# Moments

Before you start flipping through these pages, take a minute and think about the *moments* you've had while being a student at Okemos High School this year. Although a lot of the year didn't go as we all planned, the special *moments* that you were able to experience may turn into some of your most favorite memories. This year has taught each and every one of us that every little *moment* in our lives is important and should be cherished. The *moments* you take with you from your time here will be ones that you won't experience again, ones that not everyone gets to experience, and ones that will stay with you forever. Congratulations for finishing such an unpredictable year with a great attitude. You should all be very proud of yourselves. We hope you enjoy and cherish the *moments* we captured.

## WHAT IS YOUR FAVORITE MEMORY OVER THE YEARS?

For several years, back in the 1990's, on the day before Thanksgiving, I would invite all of the AP Biology alumni to return to OHS for a big turkey dinner celebration. Everyone would bring a dish to pass and I'd cook the turkey for us all to enjoy. Over 100 students would attend. We'd all gather around lab stations in my classroom reminiscing about the past and sharing future endeavors.

## ONE PIECE OF ADVICE FOR OHS STUDENTS?

Life is a marathon, not a sprint.

Slow down and enjoy the moment.

DIANE DOCKUS 2001-2021

## WHAT IS YOUR FAVORITE MEMORY OVER THE YEARS?

Mrs. Rozeboom racing down the hallway on my scooter I had because I broke my foot and then crashing. Neither she nor the scooter were harmed.

## ONE PIECE OF ADVICE FOR OHS STUDENTS?

Get outside and enjoy the lovely day!

## WHAT IS YOUR FAVORITE MEMORY OVER THE YEARS?

The students at OHS are the best! Probably some of my favorite days were working next to students during the senior project--those days where we gave back to the community were so worthwhile. Also, enjoying laughter (while learning:-) in the classroom was always a highlight of my day.

## ONE PIECE OF ADVICE FOR OHS STUDENTS?

Life is full of good times, tough times, and everything in between. Learn from the hard times, be grateful in the good times and know that there are people willing to walk with you through both--find those people :-)

SANDY FIELDS 2005-2021

## WHAT IS YOUR FAVORITE MEMORY OVER THE YEARS?

I have held annual author talks from Jack Prelutsky to a virtual assembly with Kwame Alexander and Nikki Grimes. Two assemblies stand out in my mind. In 2020 our four OHS published authors talked about their writing journeys: Mrs. Huntley, Mrs. Skoutelas, Ms. Geyer, and Mrs. Reed. In 2017 OHS graduate, Katie Slivensky promoted her science series. (I was Katie's Teacher Librarian at Hiawatha Elementary School.)

## ONE PIECE OF ADVICE FOR OHS STUDENTS?

Read!

## WHAT IS YOUR FAVORITE MEMORY OVER THE YEARS?

One of my favorite memories was beating Detroit M.L. King in the 2002 State Semi-Final girl's basketball game, 43-39. Okemos was the underdog as Detroit MLK was ranked #1 in the State as well as nationally ranked. I was so proud of the grit and teamwork of our girls. There was a 'no fear in our eyes' mentality!

## ONE PIECE OF ADVICE FOR OHS STUDENTS?

Carpe diem (seize the day)!

He went to get the limo and there was a huge line. He waited and ended up renting the last one. After, he went to the flower shop, and huge line again. He waited and got the last flowers available. Now he's at prom, and his date wants punch. He walks to get punch, and you guessed it. There is no punchline.

## THE LAST HURRAH

June sixth was a very happy and surreal day for the Class of 2021. This class has been through numerous obstacles and they have dealt with a lot this past year. We hope these seniors go on to do great things. It's exciting that we were able to have an actual ceremony. It was like we were able to take back something that was not guaranteed for so long," said **Ashleigh Weiszbrod** (12). (Picture by **Lily Renfrew**)

"Me no want to!"

...was your first spoken sentence, so we knew you wouldn't be a lemming this year, with that unexpected cliff of deep loss. You held your course, as the garden became weeded around the zucchini your dad used to tend. He planted them near to each other to thrive, like you will, even apart, if you remember

. . .there once was a garden.

Close while apart,  
Pap & Gam

### Sydney Bull

Sydney,

I am really going to miss hearing you and Kate arguing when you're gone....Not! Jack will definitely miss your "hugs" and being your "friend". Make sure you make awesome memories in college. Oh, and don't take life so seriously, you'll never get out of it alive!

Love you,  
Mom

# RICHARD SUHRHEINRICH

Richard,

We are incredibly proud of how hard you have worked, adapted and succeeded! Congratulations on earning your diploma! Your love of baseball, golf, bowling, filming elevators and airports will get you far. Many can learn from your positive attitude and contagious smile. Never stop dreaming your dreams and as Babe Ruth said, "Never let the fear of striking out keep you from playing the game."

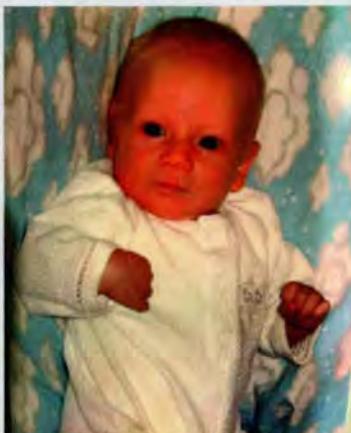

Love, Mom, Dad, Maddie and Lily, too!

## Liam McAuliffe

Congratulations Liam! You've grown into an incredible young man that we are so proud of. You are bright and talented and we can't wait to see what the future holds for you. We love you and will support you all the way!

