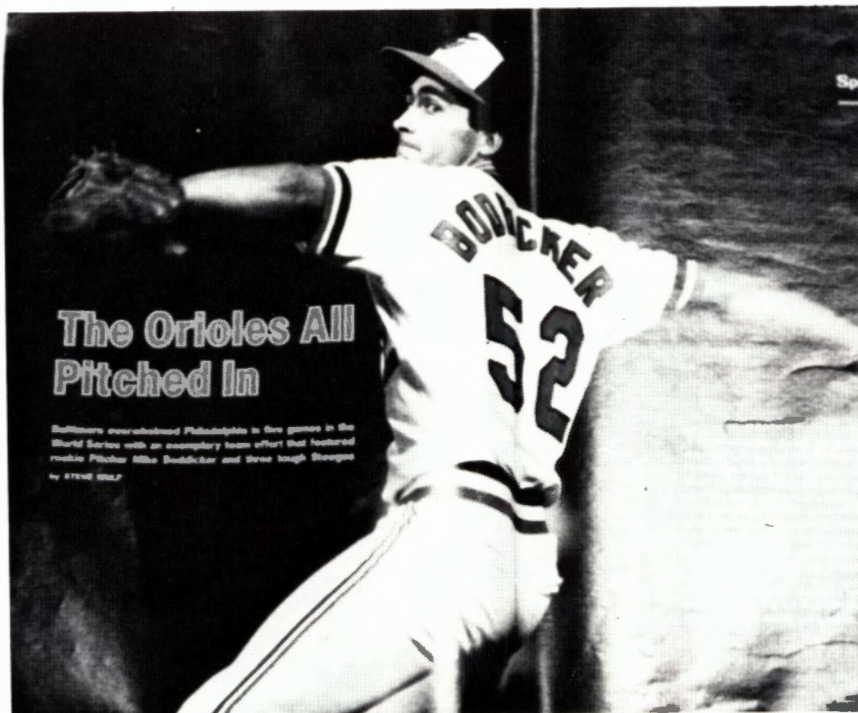

JAMES G. WATT

Ever since he made a famous remark about the presence of "a black, a woman, two Jews and a cripple" on his coal-leasing commission, James G. Watt endangered his chances of staying in office. On Oct. 9, 1983, Watt resigned, under pressure, as Secretary of the Interior.

Seeking a replacement, President Reagan looked for a person he could trust. National Security Advisor Judge William Clark was that person.

MICHIGAN TOPS NEW FOOTBALL LEAGUE

In July, 1983 Anthony Carter led the new Michigan Panthers Football Team to victory over the Philadelphia Stars. The newly formed United States Football League completed its first season of play.

WHERE'S THE BEEF?

Wendy's new slogan had swept across the nation with great success. The results of "Where's the Beef?" were tremendous. "Where's the Beef?" bubble gum and toothpaste are to be produced. The lady who made this saying famous, eighty-two-year-old Clara Peller, had done many commercials for Wendy's and soon the public will be seeing dolls of her. Where's the Beef? Well, of course, it's at Wendy's!

CABBAGE PATCH FEVER

No one expected the rush on the Cabbage Patch Kids, least of all Coleco. But right before Christmas there was a huge demand for these ugly but cute dolls. They had reached into the hearts of millions and definitely their pocket books. The dolls, sold originally for \$25 but sometimes reached as much as \$150. Many people waited in lines outside stores for as long as 14 hours. One person even went all the way to London to get a doll for his five-year-old child.

"THE DAY AFTER"

On October 24, 1983 millions of people in the U.S. and other nations tuned-in to ABC to graphically experience a close-up view of a nuclear war and its after effects. Many Holt students were among the watchers of the show. "It truly scared me," remarked senior Summer Bartholomew. "I guess I never realized what a nuclear war would do to the world." "It was a little too real for me, and they said that what they showed didn't even come close to what would happen," said senior Kim Kruger. The nuclear question finally penetrated public awareness and with more intensity than could be imagined.

BRITISH INVASION-AGAIN

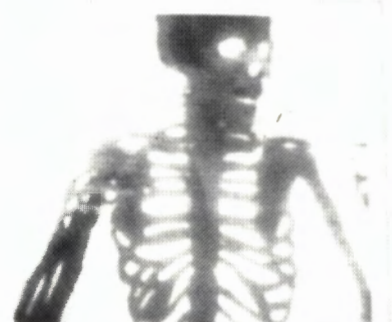

American groups needed to watch out because the British were coming. This year many British groups have had great influence on rock fans and rock groups in the U.S. The style and music of the twenty-two-year-old Boy George of Culture Club was reflected all over America. Eurythmics' Annie Lennox also made a startling impact in the U.S. Other British rock stars included Duran, Duran, David Bowie and the Police.

"THRILLER"

"Star of record, radio and rock video ... A one man rescue team for the music business ... A song writer who sets the beat for the decade ... A dancer with the fanciest feet on the street ... A singer who cuts across all boundaries of taste and style, and color too," stated "People Magazine", March 19, 1984.

Adorned with some 1,200 round Australian crystal rhinestones costing into five figures, Michael Jackson's glove had caught the attention of all his fans. Only 25 years old, Michael Jackson had the highest royalty rate in the business; and he had won, this year, an unprecedented eight Grammys. His album, "Thriller" had sold more than 30 million copies worldwide. Even if stardom wasn't what Michael was looking for there was no doubt that he had found it.

An unprecedented program shows graphic images of death by instantaneous irradiation. Meeting an unthinkable fate

ACTIVE WEEK PROVES WE HAVE SPIRIT

Pep assemblies and spirit week not only got the team's spirit going, but they got the fans going too. Nothing was better than having the entire school's support going into a game.

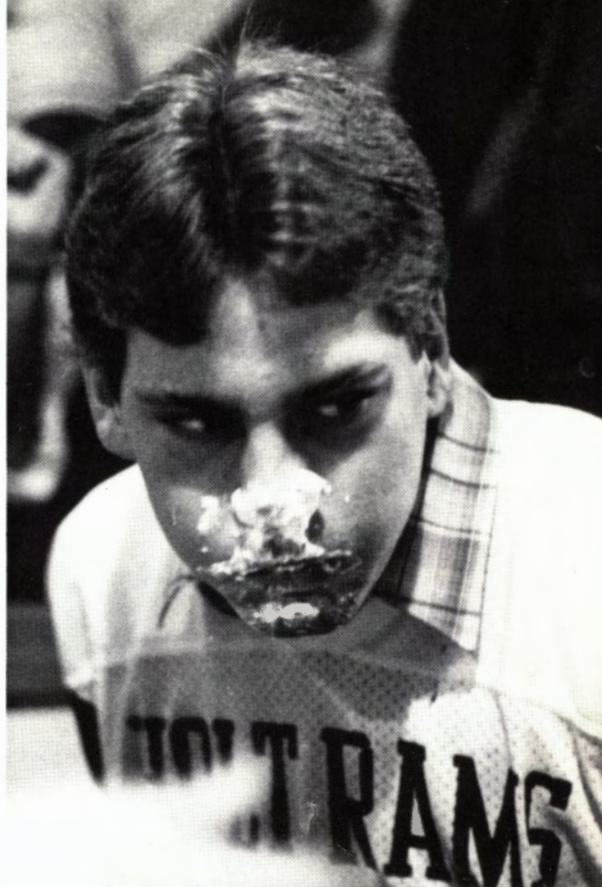

This year's spirit weeks brought on pie-eating contests, lifesaver relays, balloon tossing, hall signs and special dress to "different" themes. The pep assemblies had Burton and Ballard, class skits, loud-mouth contests and cheers. Groups like the ASHHS, Pom Pon Squad, Cheerleaders and Pep Band ran the show.

All this pep made school more than just classwork; it gave students something to look forward to and a chance to demonstrate school and class pride.

LOUDER! LOUDER!! Mr. Ernst attempts to excite the crowd.

BEGINNING . . . WITH COACHES ENDING . . . WITH WINNERS

Webster's Collegiate Dictionary defined coaching as "training intensively by instruction, demonstration, and practice." Most Holt coaches could identify with that definition. Their after-school lives consisted of doing exactly that.

The job of coaching was not fruitless. Girls' Varsity Swimming Coach Dave Shipman said, "Seeing swimmers go on to college is the most exciting thing that has happened to me in my coaching career."

Coaches had many views on winning. Boys' Varsity Cross Country Coach Jerry Gillett felt that "winning is secondary to competition," while Varsity Baseball Coach Del Cory conceded, "Winning is important . . . however when you do (lose), you need to know how and be able to deal properly with it."

Good coaching skills were essential to a good team. Girls' Varsity Cross Country Coach Wilbert Griffin felt that his own personal running and fitness program was an asset to his coaching. Coach Cory felt his coaching skills came from knowing how to deal with students. "Each student is different and they need to be treated differently. There's a time to yell, a time to praise, and even a time to ignore. Knowing when to do these things is very important," he said.

ATHLETES MEET THE CHALLENGE

Abundance characterized this year's Athletic Awards. Because so many awards were to be handed out, emcee Jack Crawford asked coaches to cut down on the length of their speeches. This stunning display of Holt's athletic prowess was a unique aspect of the sports program. Holt's pride as well as that of its athletes was shown as merits were distributed.

Enthusiasm was the key to Fall Homecoming 1983. It all started with the parade on the afternoon of October 14.

The parade started at 4:30 with the traditional line up of floats, royalty, cheerleaders, Pompons and Marching Band. The sophomores and seniors tied for first place in the float judging contest.

That evening, fans viewed the spectacular game between Holt and Lumen Christi. The Rams won 9-6!

The excitement of winning the game got everyone fired up for the coronation of King Tom McFarland, Queen Laurie Hansens and the court at the annual Homecoming Dance. The memories of this evening were not soon forgotten.

"COMMAND PERFORMANCE" was the song John Malaski and the High School Band played during the Homecoming parade.

ROYALTY. The 1983 Fall Homecoming king and queen were Tom McFarland and Laurie Hansens. The court consisted of sophomores Donny McDaniels and Tina Eubanks, seniors Craig Reynolds and Veronica Hope and juniors Chris Linderman and Debbie Shassberger.

SLOW SEASON

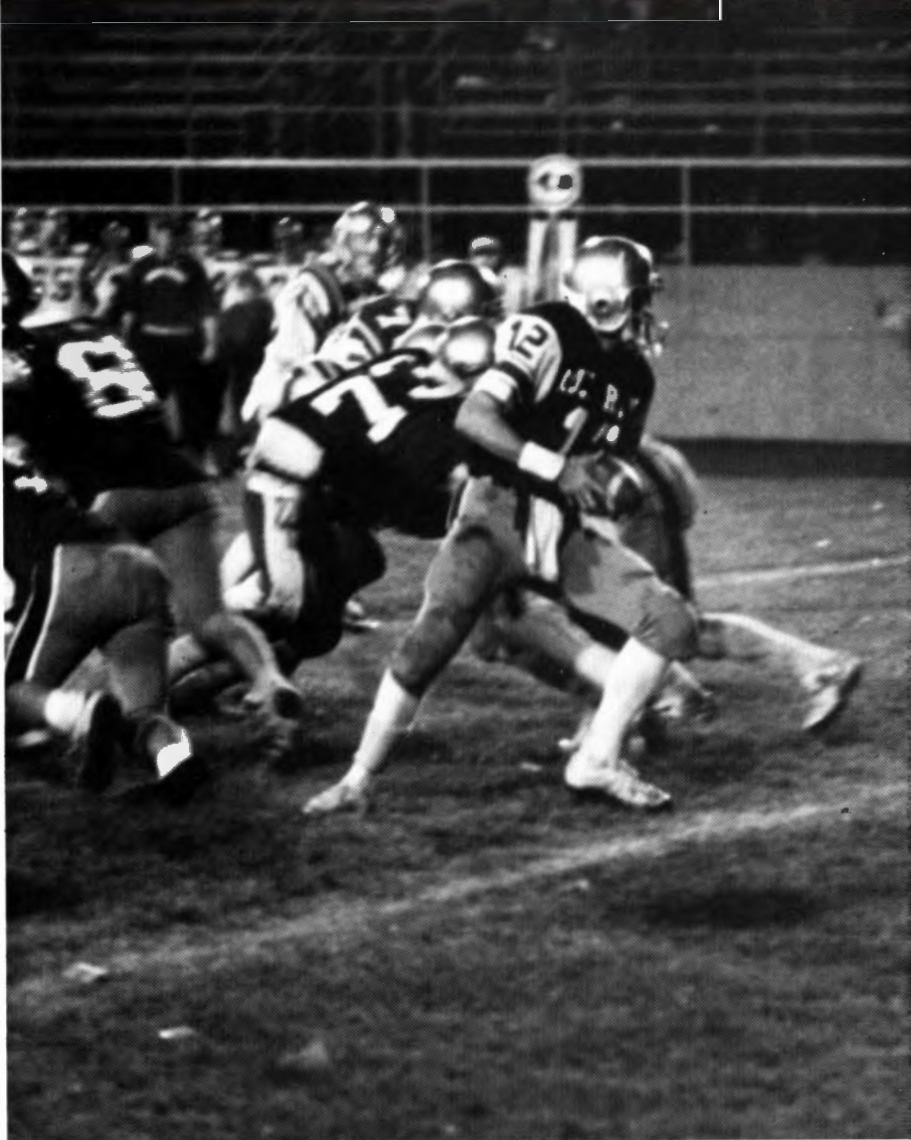

When asked what was unique about this season Coach Dennis Bongard referred to "our inability to make the big plays both offensively and defensively, especially with a group of players who were supposed to have excellent ability." Despite the disappointment, junior Ken Toth stated, "I liked the feeling of being part of the team, it was great playing under the lights with hundreds of people watching."

The 1983 Holt Rams' Football Team got off to an excellent start but according to Coach Bongard, "The team did not use their skills and commitment as much as possible to keep obtaining wins."

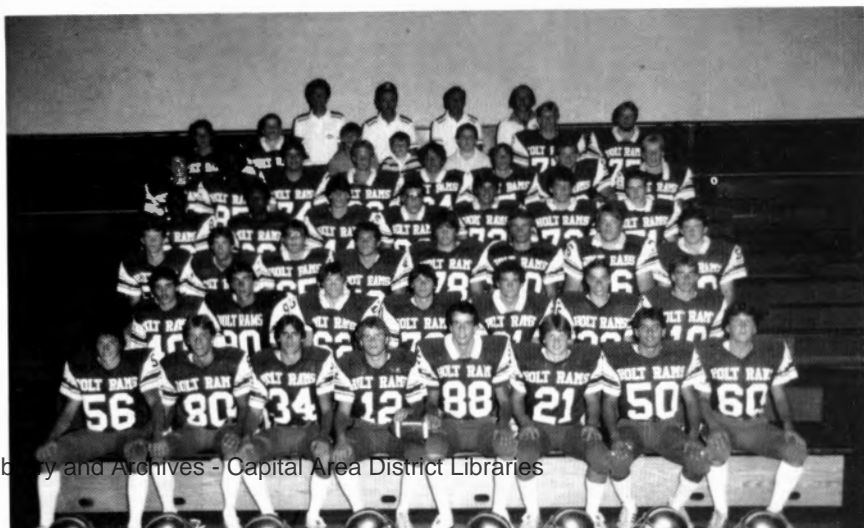

Senior Marty Schnepf received the Coaches Award this season. Seniors Dan Knechtel and Tom McFarland set school records. Knechtel had an outstanding reception count; McFarland set records for completions, passes, yardage and touchdowns. Junior Linebacker Chris Linderman was this seasons Most Valuable Player.

PRACTICE . . . MAKES PERFECT

"People don't realize the time and effort we put into perfecting everything we do," stated JV Cheerleader Teri Pentecost. Both Varsity and Junior Varsity Cheerleaders practiced every weekday during the summer with practice times ranging from 7-11 a.m. Once school started, practice was twice a week for about an hour and a half under the guidance of first-year Coach Patricia Nellett.

The Varsity Cheerleaders, with the proceeds from many different fund raising events, payed their way to USCA Camp at Western Michigan University in the summer of 1983. After camp, they placed first in Grand Nationals at the Lansing Civic Center. Captain Debbie Shassberger took 63rd place in the individual competition.

The Junior Varsity Cheerleaders got off to a great start at the annual "Meet-The-Rams" by going in and knocking the crowd out of the stands. The nine-member squad did not let up keeping the crowd spirited throughout the season. At times the crowd got difficult to please and the cheerleaders had to fall back on the "Cookie Monster Chant" to keep the fans smiling.

STRIVING FOR IMPROVEMENT

"Up and Down Times" typified the girls' Varsity Basketball season. The greatest "up" according to junior Teresa Glynn was the girls' victory over Sexton. Junior Kelli Baisel viewed their lost to Lansing Christian, a class D team, as the lowest point of the season.

Although the season ended with a 5-13 record, many players felt the talent was there and also the desire to win. "We were always told to have pride in ourselves, I believe we did," said junior Kathy Pifer. "We never gave up and kept trying through the bad times."

The year was a disappointment for many of the girls, but junior Wendy Rich concluded, "I think the season was fun. Our record wasn't the best, but we learned a lot more than any other season. We learned as a team to respect others and work toward self-improvement."

At districts the Holt girls played to their best ability but lost a close game to Grand Ledge. Senior Janet Fish received the Most Valuable Player Award.

"A" EFFORT

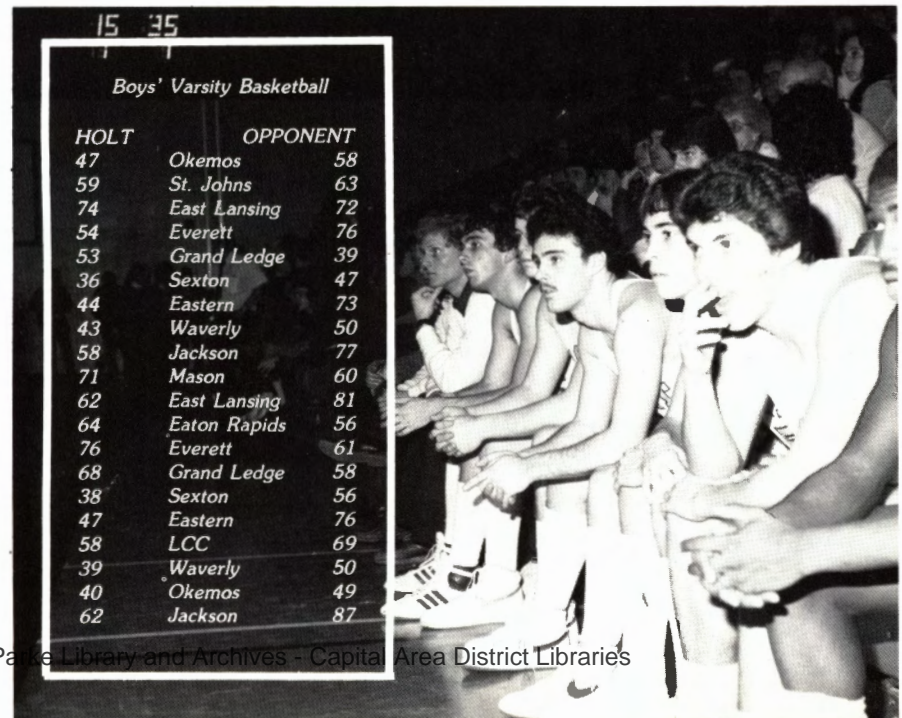

Excitement wasn't always in the crowds, the players enjoyed the competition too. "I like playing a good team in front of a large crowd," commented senior Dan Knechtel. "I play for the competition and I like representing our school on the court." junior Scooter Troph added, "The most exciting thing about playing Varsity basketball is just to win, wins at Holt haven't been very plentiful in recent years, but just to win is exciting."

According to the coaches, the game of basketball was important to them also. "I enjoy the opportunity and challenge of competing against the very best players and teams in the state of Michigan," remarked Head Coach Bob Simmons. Assistant Coach Bruce Larner added, "I appreciate having the opportunity to work with the Varsity. It is a good experience for me, hopefully it will help me in getting a coaching position at a higher level."

This year's Boys' Varsity Basketball Team improved greatly in the number of wins and points scored, ending the season with a 6-14 record over last year's 2-20. Troph scored a total of 311 points, an average of 15.6 points per game, with Don Garchow as second highest scorer with a total of 203 points total and 9.7 points average per game.

PRACTICE . . . PAYS OFF!

No one realized the tough workouts and vigorous practices that the Girls' Varsity Swimming Team experienced, no one except they themselves. From that time together came a closeness and a friendship throughout the season.

This year's team was far different from past years. There was a whole new rank on the team — the freshman. "For being the new ones on the block and getting a fresh taste of morning practices and tougher workouts, they really came through when we needed them," stated senior Kim Kovera.

When asked what was most rewarding about being the girls' swim coach, Mr. Dave Shipman replied, "Seeing the hard work by the swimmers pay off with the best of times." The hard workouts certainly did pay off. Holt finished fourth in the CAC and divers Julie Farrell and LeeAnn O'Neill placed sixth and eighth in the State Meet.

PRACTICES . . . PLACINGS . . . AND PAYOFFS

Teamwork and training measured the success of the Boys' Varsity Swimming Team. As swimming coach Dave Shipman pointed out, "The exciting part of coaching for me lies in the payoff." The payoff for the team was coming in fourth in both the Waverly Relays and the CAC Meet. The long hours of work had a positive effect on the team's final results. Winning nine contests while only posting three losses was something to be proud of. Mr. Shipman summarizes, "Good things usually happen to athletes who have worked hard all season." Those athletes were our Holt swimmers!

TENNIS ANYONE?

Team spirit and improvement described the inexperienced 1983-Girls' Tennis Team. Starting practice two weeks before school started, the team got ready for a tough CAC competition. Mrs. Sommers said CACs didn't go very well, "The first doubles team upset the Waverly team, but the other girls didn't come through for us like I thought they could. We tied for seventh place." Placing seventh in the CAC, junior Jana Whitesides said, "The tennis season was a lot of fun. We didn't have a very good winning record, but we enjoyed ourselves and being with each other as a team." The season was celebrated with a banquet at Dillion's Restaurant and awards given out at the Country Parlour.

TALENTED PLAYER ... Chris Thomas finishes the season with a 15-5 record.

TOUGH SEASON

With only three returning players from last year's team, the Holt Tennis Team had a tough time winning. Returning starters senior Brian Pierce, senior Lee Howell and junior Chris Thomas played strong tennis this year, but as a team Holt managed only two wins with ten losses.

Holt's two wins were against Haslett and Charlotte. The doubles team of Brian Pierce and Chris Thomas had a super year winning the Haslett Invitational and finishing third in the CAC match. Chris Thomas was forced by the officials to play first singles in the Regional match because of his ability.

Now with some experience under their belts, the returning players have high hopes that next year's team will be much improved.

BUILDING TEAMWORK

Learning and teamwork was the thrust of the Girls' JV Softball season. "We started out as a team but pulled together even more later in the season," said junior Jennifer Smith. Most of the girls were new, so much learning took place. There was a lot of determination in every-

one and no one regretted the season record of 5-11 or placing 5th in the CAC.

"The JV Softball Team played as a team this year," summarized Coach Mike Clark. "By the end of the season they were helping one another and thinking in 'team' terms. They really learned about being part of a group working for a single goal and were capable of reaching it. They made much of their ability and they should contribute to the program in the future."

FUTURE PROSPECTS

For the first time ever, six freshmen helped make up the JV Baseball Team. Two of the freshman, Mike Salsbury and Todd Glynn, played Varsity during tournament games.

The team had a fairly good season with a 6-11 record, but they have been predicted to turn Holt Baseball into a winning program in the future.

Outstanding this year were sophomore Todd Bosserdet leading pitcher with a 3-1 record, sophomore Terry Smitherman with 17 hits and Sophomore Brett Hake with 12 runs batted in.

The highlight of the season was the Holt vs. Eastern game when sophomore Pete Langenfeld, with only one inning of previous pitching experience, came into the fifth inning to strike out five batters in three innings.

EXCITING! Phil Kruger saves a run for Holt, tagging the runner out at home plate.

MOVING UP IN CAC

With a \$1,000 anonymous donation, the 1983 Boys' Golf Team was well fit and ready to go. With an 8-6 CAC record, the team greatly improved from last year's 4-8 record.

Senior Matt Doran led the team, making first team CAC, followed by senior Jim Brija, making second team CAC. Another Holt all-CAC player was senior Todd Varble with CAC Honorable Mention.

"We were a very dedicated team with strong senior leadership," stated Head Coach Bill Dowell. "The guys played very hard this year, the improvement came because of strong opponents like East Lansing and like Sexton who finished first in the state."

YOUNG TEAM ACCEPTS CHALLENGE

Watching a young team grow was exciting for girls' track Coach Lila Guenther. Participation on the track team was not only a challenge for the newer members, but it also provided a sense of belonging. "I liked the togetherness, we were all like one big family," said sophomore Wendy Leaf.

Outstanding 880 runner sophomore Jeanine Hilton said, "I like the challenge. It helps me in setting goals for myself and the team. I enjoy good competition and track makes it available." Also adding strength to this year's team was leading scorer junior Lee Ann Morgan who starred in the 110 and 330 hurdles and in the high and long jumps.

The team ended the season with a 2-6 dual meet record, placing seventh in the CAC.

"A" EFFORT PAYS OFF

As the end of the school year drew near, Boys' Track had just begun. No records set were but there were many outstanding team members. Senior Pete Oade was the top scorer with 126 7/12 points; junior Adrian Arnold ran a close second with 110 3/4 points; and senior Doug Brink was top pole vaulter. Receiving an invitation to the State Journal Honor Roll Meet, senior Andy Sherman provided valuable leadership and points for the team by running wherever needed.

"This was a very young, inexperienced team," said Coach Darold Briggs. "With only five letterman returning, the season still proved to be successful through the hard work by both veterans and newcomers." The most exciting events of the season were a second place finish in the Mason Invitational and close victories over league rivals Jackson and Eastern.

The team placed sixth in the CAC Meet and ended fourth in the CAC.

HARD WORK IS KEY TO VICTORY

Another exciting year was in the running. The Girls' Varsity Cross Country Team finished second in the conference and kept up Holt's winning tradition. The team finished 5-2 in the CAC dual meets and defeated East Lansing in the Conference Meet.

There were many meets that got the adrenalin flowing and the girls performed beautifully in these pressure situations. "The Sexton and Everett home meets were won by Holt by only one and two points," Coach Wilbert Griffin elaborated, "These were the most exciting meets of the year. The runners came into some all-out sprints over the last 150 yards."

The team ended with a successful year and two runners were recognized by the coach for their outstanding contributions: senior Jennifer Clark, never lacking the courage to take the lead with the best front runners; and sophomore Jeanine Hilton, displaying true dedication to the sport through her knowledge and year-round training.

CLOWNING AROUND are Kendra Barany, Cheryl Fleming and Mary Moore. They are displaying the muscle that goes with their speed.

KEEPING THE PACE is the main objective in cross country running.

NO PAIN, NO GAIN seems to be the philosophy of dedicated runners Jeanine Hilton, Kim Stover, Wendy Leaf, Cathy Heller and Jennifer Clark.

OFF AND RUNNING

With only four returning runners the Boys' Cross Country Team was in need of new members. They attracted three competing freshmen and a few new boys crossing over from other sports. The result was a larger team than seen in previous years.

But inexperience was a problem to be dealt with. Initially, scores were high, but this motivated the team to work harder. Many runners spent extra time on weekends and after practice working out to improve their times. "This was a hard working group that learned a great deal about competing and running," said Coach Jerry Gillett. "I think we can expect to be very competitive over the next few years."

The team's over-all outcome was 5-5, finishing fifth in the CAC. The year's highlight was trouncing on rival Everett.

DON'T LET UP! GO FOR THE GOLD

Another impressive year came to an end for the Holt Wrestlers. The team made second place in the Districts and Regionals with many individual matmen picking up individual titles at State. Of the six qualifying state wrestlers (Mark Smith, John Bradford, Pat Whitford, Jim Shannon, Marty Schnepf, and Chris Leyrer, Whitford placed second; Shannon placed third; and Leyrer placed sixth. The team itself came in ninth.

Throughout the season Holt took high honors in some of the state's most prestigious tournaments. The team's overall dual meet record was 6-1.

For the first time Holt High School had a freshman wrestle Varsity. Mark Smith not only wrestled Varsity at 112 pounds, but was the first freshman from Holt to ever qualify for States.

"This year's team is the most balanced team I have had in my coaching career here at Holt. Of the starting 13, 10 wrestlers had over 20 victories each," said Coach Shaft.

SECOND BEST

Fighting a hard battle with Sexton and Waverly in a three way tie for second place, the Holt Gymnastics Team fell only to cross-town rival East Lansing. Senior DeeAnn Dalrymple had a great CAC finish her final year on the team. She placed first on bars, floor and all-around, and she took third place on beam. In Regionals, Dalrymple finished first on the beam, and she also qualified for State competition.