Love,  
Mom, Dad, Michael & Kevin

## Bella Rogers

Bella,

It has been our joy to watch you take on the world. You have amazed us with your ability to balance school and all star cheer as an athlete and coach. We can't wait to see you compete at Summit in Disney. You have worked so hard for this moment.

You are kind, fun, and always elevate those around you. People look up to you because you have the heart of a leader. We are so excited to see where you go from here. Good luck at Michigan State!

Love,  
Mom, Dad, Zavier, & Luci

## Andrew Mondragon

Andrew,

You knew Mom couldn't miss this opportunity to tell you how amazing you are! From the time you were born there was something special about you. Even as a little toddler you were so kind, gentle, encouraging, and protective of other kids. As thoughtful as you are, you're also extremely driven, determined, and a natural leader. I'm so excited for you to begin this next chapter of your life and can't wait to see what you do with it!

Reach for the stars, buddy!

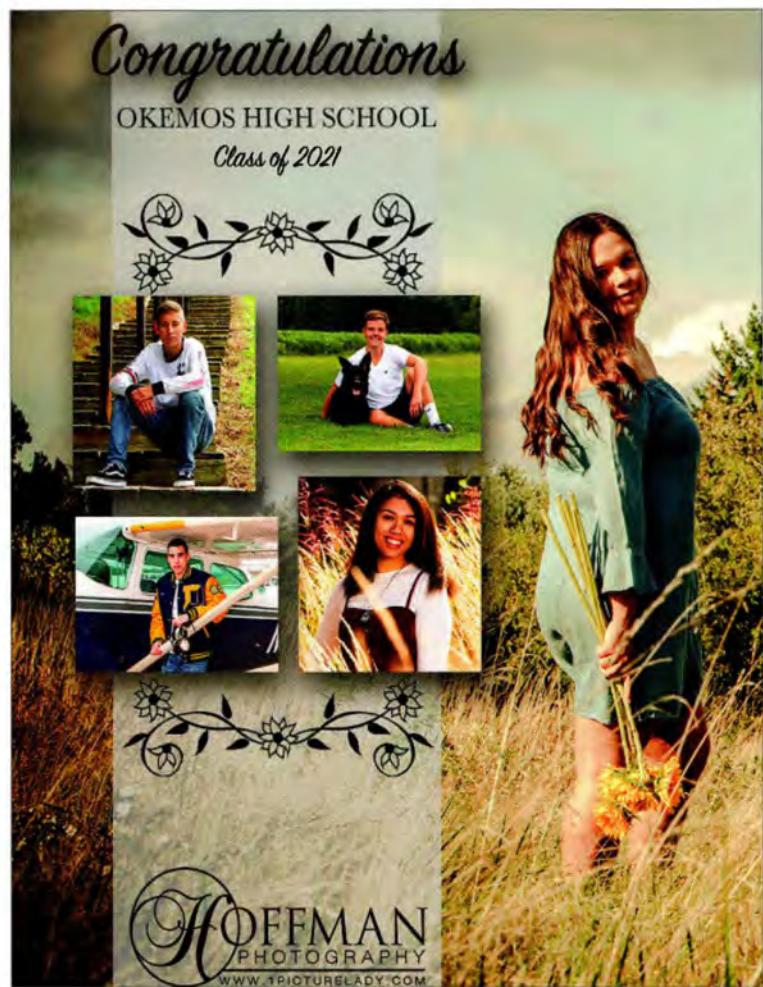

Love,  
Mom

## Myles Behar

Congratulations, Myles! We are so proud, not just for what you have earned at IU, but of who you have chosen to be. You didn't have it easy from the start, but you worked honestly. When the world grew crazy, you stayed focused. You had your struggles like the rest of us, but you chose to work. Oh, the places you'll go! And we will be there every step of the way. Love, Dad and Mom

### TO THE STAFF:

We did it!! We managed to create an amazing 250 page yearbook in the midst of a Global Pandemic. I am so proud of each and every one of you for staying determined during this CRAZY year and for never giving up when I would text you 25 times in one night to get something done. You all have something so special about the way you work and your creativity is unmatched. I'm so grateful and feel so honored that I was able to be your Editor in Chief this year, I miss you all so much already!!

### MRS. HARROD:

### TO THE STAFF:

A year like no other once again, but we made it! We all pushed through even when it was close to impossible. When it was tough you tried harder, when it was overwhelming you leaned on each other. Together we made a beautiful book of moments to look back on. I thank you all for your dedication to this team and to this book. You are all appreciated and I hope you can look back on all of the change this year gave us and know that no journey is too tough to get through.

### TO THE SENIORS:

You are all special in your own way. You bring new ideas, new perspectives and a new way of thinking to the table. You challenge others in new ways and genuinely try and make this world a better place for everyone. You are a remarkable group of individuals that I feel fortunate to know. Follow your dreams and don't let anything or anyone get in your way. You have a ton to offer and I can't wait to see you shine! Best of luck on your next journey! You will be very missed!

### TO LINDSAY, JESSI, AVA R & AVA P:

Thank you to each of you for your three year dedication to this class and to me. You have spent so many hours making moments and memories people will hold on to for the rest of their lives. I will be forever grateful for your positive energy and good spirits. My classroom won't seem complete without you! I couldn't be more grateful for the bond and memories we have made over the years. You will be forever cherished and remembered! I am always here for you! Love you bunches!

### BEAUTIFUL AVA:

You have been beyond determined and have put so much time into this beautiful book. Thank you for all of the time and effort you have given me and this class over the past three years. You keep me on my toes and can always make my day brighter! It is hard to find someone with as much OCD as me, but I think you come pretty darn close. I am not sure what I will do without you! Remember to be creative and let others see you the way all those who love you do. You are so special! Wishing you the best always!