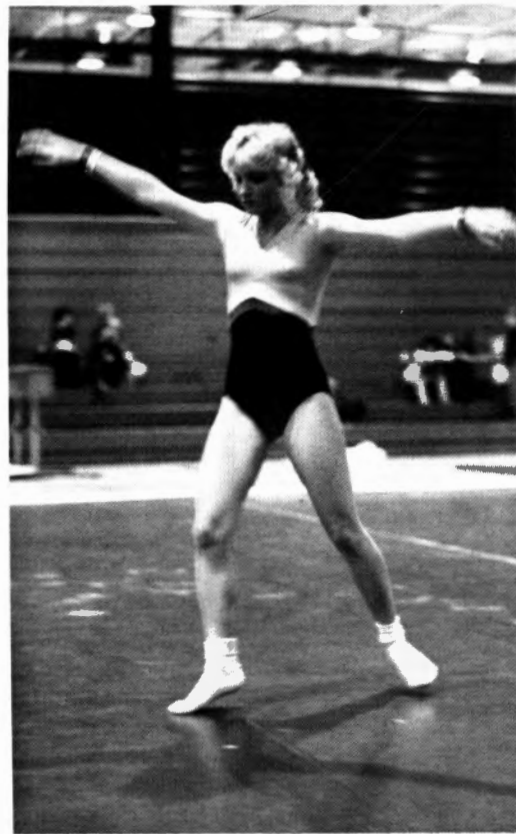

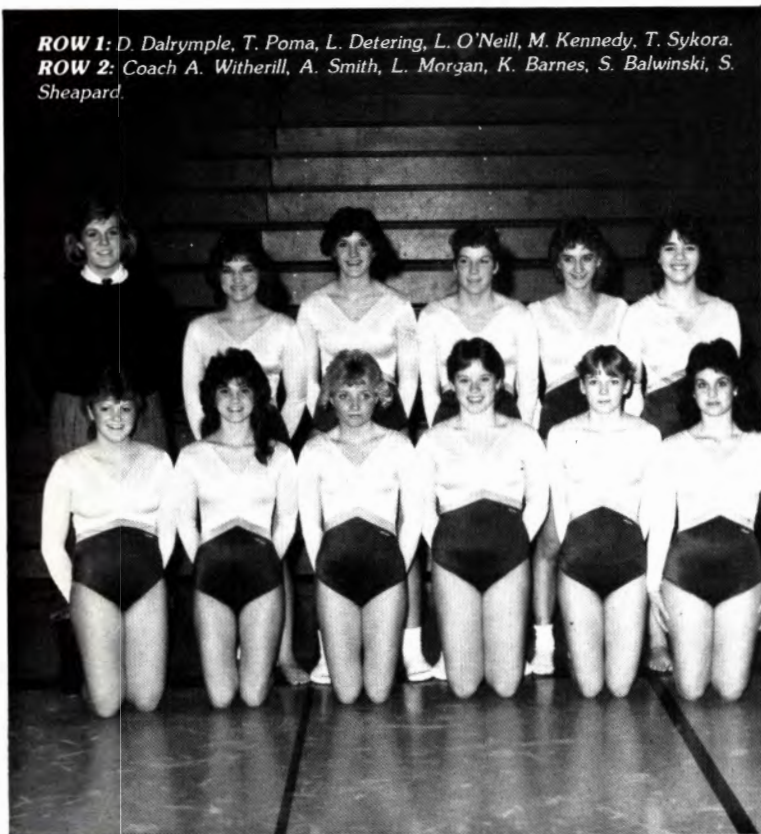

The question was, "Did the gymnastics team live up to its expectations?" "At first we took our past seasons for granted and didn't work hard; but after our first loss we became motivated. No, we didn't initially live up to our expectations; however, we did by the end of our season," said LeeAnn O'Neill. Their record for the season was 11 wins and four losses.

This was the first year of high school coaching for Ms. Ann Witherill. Coach Witherill, a student at MSU, had previous gymnastics experience assisting the Okemos and the MSU high school clubs. "She was a good coach who could adjust and help us create new routines," said Dalrymple. "She had experience with judges and could help us polish up our tricks."

YOUTHFUL STARTERS GAIN EXPERIENCE

Holt's 1983-84 Boy's Baseball Team was what Coach Del Cory would call a successful young team despite their losing record. Junior Tim Nott described the season in the following way, "Our season had a lot of ups and downs but we always went out and gave it our all." For the first time ever a freshman, Tony Doll, started in all games along with two sophomores.

Leading hitter Dan Knetchel was the "steadiest ball player" playing first base and pitcher positions.

"Winning the Mason invitational for the second year in a row was the high point of the season," concluded Coach Cory.

MAKE-UPS EXTEND PLAY

At the start, the weather did not cooperate. Everytime a Girls' Varsity Softball game was scheduled it would rain, snow or be 40 degrees. The season finally ended on June 2. The girls placed fourth in the CAC and lost a close 5-6 to St. Johns in the semifinals of the districts. Two members were awarded for their excellent playing: senior Judy Fish got ALL-CAC in the outfield and freshman Dawn Harbach got Honorable Mention playing short-stop. At the Mason Invitational the team placed 3rd.

Next year the team will be losing only one senior, and junior Sue Kukulka predicts a strong season.

IT PAYS OFF

Despite inexperience and illness, the Holt Girls' Varsity Volleyball Team ended up third in the CAC. It was the team's attitude and determination that brought it success.

In tournament play, the team placed fifth, making it to the semi-finals each time. Junior Kathy Pifer was placed on the All-Tournament Team at the Ferris Tournament.

Three Juniors were given honors by the CAC. Pifer and Sue Kukulka made the CAC All-Star Team and Teresa Glynn was awarded honorable mention.

"I think everybody on the team grew up some and we proved, as a group, we aren't a bunch of 'uncoachable losers'. I believe we had a successful season not only in the wins and losses but also in other areas," concluded Pifer.

THE SPIRITED!!

Expectations have changed for our future cheerleaders. The 1983-84 season was approached differently than in past years. Tryouts not only judged ability but attitude as well. The major influence for change was first-year coach Patricia Nellett. Selection included skill competition, oral interviews by a panel of coaches, coach evaluation, and teacher recommendations. "This format was chosen because it opens the door for students who may have fewer technical skills, but would overall better fulfill the requirements of a good cheerleader," said Coach Nellett.

This was also the first year at Holt when sophomores became members of the Varsity squad. Michelle Davis and Yvette Gallup were added to the squad for filling various requirements. Along with the two sophomores were four juniors who definitely made a difference. All the girls worked extremely hard and put forth a lot of extra effort. This dedication seemed to pay off. The Varsity squad placed sixth in Regionals and after two weeks placed fourth in CAC's. As said by Coach Nellett, "It just goes to show, it's not the quantity, but the quality that counts, and we certainly have quality."

With only five girls on the JV squad, each girl worked extremely hard. The squad was perfected during the winter months and successfully entertained and spirited the crowds during the basketball season. "The season went really well. Although there were only five cheerleaders, I feel we did a good job in supporting our team, and we accomplished everything we set out to accomplish," said sophomore Kari Krasuski.

PUSH FOR SUCCESS

It was a year to learn, grow and prepare for Varsity football. According to sophomore Tony Lane, "We didn't look so hot in the first practice, but we looked like a totally different team at the end of the season." Head Coach Del Cory felt that the team improved more than any other team he had ever coached. Most of the players credited the improvement to the excellent coaching of Mr. Cory and Assistant Coach Darold Briggs.

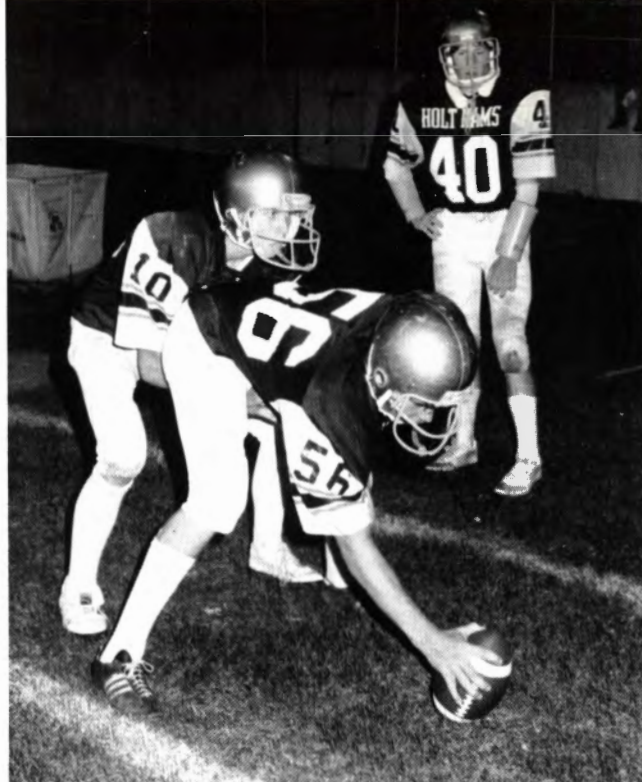

Defensively, sophomore Bob Deloach and sophomore Gilbert Castillo led the tacklers with 52 a piece, sophomore Brett Hake was the leading rusher with 485 yards and sophomore Dave Marshall was the leading scorer with four touchdown runs. The season ended with three wins, four losses and two ties. "To me, learning and improving can make a season, in itself, a success," concluded Hake.

TEAMWORK PAYS OFF

Together with a great coach and a tough team, the Holt Girls' JV Basketball team came out on top in the CAC. "Mr. Simmons' positive attitude has really pulled us through the season," sophomore Lana Howell said. "And with his 'Coaching Points' you learned something new everyday." Sophomore Rhonda Bos added, "Mr. Simmons has taught me more than I ever imagined and his Christian attitude has held us up."

Finishing with a 17-1 season Coach Simmons felt that "they played with intensity and as a team. The girls were very unselfish and there was excellent team balance." The girls, as a squad, felt that the strengths of their season were executing their plays, playing tough defense, being "hot" on offense and playing together as a team.

However, the girls had their own ups and downs as individuals. Christina Long, freshman, remembered that her worst times were those every athlete dreads ... sitting the bench. But she feels that when she did play she did her best. "My best times were when we came from being behind and pulled together and won," commented Mandy West, sophomore. "I feel that the reason our team was a success was not just because we won a lot but because of the way we worked as a team."

JV SHOWS WHO'S ON TOP

Coach Rocky Shaft seemed to be pretty pleased with the way the Holt Junior Varsity Wrestling Team handled itself this year. He, of course, had good reason. The JV squad came out on top in all their meets except for the upset against the Eastern Quakers. They also took first-place standings at the St. Johns and Waverly Invitionals. They took fourth and eighth at the Charlotte and Ithaca Invitionals.

Suprisingly enough, when asked what was the most exciting match, Junior Scott Ammon stated, "When I wrestled against Greg Wilton at the Holt Invitational. It came down to the last second and he won."

TRIALS AND TRIBULATIONS

Court sense and overall improvement were the goals of the 1984 Boys' JV Basketball Team. The main reason for improvement was to prepare themselves for the Varsity squad. Everyone seemed to agree that the season's ups and downs were the wins and losses. "It has been hard for some of us to deal with losing because last year we had a winning Freshman season," commented sophomore Phil Kruger.

Coach Pete Kressler felt the team was successful in terms of improvement but was disappointed that they didn't win the close games. Overall he said the team was "a good, hardworking group of young men!"

THE SPIRITED

A new club, made up of active and hardworking students was organized this year by Mrs. Barbara Neuriether and Mrs. Brenda Lynch. The Pep Club started out with high hopes and a lot of sign painting. "I really enjoy motivating school spirit," stated Senior Paul Levandowski. Others shared this enthusiasm too but as the year wore on, these active students became busy with other activities and the Pep Club slowed down. The club was a great idea and hopefully it will grow next year.

Also supporting athletics was the Varsity Club. Membership was limited to students who had earned a varsity letter. Club President Marty Schnepf organized club meetings and activities. Lunch time hall monitoring was its biggest activity. The reward was a free season's sports' pass.

FLU MADE IT TOUGH

The winter cold and flu season made it tough for the Girls' JV Volleyball Team. The girls ended up with a seven-member team, starting out with nine.

Because the Varsity Team also had illnesses, JV player Lisa Parks had the opportunity to play Varsity volleyball at tournaments and Districts. Tina Arend, Dawn Harbach and Kathy Schaffer also joined the Varsity for Districts.

At Jackson the JV team placed fourth in an eight-team tournament. "The season was enjoyable and a learning one for the whole team," quoted first-year coach Lisa Howell.

TIMES OF COMPLETE EMBARRASSMENT

Do you know what's embarrassing? "When three Varsity Volleyball players are on the floor trying to return the ball and all of them miss!" quoted junior Sue Kukulka. Playing any kind of sport had its embarrassing times for all players. It was easy to be teased about your playing errors when you were a member of a small high school and a lot of fans and team members were watching. The good-sported players, as seen here, learned to laugh at their mistakes. They thought more about the good times that came with participating in a school sport.

"COME ON GUYS LEAVE ME ALONE, we got to run," says David Shaffer.

"OK COACH, WHAT'S NEXT?" inquires Ken Bachman.

HELP! HELP! I'M DROWNING! signals Bob Leuken.

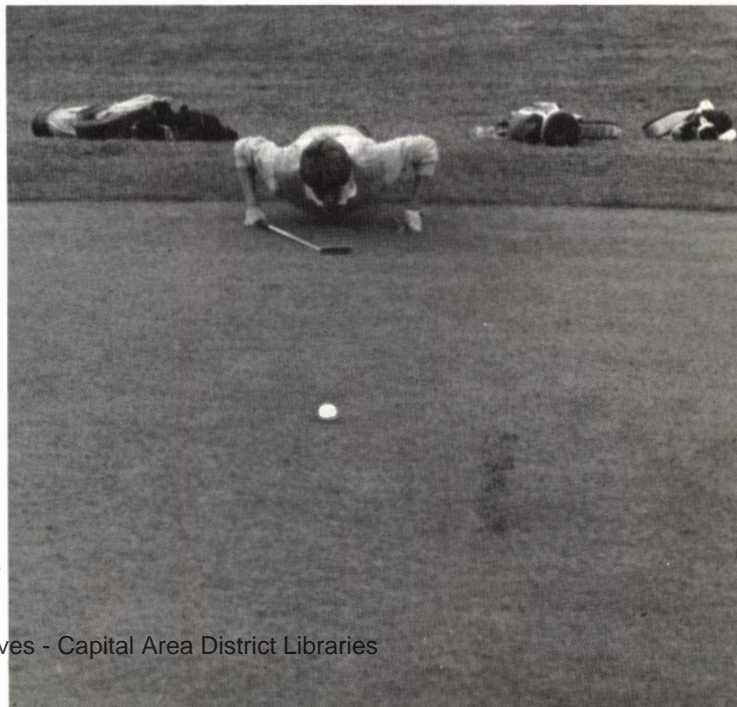

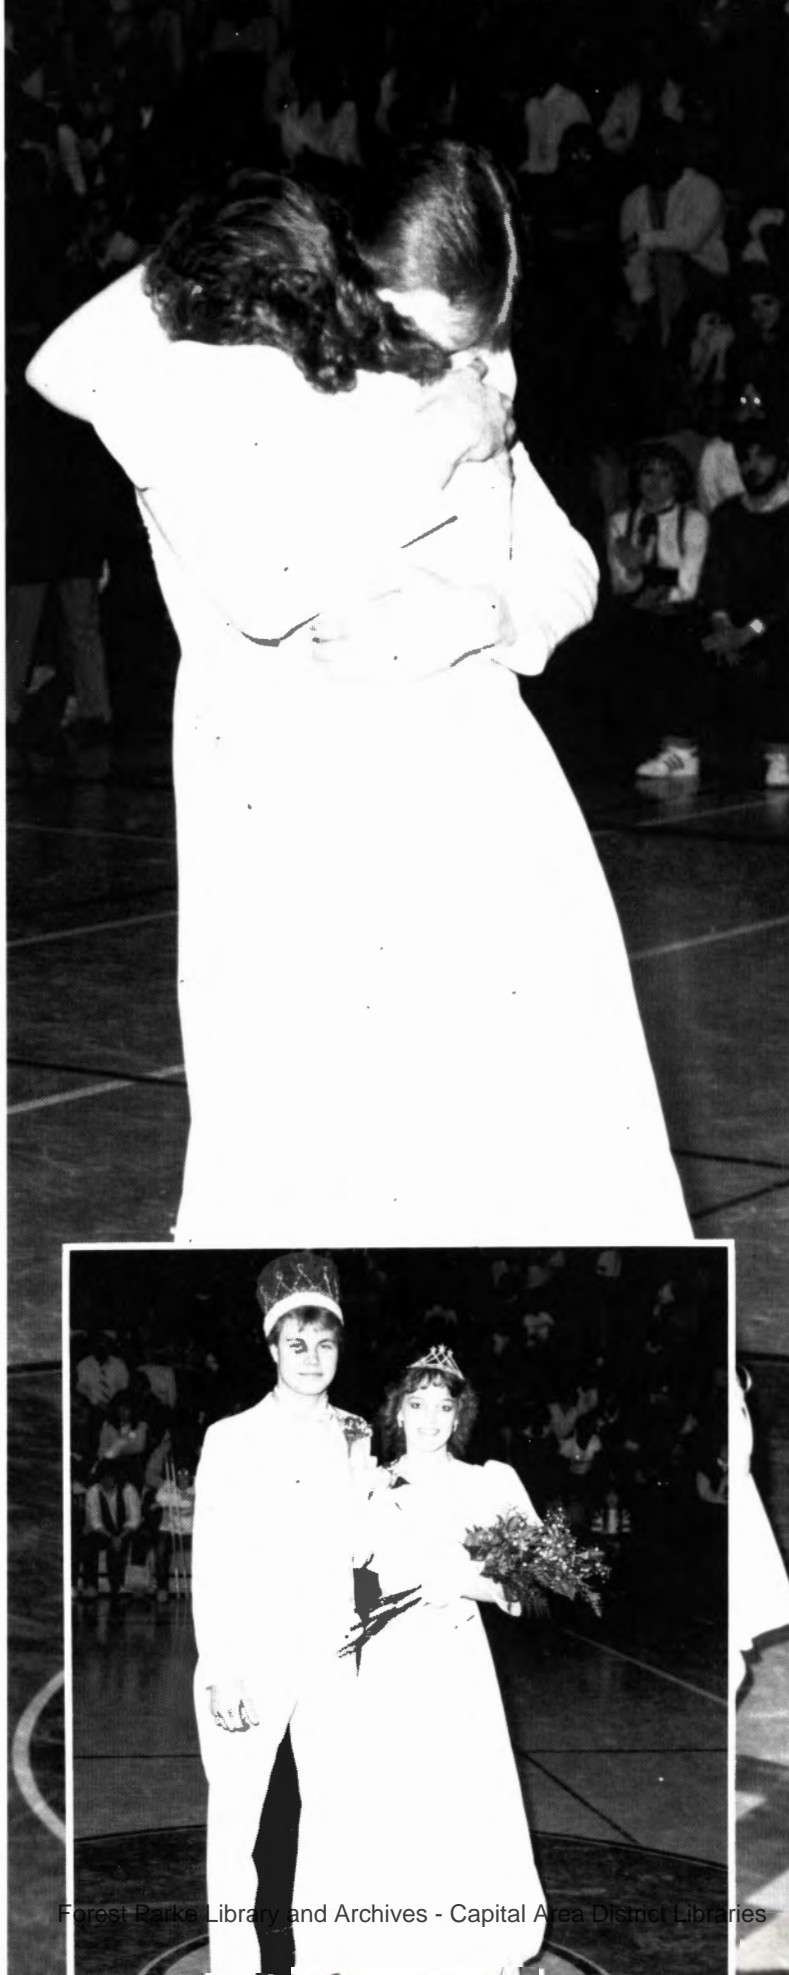

"I GOT IT I THOUGHT!" a triple miss by Sue Kukula, Teresa Glynn and Celene Grables.

LATE NIGHT TV! Homecoming spirit finds Kim Stover and Jennifer Clark as Charlie Chaplin.

EXCITEMENT

The tension grew greater as the announcement of the King and Queen grew closer. Who were going to be the 1984 Basketball Royalty? The crowning of the King Joe Evans and Queen Kelly Andrick was only part of the Homecoming excitement.

The week began with everyone wearing their favorite t-shirt. At lunch there was always something to do, whether it was listening to the Pep Band or playing the noontime games (the sophomores seemed to rule in this category). After school many students remained on to practice their class skit or paint hall signs. The pep assembly drew the weekdays to an end honoring the court members, basketball players, and the Junior Class (which took first-place in the Homecoming events).

The "big game" was against the Sexton Big Reds. Holt feared the outcome knowing Sexton was first in the state. But with the thrills of Homecoming around them, the team almost pulled it off. The whole evening ended on a good note as students attended the traditional Homecoming Dance.

SPIRITED CROWDS

Cheers, fight song, skits and pom pomers . . . it was fifth hour and high school students filled the gym for the pep assembly. Two spirited assemblies were held this year, one before each Homecoming game. Many of the students felt there should have been more assemblies and more chances to show their pep and spirit for our Holt athletic teams. Junior Tonya Yarbrough, who lead the crowds, said, "It helps the teams know that we care."

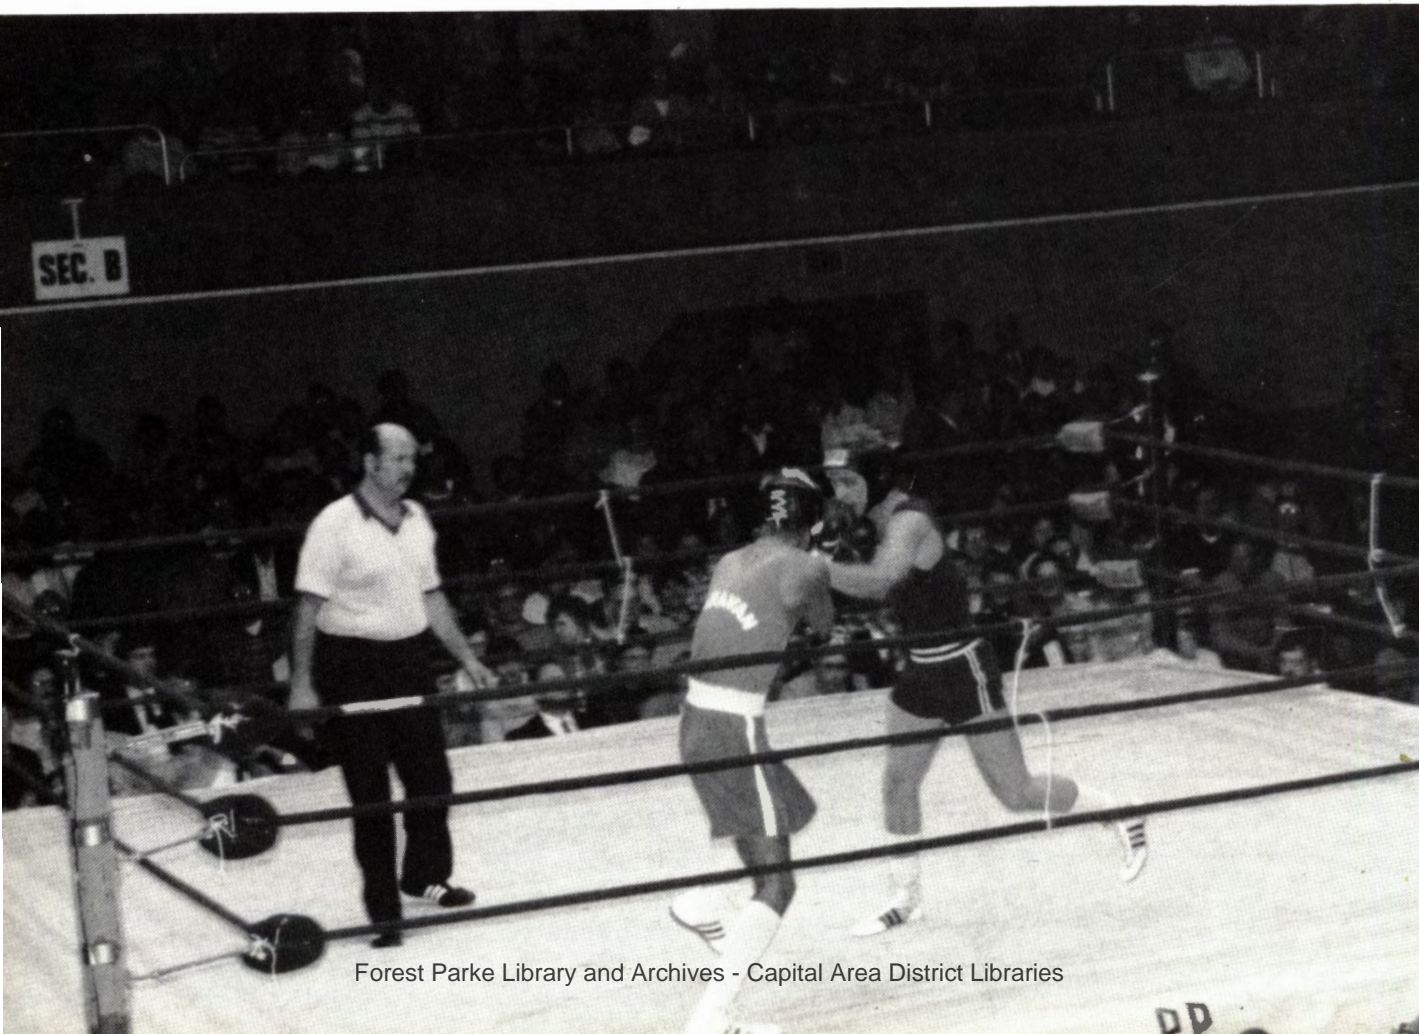

It was the sound of the Pep Band that set the mood. Their dedication and lively sounds got the crowd moving. As in the years past, few gave them thanks. Even drummer Carl Heller felt they had little support. But, it was the Pep Band that rallied the crowd and a rowdy crowd was what the gatherings were all about.

PARTICIPATION IN SPORTS EXTENDS BEYOND SCHOOL

For some people school sports just weren't enough. They were many students who did not receive recognition since their involvement was through out-of-school organizations or just for fun. Out-of school sports took a lot of dedication, and training was up to the individual. Popular activities were boxing, freestyle wrestling, intramural softball and weight training. "I like sports, it gives me a reason to stay out of trouble" said free style wrestler senior Ron Reynolds.

HOLT INTRAMURAL BASKETBALL BEGINS SEASON WITH A BANG

Whether it was just to have a good time or to seriously seek out the title "champion", the Boys' Intramural Basketball season was on its way again. First came the gathering of team members to form a roster and choose a team name. As the regular season progressed, wins and losses were recorded. In the final outcome the Speeders took it all with an 8-0 record. The Hogs, Mud Bones and Bricklayers all tied for second with a 6-2 record. Chew Crew ended up with an even 4-4 record while the Lakers, Vets, Weekend Warriors and Duke Tomato and the Euthasians ended up 3-5. Cinci Slammers and PLO ended up 2-6 and the Generics came in last with a 1-7 record.

The single elimination tournament ended up with the Hogs versus the Weekend Warriors. Though the game was played strategically by both teams, the Hogs won 39-32.

GIRLS' IM ROLLS ON

How sweet it is! The Girls' Intramural Basketball Teams were not only sweet, each player gave it her best shot. To start the season off, IBM beat Euphoria and First Blood ran over Bab-Q's in the scrimmage games. Nevertheless, Euphoria got back into action and took the first-place title. IBM snagged a close second, First Blood grabbed third and Bab-Q's had no choice but to take fourth. Despite the place they took, each team worked hard. The team members, who were also Winter Cheerleaders tried especially hard to play around their cheering schedule.

TOP THRILLS

Being able to help solve a problem for a student.

Having a teacher say at 3 p.m. "I had a great day."

Having a student deposit his Big Gulp in a trash can. (Even more exciting — having a student deposit someone else's Big Gulp in the trash can.)

Watching a student mature between 10th and 12th grade.

Receiving letters from former students telling how great HHS was for them and how well they are doing in their job/college.

Having students experience the joy of sharing themselves with others through work with senior citizens, School for the Blind, etc.

Knowing that teaching is a great profession — making a positive contribution to the future.

Events such as Honors Night, Top 10, Graduation.

Seeing a student who is having severe personal problems do a complete turn around.

Being in the position to shape the educational program at Holt High School.

Having the opportunity to work with a lot of great students in a supportive community.

RIDE THE RAILS WITH US

CONFIDENCE

"The thrill of victory and the agony of defeat," "Wide World of Sports", famous introduction is a perfect example of a coaster ride.

Many valuable lessons about life can be learned through athletics. Learning how to cope with defeat, gaining from it, not making excuses, and showing good sportsmanship are all valuable lessons. Winning produces joy, teaches humility, and develops pride and confidence in oneself.

Participation in athletics provides many experiences which are valuable in today's competitive world. Learning how to work as a team to achieve goals, while at the same time trying to compete as an individual and trying to better oneself are lessons learned in athletics.

Athletes must make sacrifices to keep their bodies fit, healthy, and well-conditioned. They must learn how to budget their time since there is less free time after school. They must also achieve a certain level in the classroom in order to maintain their eligibility.

As Athletic Director it has been exciting to watch our teams develop and take shape. And it has been a pleasure to work with our coaching staff which is dedicated, caring, knowledgeable, and competitive.

BOARD OF ED RUNS ALL

Few eras over the last twenty-five years have been as exciting in education as the school year 1983-1984 has been.

With the report of the National Commission on "Excellence in Education", the Michigan State Board of Education plan "A Blueprint for Action" and other similar reports, a new thrust in high school education has begun.

Holt High School has been in the forefront in seeking to provide our students with the best quality education possible and has had a major study of its curriculum in 1983-84. Decisions are being made of its most vital areas, such as graduation requirements, which will impact students now and for many years into the future. These changes have made this year one of the most exciting years in education at Holt High School in the last few decades and will have implications for many years ahead.

ATTENDING HIS LAST BOARD OF EDUCATION MEETING MR. ALTON STINE RETIRES AFTER 33 YEARS OF SERVICE TO HOLT PUBLIC SCHOOLS. Mr. Stine officially announced his retirement as Assistant Superintendent from the Holt School System to become effective April 30, 1984. At that time he plans to move north with his wife to their new home at Houghton Lake where they intend to enjoy an active and well-deserved retirement. Seated next to him is Secretary to the Superintendent, Mrs. Margaret Wallace.

DOING THE ESSENTIALS

What do these people have in common? All appear to be happy in their jobs and proud to be a part of Holt.

According to Kitchen Staff member Shirley Reed, "Being with each other, laughing at things that went wrong during the day were a part of the **BEST TIMES.**" Mary Smith added, "Serving the students is great company, we all enjoy it when the students say 'Please' and 'Thank You'."

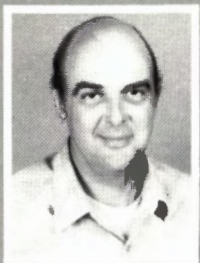

Russal Stevens, the day custodian, felt everyone was good to work with, students and staff.

The bus drivers had good things to say, also. Driver Micheal Sthal said, "The students are polite and listen to what is being said."

And from the students point of view, sophomore Tina Kinney said, "The cooks try hard to please students with hot meals. It doesn't look easy." Sophomore Teri Pentecost added, "My bus driver is a real sweetheart."

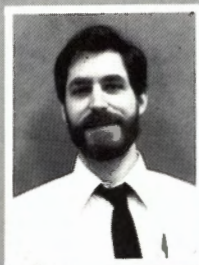

CLEANING WITH A SMILE, custodian Russ Stevens goes about business as usual.

Mr. James Mutch

Mr. James Mutch said, "Teaching is exciting because I never know what could possibly happen next."

"When students get excited about good literature, when they see how it relates to real life situations, is when I most enjoy teaching English. Also, I feel that helping students to be better writers, whether they are college bound or not, is encouraging a higher level of literacy in our society, something which we certainly need," said Mrs. Lynch.

"It is thrilling to watch a student develop a talent, whether it be in the visual or performing arts. This opportunity for self-expression brings many rewards — not only to the students but to the parents and teachers also. "It is exciting watching students perform successfully — score a home run, catch a fly ball, kick a goal, assist a score, win a race, or support the team, and/or do something they thought they could never do. Also seeing improvement in skill level and a person swim that could never swim brings excitement," said Mrs. Johnson.

"A lot of students from all different subject areas have come to me saying, 'Mrs. Bailey, I hear you help people. Can you help me understand this homework?' For me, the excitement in teaching is watching someone who has been confused or frustrated finally come to understand a concept. Also, my job is never a repeat. There are constant challenges, human puzzles to solve and stressful situations to master. People are the exciting part of this job," concluded Mrs. Bailey.

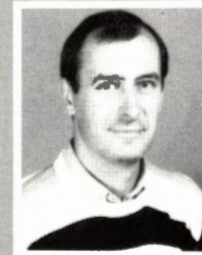

"Watching students progress in speaking French and watching them mature is exciting," said Mr. Garnett.

"The Social Studies/Science areas are dynamic. There are those areas that are fairly constant, three branches of government, etc., but the whole social arena is in a state of flux. THE WORLD OF CHILD DEVELOPMENT was knowing more about the care of children and understanding their growth. During a class project, students had an "egg baby" to be carried around in a little box for 48 hours. The egg was to be treated as if it was a baby. "It was fun until with only a few hours to go, my baby fell out of its crib," said, Kim Hunter. "It was a good class because it taught me how to care and take responsibility." According to Mrs. Lamphier, "I use this experience to help my students learn what it is like to be responsible for someone other than themselves. The egg needs tender loving care to survive, and unfortunately only about one out of four eggs are returned at the end of the 48 hours.

DRIVERS EDUCATION WASN'T JUST A GAME. Days were spent in class and hours were spent on the range. Students waited for the final day, the day all Driver Education students met in the school auditorium to take the Michigan State test. One click, two clicks maybe even more. The moments were tense 'til someone said, "Congratulations here is your permit." Thirty-one days was all they had to wait 'til they could pay \$7.50 to get their picture license at the Secretary of State. Now a license and then a car ... crash! Let's start all over again.

FLOWER POWER GRABBED PHIL KRUGER DURING HOMECOMING WEEK. Sophomores, for the first time, experienced the new social life of the senior high. Events such as a flower from an unknown admirer to being selected "spotlight student of the week" by the Holt Rotary, life in the high school could be full of pleasant surprises.

"These could be very embarrassing moments also," added Sophomore Phil Kruger.

PHONES ARE A VERY HANDY THING! At Holt, students, especially new sophomores, quickly got into the swing of things. Availability of phones depended upon purpose. Attendance office phones could be used for emergency calls home, the main office phones could be used for business calls and personal calls were to be placed on the school's two pay phones.

Pay phones were handy for students who forgot their gym clothes, wanted to chat with a boyfriend or needed a ride home after practice. And, if a student still forgot to make that call, he or she would stop at the pay phone in the student parking lot.

THE LOUD CRASHES, BANGS AND DEADLY RINGS from rooms 305 and 306 were not coming from your ordinary noisemakers. They were the sounds of biology students playing Jeopardy. Jeopardy was a game to help students be prepared for a test the next day. The game encouraged students to study and listen to the questions. The team with the most points in the end got an extra bonus. "I think Jeopardy is a fun way to study," Sophomore Jon Zellars declared.

THIS YEAR'S SNAPPY SOPHOMORES SHOWED SOME TERRIFIC DANCE STYLES. Not only did they get down but they were able to experience how the upper classman rocked. Dances began with the Yearbook Dance following the first home football game and they continued throughout the year. Highlights were the Fall and Winter Homecomings, the Dance Marathon and, of course, the Junior-Senior Prom. If a sophomore was lucky enough to have received an invitation to the Prom, they could have made it through the 1983-1984 dance year with perfect attendance. "Dances were a lot of fun and I got to see a lot of friends," concluded Karen Fussman.

SOPHOMORES SELECTED CLASS RINGS. *Entering Holt High School in their sophomore year, the 10th graders anxiously looked over the selection of rings Balfour Jewelers brought into the school. The class ring was important to most. The ring made students feel they were an actual part of Holt Senior High. Jami Brija said, "I feel that everyone should get a class ring. It is something everyone will have when they get older to remind them of the 'best days of their lives'." Most students did! But a few students waited until later or shopped around at local jewelry stores for their rings.*

THE CLICKER CLICKED, THE PICTURE TOOK, BUT one flasher did not flash. Half dark, half light just didn't do. When National Studios came back for retakes on November 9, over 100 extra students had to have their pictures retaken. In spite of the confusion and the delay, most students finally received a packet of "smiling" photos to exchange with friends. According to junior Sylvia Medina, "I like the feeling of friends asking me for my pictures and receiving theirs." Liz Twichell added, "I think it's fun to wait and see how everybody's pictures turned out.

WHAT ARE COMPUTERS ALL ABOUT? Holt Public Schools put on a computer show December 3, 1983. The show was put on for two reasons: to inform the community as to what Holt Public Schools were doing with computers; and to provide interested community members with computer information. The Grand Prize Winner for computer programming was Holt High School senior Robert Taylor.

The people involved were members of Holt High School Computer Club, Mr. Mike Lehman, Mrs. Sue York, Mr. Scotty Shimnoski, Ms. Ann Gnagi, Mr. Dave Rumminger, Mrs. Dorothy Anderson, Mrs. Ann Kast, Mr. Larry Linch, Mrs. Judy Woolston and Mr. Kent Thibaudeau. The Instructional Technology Committee consisted of Mr. Jack Rurick and Mr. Dave Messner.

JUNIORS PRACTICE TAKING A COLLEGE BOARD TEST. The National Merit Scholarship Corporation has put out the PSAT test which was designed to help students practice taking a college admissions test. The Preliminary Scholastic Appitute Test also helped students compare how well they did with other students throughout the United States. According to counselor Mrs. Sue York, "Over one million students took this test last year. It showed the students academic abilities and gave feedback on correct answers."

Another reason for taking the PSAT was to release names to colleges and post-secondary programs who, in turn, sent out information to students. Of the seniors who took the test in 1982, four received National Merit recognition: Laurie Henry, Andy Sherman, Tara Helgamo and David Czarnecki. There was one National Merit Semi-finalist, Paul Nelson.

BEST FRIEND

*I never thought the day would come,
when my best friend would not come home.
She will not call and won't stop by,
I never thought that she would die.
She loved her friends and family too,
and only nice things she would do.
She let her special spirit show,
and always let her friendships grow.
My best friend has gone away,
but I will be with her . . . Someday.*

WHAT DO YOU DO ON A SNOW DAY? Some people have felt at a loss or homebound, but not Holt students. Everyone was very excited about snow days.

Of the people talked to, not one person felt down about having school cancelled. Dawn McKimmy said, "I get really excited when I hear it announced and I just think about how I can watch soap operas."

Other things people did on snow days were: go back to bed, watch tv, shovel driveways, talk on the phone, listen to music, have snowball fights, get together and go skiing and ice-skating. Wendi Phenicie quoted, "I get an extra day to finish the homework I didn't do the night before, so snow days make me happy!"

PEP ASSEMBLIES WERE THE MOST FUN OF ALL! *It was a time for rowdiness and togetherness, a time to get away from all the work and lectures. It was a time to relax and have fun with other fellow students . . . a time to show school spirit.*

"I think pep assemblies are great. They show just how much spirit this school really has. There is nothing like the feeling of excitement that everyone experiences when we are cheering for our teams to win," exclaimed Jannalynn Whitesides.

THE COMPUTER CHECK . . . This year's absences were neatly packaged and presented to students on official computerized printouts. The evidence was there in black and white. Too many unexcused absences meant a talk with Mrs. Donna Barens or Assistant Principal Dave Messner. Parents were usually unhappy if a call home was necessary. Students had to clear up their absence with their teachers, learn to call in excuses sooner, or just plain suffer the consequences. "The computer check is not a bad idea if they did some work on it and corrected the mistakes," concluded junior Mike Ellis.

CLASS MOTTO

*"I AM NOT AFRAID OF TOMORROW
FOR I HAVE SEEN YESTERDAY
AND I LOVE TODAY."*

MEMORIES CLASS SONG

"Hold On"

Triumph

*Music holds the secret
to know it can make you whole
It's not just the game or notes
it's the sounds inside your soul
The magic of the melody
flows through you like a stream
The notes that play
flow thru your head like a dream — like a dream*

*I sing this song for the common man
and for the people in despair*

*I bring my song into the world
and I sing it everywhere*

*The simple truth lies waiting here
for everyone to share*

*So hold on and I will take you there
hold on and I — will — take — you there*

*The daily routine takes your soul
lost without a trace*

*He holds you down and turns you 'round
and puts you in your place*

*Another day another dollar
another pretty face*

*Another chance to lose yourself
in the end of space*

*Hold on — hold on to your dreams
hold on — even though it seems*

*Everyone around you has their little
schemes*

Listen to your heart

*Hold, hold on to your dreams
Can't you feel the magic*

feel it everywhere

*Can't you hear the music
there's something in the air*

*There's a celebration
deep within a song*

*Celebrate this feeling
you know it can't be wrong*

— Chorus —

Hold on

Hold on

Hold on

Hold on

*Caught up in the routine
you got to break it*

*Time won't wait for us
we've got to make it*

*Fate gives you the chance
you've got to take it — take it*

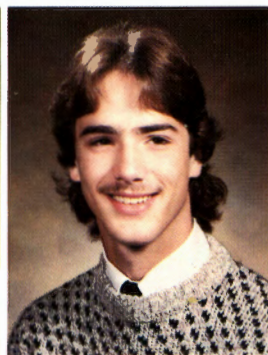

Hold on, hold on, hold on

KIM NIELSEN — DENMARK "I like to use my head rather than my hands. I love to sleep long in the morning and go late to bed. I enjoy parties and I like French food and wine."

JULIANN BEETZ — GERMANY "My hobbies and interests are skiing, windsurfing, tennis, squash, listening to music, languages and playing the piano."

SILKE SCHAEEL — GERMANY "In the first place, I like Holt High School because it is such a small school, then everybody knows almost everybody else (at least in his or her own grade). Therefore most people are very friendly to newcomers. Second I like the school activities, like football games and basketball games, Homecoming and candy canes, Homecoming flowers, and etc. I think these are a neat thing to do, but you can not do these in a very big school. I also think that the orchestra and the choir are very good things for a school."

ANNA VERSTRAATER — NETHERLANDS "I like people, and I like adjusting to new surroundings. I'm honest (I don't like people that aren't) and I'm friendly (it is really hard to get me angry)."

LIFE IN GERMANY

Whether it was traveling over Germany's beautiful land, touring its prestigious castles or visiting one of its many beer gardens, it was an experience to remember. "The beauty of the country and its people were beyond all our expectations," said Mr. Mike Lehman, chaperon for the summer of 1983.

Each morning started out at the Elsa-Brandstrom-Gymnasiums to discuss the events of the previous day and to decide what the day at hand would bring. Tours of Germany included various trips to Marienplatz, along with a tour of the Residence (the home of Bavarian kings), St. Peters Cathedral, the Olympic Park and the Dacau Concentration Camp.

"Living in a foreign country for three weeks makes you enjoy this decaying earth," stated junior Shawn Feeley. Junior Jennifer Crews added, "Germany and its people have a lot to offer. I will never forget anything or anyone I met there!"

Mr. and Mrs. Kressler, the sponsors for the summer of 1984, felt that this years group was outstanding and hoped that they benefited greatly from the experience.

A LITTLE EXTRA HELP

If you asked teachers at Holt High School what they thought about teacher assistants most would say they're great! It was always nice to have a little assistance to keep things moving right along. Assistants did numerous small tasks for their teacher, from correcting papers to decorating the room. To be an assistant, a student must have had good attendance and been reliable.

Then there were also the clerical assistants. The Office would have had an awful time operating without them. They answered phones, handed out passes and collected attendance sheets.

Students who like to work with younger children were the elementary assistants at Sycamore Elementary School right next door. When asked what she liked most about being an elementary assistant senior Kim Kruger said, "I enjoy children and thought it would be fun working with them."

Mrs. Anne Kressler who handled the assistant program this year had to say, "The teacher assistant program offers a student an opportunity to digress from the regular curriculum of study — teachers, counselors, and administrators alike have worked to make this "class" a valuable learning experience."

GREAT PARTICIPATION

Exposure, experience and training for future careers was available to students through various options. Career Day acquainted students with career choices; the Co-op program gave students on the job training; and the Capital Area Career Center provided professional training.

The fifth annual HHS Career Day was filled with special speakers from the Holt community. This year mortician, sports official, x-ray technician, claims adjuster, dietician and data entry person were added to the morning sessions. According to coordinator Mr. David Messner, "the community participants received personal satisfaction in helping and sharing with young people. They are committed to the success of their schools."

Those students anxious to get started on their careers could apply for training at the CACC. "I wanted to get a head start on my career, I wanted to make sure I got a job when I got out of high school," explained senior Pete Rousch. About 138 students took advantage of this opportunity this year.

With the proper course background students could also elect to get career experience by working on a school approved job. Senior Diana Keelan put in 20 hours weekly at her job at American Title.

ANTICIPATION. Students in Mrs. Gillison's Foods Class prepare lunch for the guest speakers.

3.5 REWARDED

Before the 22 seniors sat down for the 3.5 Dinner, Carl Heller gave a touching invocation. A main course of ham and chicken was served, and Schmidts catered the event. After dinner Jim Pence entertained the guests by singing two numbers: "You'll Never Walk Alone" and "When I Have Sung My Songs". The speaker of the night was Mr. Don Elliot, executive director, Michigan Association of School Administrators. He gave a speech on the changing times that the 3.5 students may live in. Mr. Elliot quoted famous authors and futurist about their predictions of how coming generations may live. Received for the first time this year was a Presidential Academic Fitness Award signed by President Ronald Reagan. Received with it was the traditional Board of Education Award.

CONGRATULATIONS! The 3.5 students receive their coveted awards.

LOOKING AHEAD Mr. Elliot speak to the futures of our youth.

A PERFECT EVENING shared by students and proud parents.

ENTERTAINMENT for the dinner is provided by Jim Pence.

BOARD OF EDUCATION HONORS TOP TEN

Ten members of the 1984 Senior Class had maintained the highest scholastic average throughout high school. The Holt Kiwanis Club held their annual Top Ten Dinner in honor of these students on May 7, 1984, at the Holt Methodist Church.

The evening began with a dinner for the Top Ten members, their parents and various guests. This year's guest speaker was Mr. Joseph E. Dickinson, vice president for Development at Michigan State University. Other guests included Mr. and Mrs. Parker, David Wilson, and Mr. and Mrs. Lockhart.

The highlight of the evening was the introduction of the Top Ten students. Each student drew a name and introduced another with warm comments of a personal, humorous or complimentary nature. "It made all of us feel very personal and really together," said senior Veronica Hope.

LET'S EAT! The honored students chat before sitting down to their meal.

TOP TEN: **ROW 1:** V. Hope, M. Schnepf, L. Henry, T. Helgemo, T. Baker. **ROW 2:** C. Reynolds, C. Heller, K. Scates, A. Sherman. **ROW 3:** E. Bratton.

CONGRATULATIONS! The head guests honor the Top Ten graduates of 1984.

PARENTS GATHER TO VIEW ACADEMIC ACHIEVERS

"I am pleased to advise you that you will be the recipient of an award to be presented at Honors Night, Tuesday, May 29, 1984, at 7:30 in the Pernert Auditorium . . ." Parents and relatives proudly gathered to watch their sons and daughters receive awards for outstanding achievement.

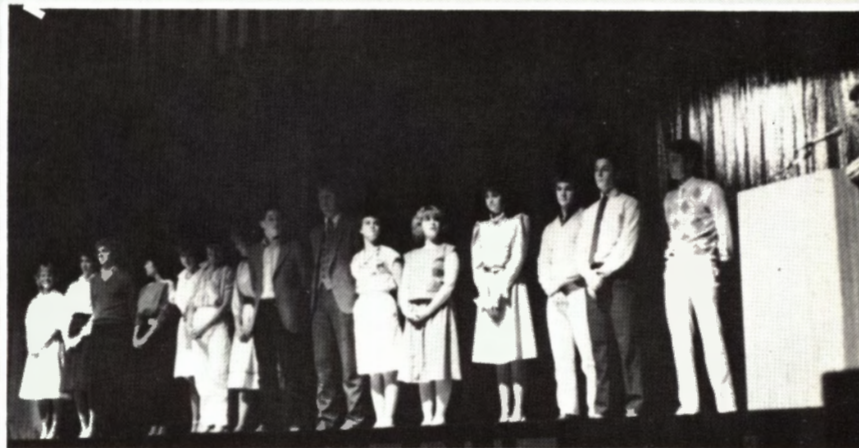

Various awards were presented for citizenship, band, English, micro-computers, business, student government, foreign exchange and more. After each student came up on stage and received his or her award, the evening ended with the dedication of the 1984 Rampages to Judy and Jerry Woolston.

DEDICATION TIME! This year's recipients, Mr. and Mrs. Woolston, are announced by Jodi Abendroth and Kim Kruger.

LEADERS are recognized by Mr. Woolston for their participation in student government

PROUD FACULTY. Mrs. Anne Kressler announces the Business Awards.

OUTSTANDING WRITERS. Debbie Shassberger, Tom Heller and Steve VanErmen received the National Council of Teachers of English Award from Mrs. Brenda Lynch.

CHI LIBRARY 5th ANNIVERSARY

Since its dedication five years ago, the John W. Chi Library has continued to provide a beautiful environment for study.

Our library reflects, supports and also determines the goals and aspirations of our total educational program and the degree to which our school places emphasis on scholastic achievement.

It is a living memorial to John W. Chi who, during his life, epitomized the very best qualities we hope for in a student: scholarship, citizenship and character.

We wish to express our sincere appreciation to Dr. Seong H. Chi and Dr. Kiwhan Oh Chi who, through their generosity, made this library a reality and by way of their annual support, continue to keep our library a current and a quality facility.

ASHHS MEMBERS DEDICATED TO HHS

Being a member of ASHHS brought many responsibilities. From organizing Winter and Fall Homecomings to the starting of the Varsity, Pep, Law and Computer Clubs, ASHHS members experienced huge success. ASHHS also sent members to the junior high school to discuss the Self Improvement Program that dealt with drug and alcohol abuse.

But when asked what he got most out of being a member, ASHHS president Craig Reynolds replied, "Being a member has given me a sense of accomplishment, achievement and participation. It gave me the chance to heavily contribute to the quality of the 1983-1984 school year." Vice president Kendra Folleth added, "I have gained some valuable friendships and have learned a lot about myself in trying to help others."

NHS VOLUNTEERS

"Helping people who are in need, has been a major purpose of NHS this year," said senior Christy Kragt. The National Honor Society sponsored a dance marathon for Kris McCarty, organized the annual blood drive, raised money through candy cane sales and held numerous other service type activities. NHS was made up of students that were active in high school activities and maintained a high grade point average — sophomore 3.3, juniors 3.3 and seniors 3.0. This year the organization held an ice cream social for the teachers to express its thanks for their academic support.

QUE PASA?

South of the border was the location of the Spanish Club's and Spanish classes' annual trip again this year.

On a smaller scale, the club planned to cross the southern Michigan line into Ohio on trips to the Toledo Museum of Art and to Cedar Point.

Although the club was not as active as in years past, activities included making pinatas for children in the hospitals, filling their faces at the popular Ramon's and a fundraiser. Erik Medina was president of the club and Miss Juanita Grew was adviser. "The Spanish Club is a great way to get together with your friends and pig out," said Jesse Cruz, an active club member for two years.

FRENCH CLUB ACTIVE

A crepe dinner and three picnics highlighted the year for the French Club. Fundraising included dances after home football and basketball games. "I was really surprised that so many people came to the dances. Everyone seemed to be having a great time, and I really had lots of fun!" exclaimed sophomore Kari Krususi. Officers were president junior David Kanouse, vice president junior Jim Parker and secretary/treasurer junior Kathy Pifer.

Another activity by French students was a trip to France, chaperoned by French teacher Mr. Norm Garnett. The Holt students rode the subways and walked the streets of Paris; and they visited the chateau region to view castles and tour a winery. "At night in their rooms they shared the experiences of the particular day," commented Mr. Garnett. "The cultural differences were amusing."

THE CHALLENGE

The Chess "year" started in December and extended to the end of basketball season. Members usually practiced twice a week after school. Although meets were scarce, the team still managed some accomplishments. The most memorable was finishing 16th out of 24 teams at a Dearborn tournament. Mike Janetzke pointed out, "It would be a lot better with more team members and more competition in the CAC."

The chess instructor, Mr. William Savage, said of the game of chess, "... it compliments the new video games, but it goes further in developing skills, habits, values, attitudes and friendly competition."

CONCENTRATION is essential between Mike Janetzke and Kristin Conlin.

DECISIONS are an important part of this chess game between Aaron Conlin and Craig Smith.

SOMETHING NEW AT HHS

In a year of cutbacks, clubs grew at Holt. New clubs and events were added to the extra-curricular schedule.

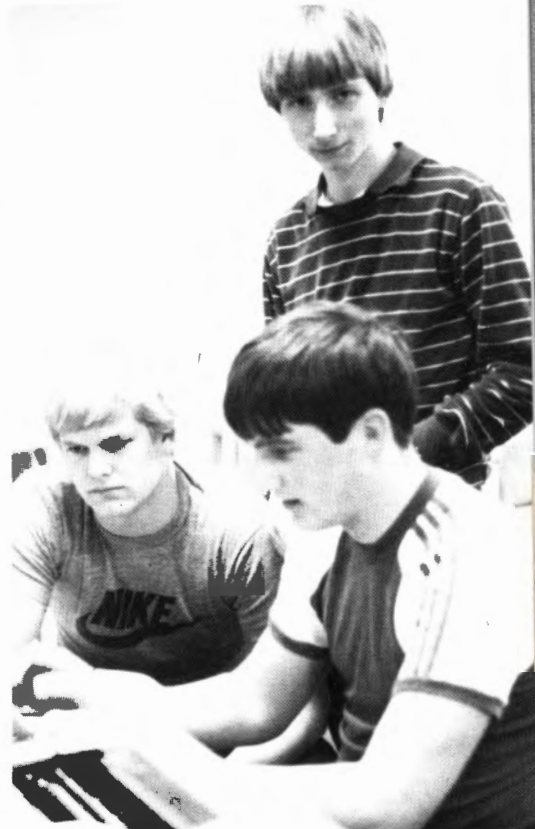

The biggest event was the State Competition by the Science Olympiad Team. In the science bowl, the team of senior Rob Taylor, senior Eric Bratton, sophomore Dave Schafer and sophomore Ed Wagner earned second place. Third place and bronze metals were won by Bratton and junior Andrea Zaenglein, who were working in the artifacts category. Sophomore Ty Lee excelled in the periodic table quiz placing fifth in the state.

The Computer Club provided the talent for the Science Olympiad Computer Competition. Seniors Kim Nielson and Rob Taylor earned second place and silver medals.

Another club introduced this year was the Political Science Club formed by seniors Craig Reynolds and Veronica Hope. As Craig Reynolds explained, "The goals of the Political Science Club were to research pertinent political issues and report back to the members. Once informed, decisions and opinions were to be made and the different stands were to be debated." Senior Jeff Barnum said, "I really hope that a few students become active in the club next year . . . it can do a lot to help members develop individual beliefs and learn about the world today."

POLITICAL SCIENCE CLUB: S. Gensterblum, V. Hope, C. Reynolds, P. Thompson, K. Dukelow, P. Levandowski, J. Barnum.

OFFICERS SERVE CLASSMATES

The elected few were busy keeping their classes active. Homecoming events, fund raisers and the Prom were all organized with new twists and new organizers. What did it take to make a class officer? What were the benefits?

Sophomore president Lela Weems commented, "Being a part of the student government has given me a chance to voice my opinion on issues that have to do with the school." According to Junior Class president, Tonia Yarbrough, "Being a class officer has given me a chance to be mature and learn to accept and handle responsibility." "More important than my duties with the Senior Class alone is the overall ambitious attitude of this year's whole student government. There is a great deal of cooperation and support between all members and that is the real source of accomplishment," said Veronica Hope, the Senior Class president.

JUNIOR CLASS OFFICERS: Jim Parker, vice-president; Debbie Shassberger, secretary; Terry Tatro, treasurer; Tonia Yarbrough, president.

SOPHOMORE CLASS OFFICERS: Kris Bratton, vice-president; Cheryl Tatro, secretary; Stacey Solmes, treasurer; Lela Weems, president.

MORE THAN USUAL

Out of the ordinary, described some special events that happened at Holt High School this year. Coach Rocky Shaft had a limousine drive his top wrestlers to the State Meet; Holt held its first Break Dance Contest; and the all-new Science Olympic Team placed second in the state. Rallying behind a good cause, Holt students proudly gave their support and time to the Kris McCarty and Angela Moore marathon dances. Besides extraordinary events and special assemblies, many students received top honors for high grades, academic competitions, athletic fetes, and special talents. At Holt, things happened ... and 1984 was no exception.

... THE RIGHT TO REMAIN SILENT

Although it was pictured as a haven for future police officers, lawyers and narcotic agents, the newly formed high school Law Club attracted students interested in all aspects of law. The club was an idea initiated by English teacher Mrs. Judy Frank who is a second-year Cooley Law School student and Social Studies teacher Mr. Dave Fink who is an officer with the Ingham County Sheriff's Department.

"Hopefully, after some more exposure we will be able to put to practical use the knowledge we have learned," stated Mr. Fink. The club purchased \$75 in fingerprinting equipment and planned to utilize it within the community and the elementary schools.

Besides gathering information about human rights, duties and citizenship, the club took field trips to the Michigan State Police Post and Cooley Law School.

EXPERIENCE REMEMBERED

According to the managers, the Loft was a reflection of them, "Whenever people complain about the Loft you feel they are putting you down too," said Manager Julya Bloom, "The Loft is a part of the managers. We make it what it is."

Working in the Loft was more than sitting back and relaxing. The managers were responsible for ordering, stocking, inventoring and hiring employees. This all went on under the supervision of adviser Mr. Scotty Shimnoski.

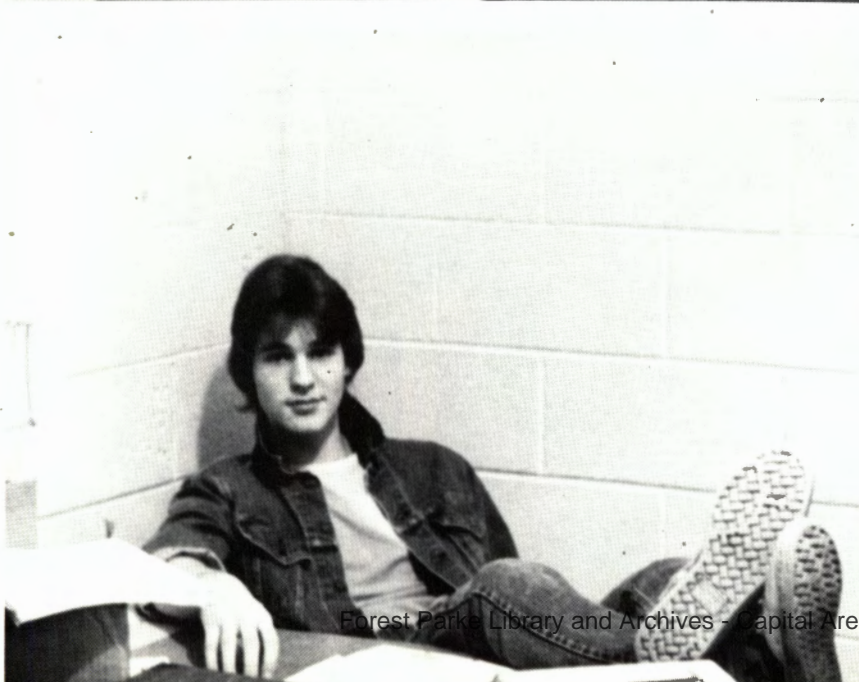

The employees had a worthwhile experience too. Senior Andrea Wroblewski added, "Working in the Loft gives you an opportunity to use your creativity and test out what abilities you have to offer a business organization."

WE NEED IT LOUDER! LOUDER!

What the band lacked in numbers, they made up for in enthusiasm. Due to the cut-back to a five-hour day, the 1983 Holt Marching Band was down in size. But this unfortunate adjustment did not cut down on the Band's ability to get fired up at the Holt home football games. What the band could not contribute from playing their horns, they made up for with the old time favorite "YELLING!"

Looking forward to next year junior Jenny VanDyke said, "Maybe next year we can start the season earlier, try different kinds of things and learn more songs."

Thanks to the Band, Holt High School experienced another spirited Homecoming and football season.

"THE HOLT HIGH SCHOOL CONCERT BAND," a name to remember and not to forget! Preparing for its many concerts, this year's band performed before many crowds and at the District Festival. Solo and Ensemble students this year included Tom Heller, Paul Levandowski, Sue Hall, Carol Dombroske, Andy Sherman, Kim Hill, Michelle Nemshak, Julia Lobsinger, Jack Swan, Kim Augenstein, Casey Parks, Rhonda Bos, Frank Levandowski, Laura Henry, Barb Kristin, Carol Kirkeeng, Jenny Scott.

Director Jerry Winters, with the occasional assistance of junior high band director Mike McMurtry, met with the band first-hour daily. The five hour day was rough on the band. Those students who could keep band in their schedule had to play louder and better.

JUST FOR FUN

Putting smiles on faces is what Ramsingers was all about. The group of 18 singers performed before groups ranging from elementary students to senior citizens.

However, singing outside of the school was not the only time they put on a show. They also performed at the fall, winter, and spring concerts and on Fine Arts Day.

"I enjoyed every bit of it," claimed Senior Paul Levendowski. JoAnn Kitchel added, "It gave me a chance to get to know a lot of people better." It was unanimous — each member felt the experience was worthwhile and each felt satisfaction from pleasing the audience.

As for Director Ron Allen, he is the "best" according to the Ramsingers. "He is a very excellent director, he knows what he wants and knows how to get it," said Senior Dumond Alexander.

STEPPING FORWARD, Carol Dombroske and the other female singers take the spotlight.

"START A CELEBRATION," sing The Ramsingers on Fine Arts Day.

LET'S DANCE:

Enthusiasm and spirit were two things the Holt Pompon Squad definitely didn't run out of. They boogied all year to the sound of different beats. Performing at the football games "was a really neat experience for our squad," Kelly Fulk stated.

Along with pomming to new sounds, there was another twist — a new sponser. Mrs. Lois Duling took over the job of coaching the girls. "Lois Duling has done quite a lot for us; she's really been a great mom and I love her," said second year pommer Summer Bartholomew. "Without her, the squad wouldn't be here. She's been outstanding."

"Our year was fantastic," concluded Coach Duling. Working and learning with the squad was a very rewarding experience for me. I look forward to working with everyone again next year."

HOLT RAM RHYTHMS

The highlights of the year were the Thanksgiving Concert, Christmas Concert, and Musical. Of these three, the choir members enjoyed the Musical the most. "Oklahoma" was a major production. "Learning the dances for the Musical was challenging," said junior Tammy Poma. Mr. Allen added, "'Oklahoma' was one of the most successful musicals in the past several years due to the talented, hard working student."

Some of the many new songs sung this year were "Ebony and Ivory", "Memories", "All That I Can Be" and "That's When the Music Takes Me". "This year was an exciting year for working with a fine group of young people," concluded Mr. Allen.

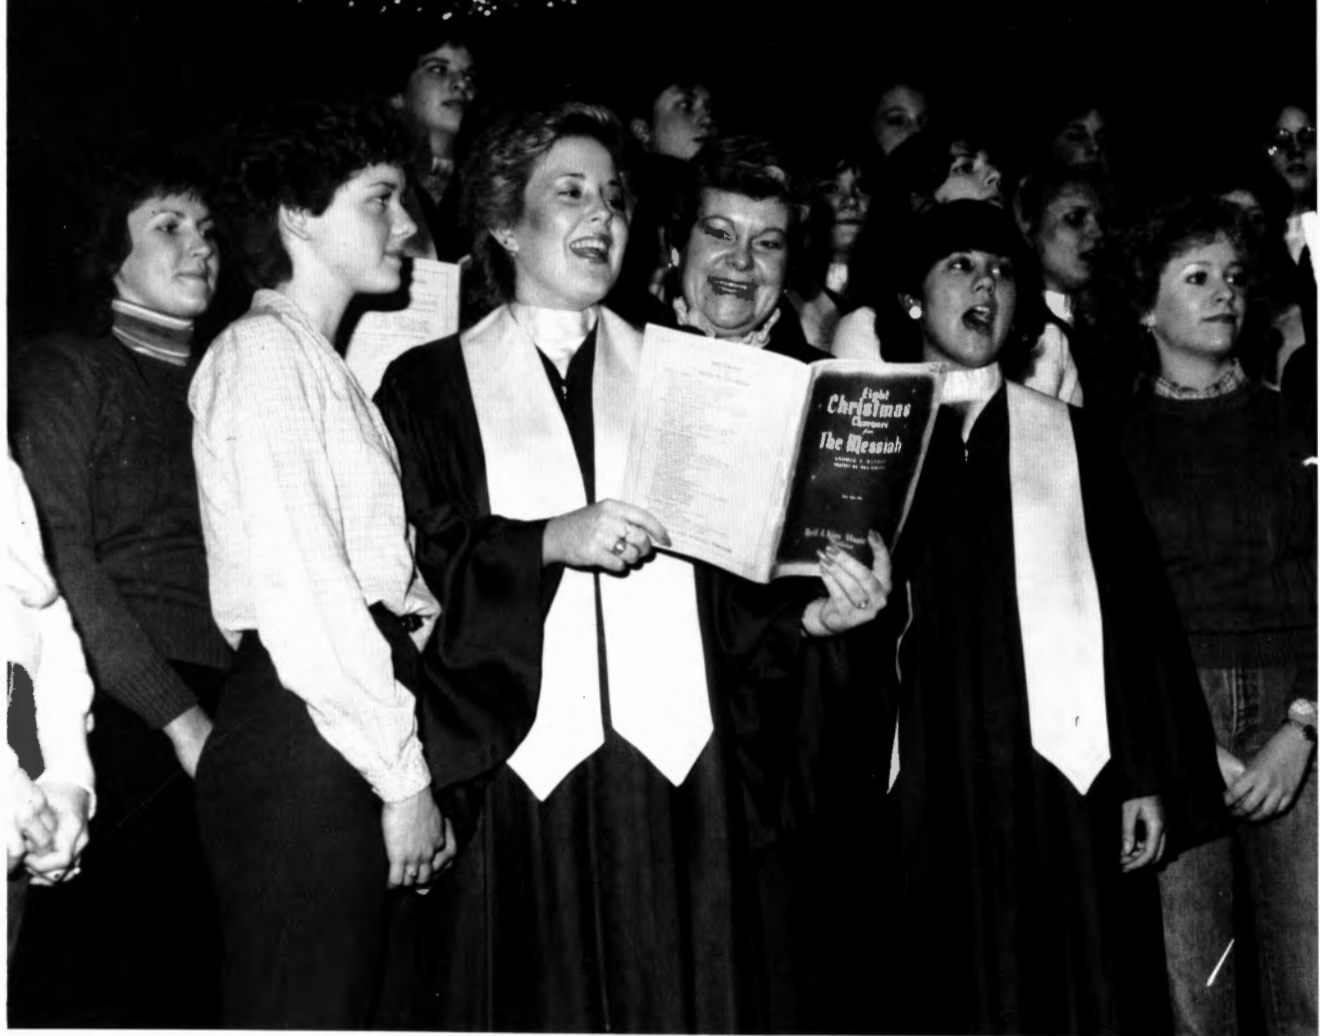

BE OF GOOD CHEER! Kim Evans and Tammy Poma sing selections from "The Messiah" at the Choir's Christmas Program.

DEADLY GAMES

The setting was the living room of the Old Brewster home in Brooklyn, New York, during a late afternoon in September, 1941. This event was reinacted by Holt High School students in the Pernert Auditorium on an evening in November, 1983. This mystery, well known to audiences, brought out a good crowd.

The leads in "Arsenic and Old Lace" were given to Wendy DeYoung and Jennifer Smith who played the two old ladies in the Brewster family. The other Brewsters were played by Lee Howell, Steve Pierce and Steve Gensterblum. The four officers were played by Joe Mau, Steve Lind, Julie Barnes, and Kelly Pierce. Terri Specker, as Elaine Harper in the play, was falling in love with one of the Brewster brothers.

The cast, according to director Mr. Ron Allen, "really got into the spirit of the play and enjoyed the zany story of the sweet little old ladies and their arsenic-laced tea."

REMINISCING Teddy Brewster, played by Lee Howell, is remembering the good old days.

"HOLD IT," says Officer O'Hara (Joe Mau) as he tries to apprehend the villains.

"FORGIVE ME," Elaine (Terri Specker) apologizes to Mortimer (Steve Pierce) after a disagreement.

SITTING INTENSELY ... Director Ron Allen awaits the opening of the play.

DON'T MOVE ... Jonathon Brewster, played by Steve Gensterblum, lies on the stage after being hit.

HELD UP ... Jonathon Brewster holds up Officer Klien, played by Julie Barnes and Officer Brophy, Kelly Pierce.

CHUG-A-LUG ... Dr. Einstein, played by Jim Parker, has a drink.

“OUR TOWN”

More than 250 people attended this year's spring play, "Our Town". There was a large cast with many members who were making their debut. This was also the first attempt to produce a play with numerous sound effects. The play had to actually work around the sound.

The play went well, with one funny moment. Emily, played by April Reid, had entered the stage from the audience wearing a wedding dress and she tripped on the stairs.

"Our Town" owes its success to veteran director Ron Allen.

Lee Howell stated, "It was real hard at first for everyone to get the pantomining down; but Mr. Allen used his expertise and made the play a SUCCESS!"

FINE ARTS ALIVE IN HOLT COMMUNITY

"The event was the best in the past several years," said coordinator Assistant Principal David Messner. The community attendance and participation was outstanding.

Starting off the day was a popular death mask demonstration by junior high art teacher Mr. Doug Mumby. Viewers also watched other demonstrations and art exhibitions by school and community members.

The talent show was a success with eighteen groups performing. Included were elementary students dancing to "Thriller", instrumental numbers by the Sherman family and a trio by State Representative Debbie Stabenow and her two children.

The Annual Fine Arts Day ended with Mr. Larry Burgess and Principal Paul Jolly "gurgling" on stage to the "Waltz of the Waters".

INTENTLY OBSERVING ... A spectator looks on as former Holt graduate Tom Sherman demonstrates the art of fly-tying.

RELAX death masks came to life as Mr. Mumby demonstrates the art on his son Chris.

FIRST DEBUT by the Stabenow family was full of unexpected surprises.

RETURNING FOR A SECOND YEAR, Harley and Julane McNatt sing "Bluebird".

"I'M ALMOST OVER YOU", sings Melanie Brink, a 1981 alumna of Holt.

"THINKING OF SOMETHING TO SAY, Laurey (Amy Wilcox) talks mean to Curly (Jim Pence).

OPENING THE SHOW ... Curly (Jim Pence) sings "Oh What A Beautiful Mornin'".

"OKLAHOMA"

A first time presentation for the Holt High School Choir. "Oklahoma" was presented by the choir under the direction of Mr. Ron Allen on April 27, 28 and May 4, 5. After months of hard work the choir's efforts to present a scintillating show paid off. Senior, Terri Specker said, "I enjoyed the musical presentation. We put a lot of hard work into it and it was worth it."

The main cast members were played by Jim Pence (Curly), Amy Wilcox (Laurey), Beth Austin and Shelly Roberts (Aunt Eller), Jim Parks (Will), Tammy Poma and Lynnette Lay (Ado Anne), Kevin Herrick (Jud), Joe Mau (Peddler), Terry Tatro (Carnes), Jim Tellner (Cord) and Carol Dembroske (Gertie). Many more were portrayed as territory folks. The total cast contained 34 dedicated performers.

INSPECTING HIS GUN ... Jud (Kevin Herrick) thinks he may have to use it.

DREAM BALLET GIRLS await the arrival of the groom.

THE END a happily married couple Curly (Jim Pence) and Laurey (Amy Wilcox).

TROPICAL SUNSET

As the sun was setting on the Harley Hotel, Saturday June 2, Holt High School students and their dates arrived at the Junior/Senior Prom. The "tropical air" filled everyone with excitement and enthusiasm. A lot of students started the evening out with family and friends taking pictures left and right. Then off to a nice fancy dinner. The next main event was dancing at the Prom. Oversold by a hundred tickets, students danced in an overcrowded ballroom. Some danced next to their tables so their seats would not be taken. For the first time ever a DJ, Floyd Little of WFMK, spun records. Those students who got into soul music were pleased, but some dancers would have preferred more slow songs. Then by 1 a.m. most everyone left and went off on their own. The evening still continued on . . .

Tropical Sunset

FULL HOUSE . . . the Harley Hotel was a perfect, but "small," Prom setting.

WATCH OUT! strutting their stuff are Pat Whitford and Scott Ammon.

LETTING GO! Even in formal attire; Holt students don't hold back.

LET'S DANCE DJ Floyd Little and his partner entertain everyone with their music from WFMK.

SLOW TIMES are romantic times.

PUNCH ANYONE Tonya Colby and Mary Foldi enjoy themselves as sophomore ushers.

SMUGNESS is being a senior.

IN APPRECIATION . . . proud parents serve their children.

FOOD FINALE

"Friends are friends forever if the Lord's the lord of them. And a friend will not say never though the welcome will not end," was the continuation of the Baccalaureate theme.

The senior breakfast marked the final gathering of the class of 1984. The morning was filled with food, fun and friends. A scrambled egg, sausage and hot roll breakfast was served by the parents of the seniors. Commencement practice followed the breakfast as many anticipated the night ahead.

ALWAYS EATING . . . finding food is no problem for this group.

HAPPY AT LAST . . . they are enjoying the meal and eager for graduation.

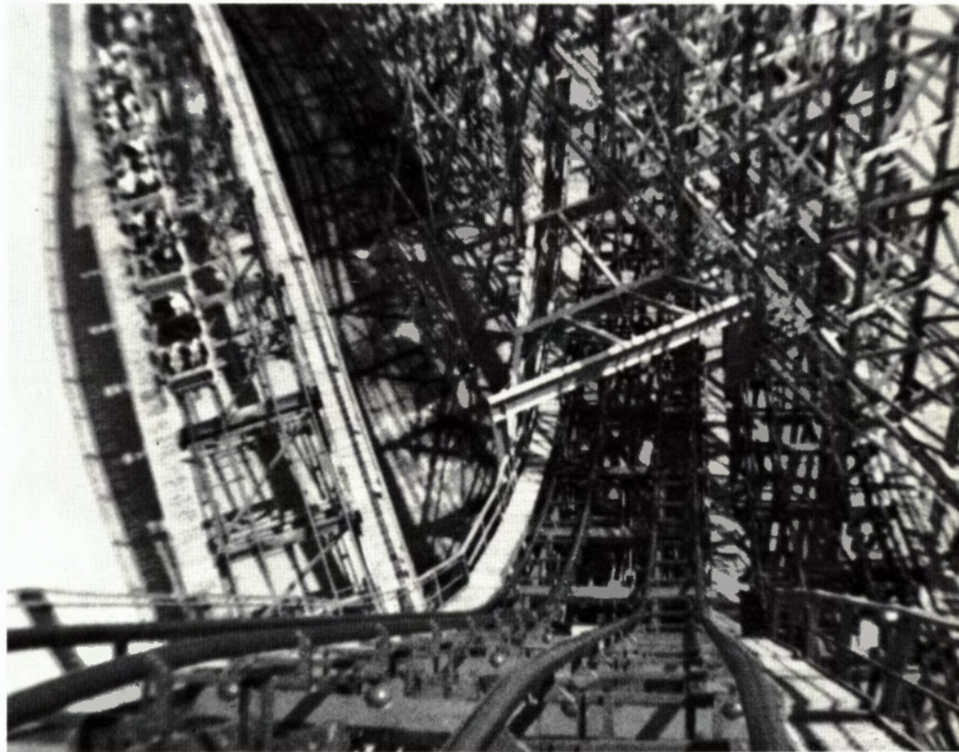

CLOWNING AROUND on the senior trip are Chris Sible and Anna Verstraaten.

WELL CHAPERONED! Class advisers Mrs. Kast, Mrs. Beauchine and Mr. Lehman enjoy a day outside the classroom.

CEDAR POINT

On June 4th at 7:30 a.m. the Class of '84 boarded the buses and were off to Cedar Point for a fun filled, adventurous day. It was bright, sunny and 90 degrees. No one could have picked a better day for a senior trip. The White Water Landing provided refreshing relief throughout the day for the rowdy group. Everyone agreed the long lines for the terrifying and exciting rides such as Demon Drop and Gemini were well worth the wait. Around 8 p.m. the exhilarated, but tired, seniors headed back to the buses. The ride home was a nice ending to an unforgettable day.

AHHHH! The Gemini keeps everyone screaming for more.

TWO OF A KIND showing off their caricatures are Veronica Hope and Jim Pence.

WE MADE IT! Ann Wilson and Annalie Verstraaten embrace after commencement exercises.

SENIOR STANDOUTS: ASHHS president Craig Reynolds, Ramsinger and Choir member Dumond Alexander and class president Veronica Hope speak on the past, present and future of the Class of 1984.

FINAL TIMES

The final events were here at last. Baccalaureate services were held on Sunday, June 3, for the Class of 1984. Many seniors and their parents attended. The special music and a portion of the service was performed by members of the Senior Class. The Reverend Paul Moore of Holt Church of the Nazarene spoke on "Limitations."

For one last time the graduating class gathered together. Anticipation of commencement was the only thing on the seniors' minds. Craig Reynolds, Dumond Alexander and Veronica Hope spoke on behalf of the Senior Class. Dr. Robert Foy and Principal Paul Jolly presented the diplomas while cameras flashed from every angle. Many showed great joy as they tossed their hats at the end of the program. Good-byes were hard and many tears were shed.

ANTICIPATION . . . The girls in gold prepare for graduation.

EXCITEMENT! The joyful Class of 1984.

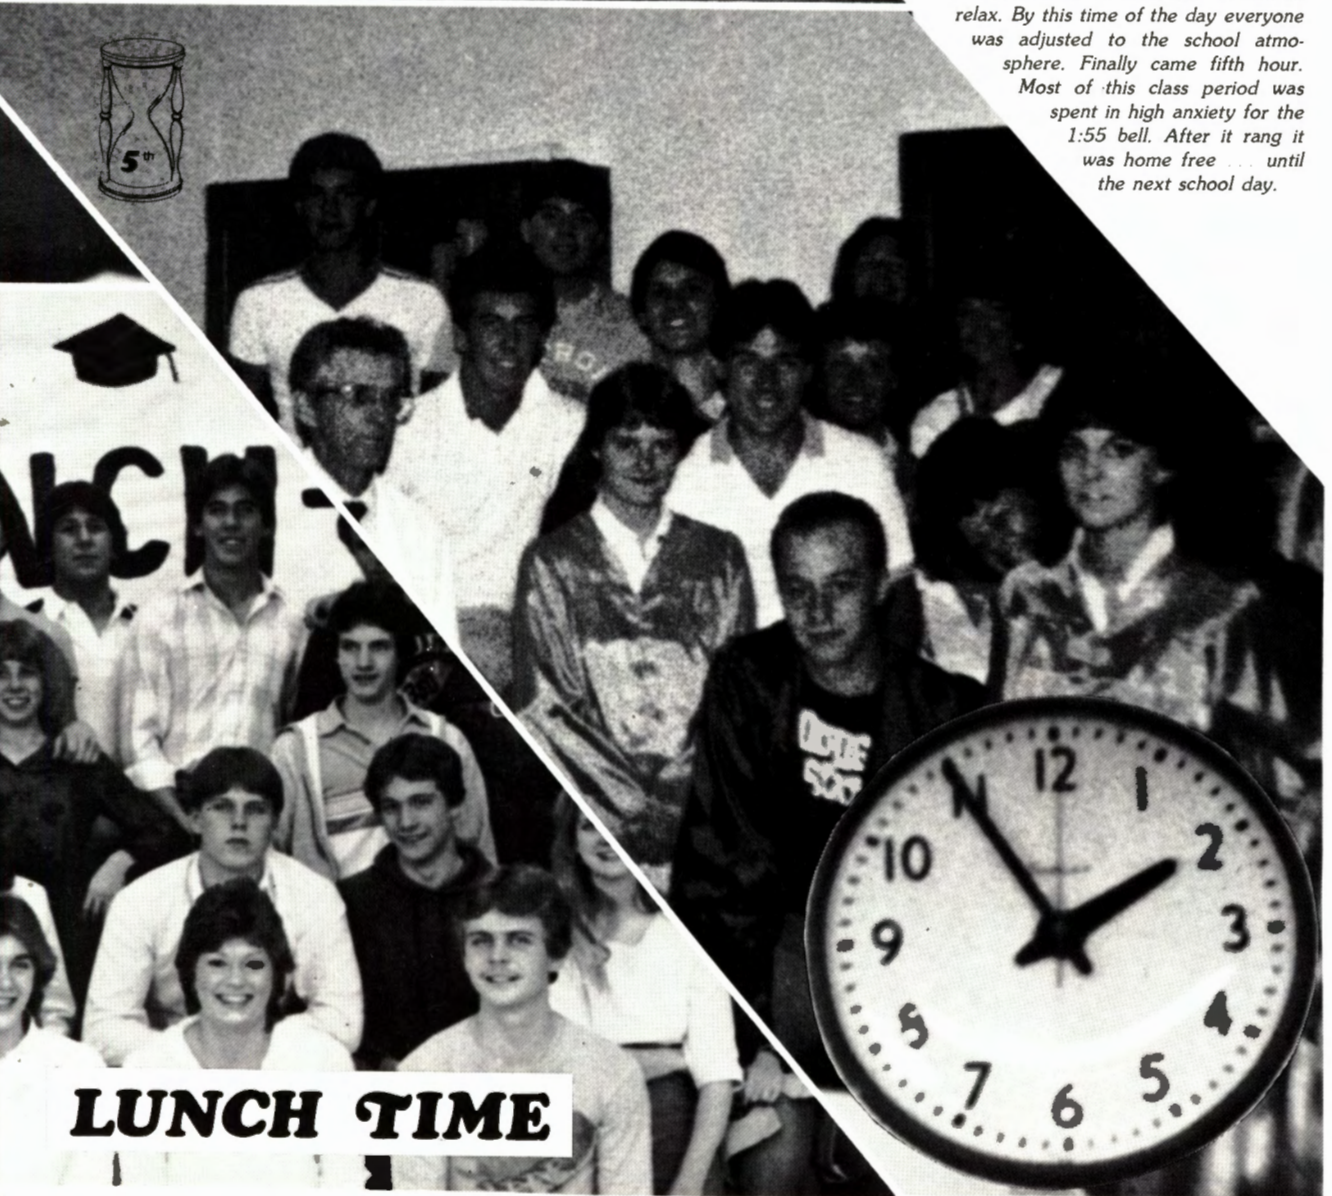

PROUD FACES . . . The boys in brown are happy about receiving their diplomas.

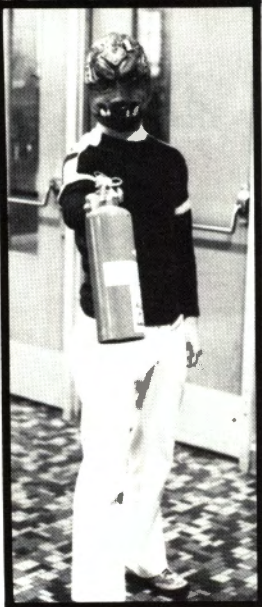

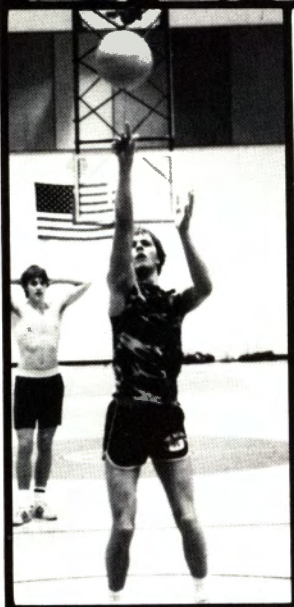

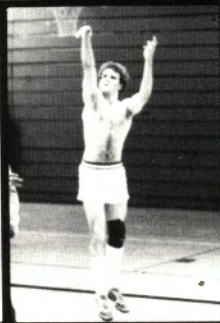

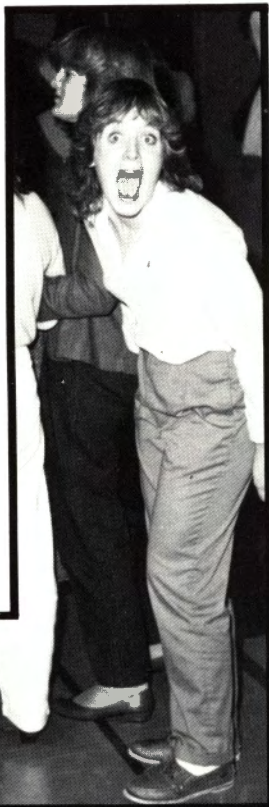

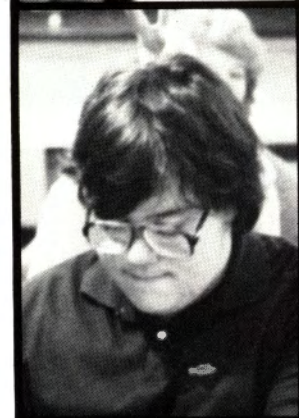

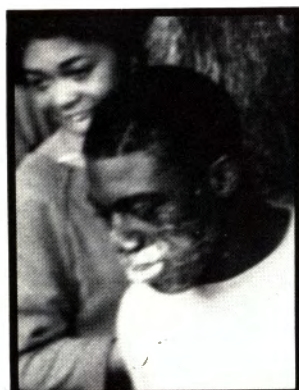

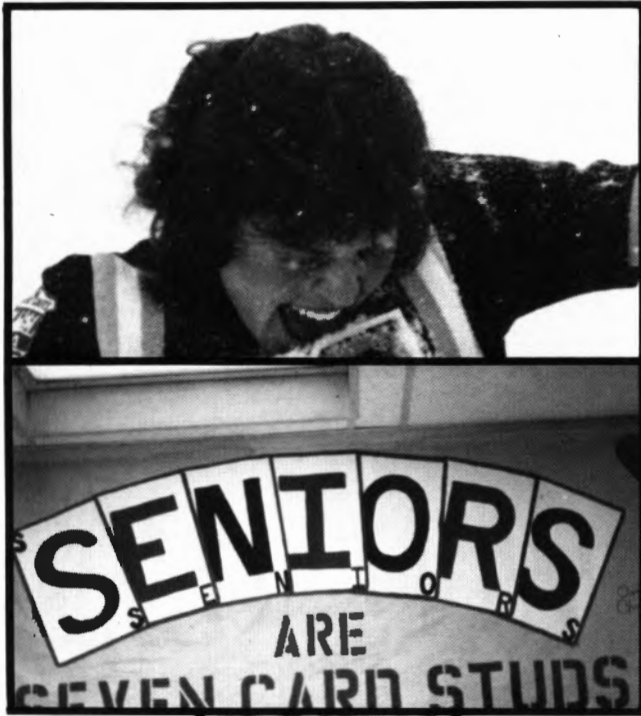

LIKE SAND IN THE HOURGLASS, SO GOES A DAY AT HOLT HIGH . . .

The day was shorter; the classes were longer. This was all due to the 1983-84 five-hour day. During first hour not much was acknowledged due to the fact that no one was awake. By second hour the majority of the student body was well awake and were usually buried in their work. When third hour rolled around everyone was ready and waiting for the deserving lunchbreak. Lunch-time was a big attraction of the day for most everyone. Since it was an open campus many students took the advantage and went out for lunch. However, leaving was a problem for the sophomores, not all had transportation. Many chose to stay on school grounds regardless if they could drive or not. Fourth hour for most was the time to relax. By this time of the day everyone was adjusted to the school atmosphere. Finally came fifth hour. Most of this class period was spent in high anxiety for the 1:55 bell. After it rang it was home free . . . until the next school day.

LUNCH TIME

KICK BACK, TAKE IT EASY, AND HAVE FUN

When it came to using leisure time, Holt students didn't hold back. They did it all, from lounging in the hall to stuffing their faces at Little Caesar's. The students danced until they dropped at the dance-a-thon and they all slept well after getting rowdy with homecoming activities. Cramming until three in the morning and then sleeping during the big test was standard procedure for many students. Everyone tried to forget the bad times; no one could forget the good times... and the leisure times were the best times for having **REAL FUN!**
