

FIFTY-SECOND YEAR

Carnival Draws Huge Crowd Saturday Nite

Another successful carnival week has come and gone, and although it was not financially as successful as last year it was still very good. Tuesday and Friday nights drew fairly good crowds. Wednesday night was rained out, but Saturday night was the pay-off. The place was mobbed. You couldn't park a car inside the village limits. Clyde Faber, janitor at the Stockbridge School, got the new Chevrolet. They sat up till 3:00 that night (just couldn't sleep) and at 5 the next morning were on their way. The Legion cleared \$1,021 on their carnival, and the Legionettes over \$300 on their refreshment stand. Having the carnival on the Veterans Memorial Field turned out to be very satisfactory, giving them more room than formerly. The Legion voted Monday night to have the Down River Amusement Company again next year. The Legion and Legionettes voted to contribute \$400 toward the Veteran's Memorial Field Fund. Next Tuesday will be "work night" at the Legion Hall starting at 7:00. Mackinder Glenn Post wishes to thank everyone who contributed and rendered services for the carnival. The Legionettes also wish to thank those who so generously offered their services, especially Topping's Dairy for donating orangeade, chocolate milk and coffee cream.

Parents Urged to be Present To Select Pose for Publication

Information has been received from the photographic studios who recently took pictures of many local children for publication in the Brief Sun, that the proofs are ready and will be on hand for selection by the parents at Town Hall Tuesday Aug. 1st from 1 P.M. to 5 P.M. While the studio assures us every effort has been made to notify parents by mail, the Brief Sun is especially anxious for everyone concerned to be made aware of the day, so all will be on hand to express their preference of the pose to be used for publication or, as the case may be, the one they wish made into personal pictures.

New State Home Demonstration Agent

Mrs. Leona MacLeod

Michigan's home demonstration program, with its membership of more than 40,000 homemakers, will be headed by a new state home demonstration leader, effective Sept. 1. Mrs. Leona MacLeod has been appointed to the Michigan State College Cooperative Extension Service post by the State Board of Agriculture. Mrs. MacLeod will transfer from her present position as assistant professor of textiles, clothing and related arts in the School of Home Economics to fill the vacancy created by the previous resignation of Rachel Markwell. Since her first appointment at MSC in 1934, Mrs. MacLeod has worked with the home demonstration program for 11 years. She was Oakland county home demonstration agent for four years and extension clothing specialist for seven years. In 1945 she transferred to her present position. Previous to her MSC career she had taught in the Montclair high school for two years, had been a buyer in large department stores in Grand Rapids and Detroit for two years, and had been assistant personnel manager at the J. L. Hudson company, Detroit.

STOCKBRIDGE NEWCOMER

C. J. Smith It seems that when new people come to town they usually find the local printer and sign painter first. Dr. Porzolt tells me that he likes the looks of our town very much and decided this was "the place" and with our other two doctors overworked, we believe it is "the place". Dr. Porzolt formerly lived in a small town known as Rock Creek, a town of about 500 population in Ohio. He graduated from the Kansas City College in 1948 and was an interne in the Flint Osteopathic Hospital in 1949. Although he is an Osteopath, he has a general practice as he is also a physician and surgeon. He recently purchased the Bob Rose house corner of 15th and Center Street. He has his office at his residence, across the corner from the hospital. He opened his office for business July 15, is married and has two little boys. Dr. Porzolt is a veteran of World War II.

Fowlerville Fair Aug. 2nd-6th

Deviating from past years when the fair ended on Saturday night, this year's fair will remain open on Sunday, with only the livestock being moved out on Saturday night. The special program on Sunday will be a nationally known thrill show, staged by "Lucky" Lott's Hell Drivers. They will give a performance at 2 o'clock and another in the evening at 8 o'clock. Barnes & Caruthers were again retained this year to stage the night show and, also, to present the platform acts during each afternoon. Their show was so entertaining and made such a big hit with the patrons that they were hired again this year. The popular WLS National Barn Dance Show will be presented Wednesday evening, with the sensational star Patsy Montana, as one of the featured acts. This show will be presented Wednesday night only. With the resurfaced track to race on last year, the trotters and pacers gave fair goers a real thrill with their showing of speed. This year the track will be faster than ever because it is better-packed and smoother, so there is no question about the quality of races to be witnessed. There will also be three baseball games, with the teams to be announced next week. The midway will again be operated

Sen. Harry F. Hittle Candidate For Re-Election

Sen. Hittle has announced his candidacy for re-nomination on the Republican ticket for the 14th district state senatorial seat.

Sen. Hittle, who lives at 263 Durand St., East Lansing, is a veteran member of the senate, having represented the 14th district, comprised of Ingham and Livingston counties, since 1945 and is also a member of the senate committee on interstate cooperation and liquor.

It was Sen. Hittle who sponsored the bill limiting interest rates on automobile financing which was passed during the current legislative session after being defeated in the house during the 1949 regular session. This measure will save car buyers thousands of dollars in finance charges, has been termed one of the most important pieces of legislation benefitting the average Michigan citizen to be passed in recent years. Born in South Bend, Ind., Mich., July 19, 1886, Sen. Hittle received his education at Ferris Institute, University of Chattanooga and the Detroit College of Law. He has served as prosecuting attorney for both Manistee and Ingham counties.

Highlights

Marguerite Sibley

The carnival has come and gone. When a really clean organization of that kind comes to a small town and you go home tired but happy with a clean taste in your mouth, that is something of a highlight. I have yet to hear someone say they weren't glad the car went where it did.

THE EGG AND YOU

The role of the egg in the adequate diet is impressive. One egg, may be remind you, adds: 2.5 per cent of the calories needed for the day; 9 per cent of the protein needed to help offset the wear and tear on the muscles; 3.7 per cent of the daily calcium needs to help preserve teeth and bones; 10 per cent of the phosphorus for help in normal body functioning. It also contributes 8.3 per cent of the iron to give the blood stream new red corpuscles; 6.2 per cent of the thiamine needed for energy fuel; 9.5 per cent of the riboflavin for help with digestion; and 12.5 per cent of the Vitamin D to make up for lack of sunshine and to help prevent tooth decay.

Washington—The starling is not a complete no-good as birds go. So says the Smithsonian institution which has been looking into the situation. It said:

"Everywhere the starling has gone, especially in cities it is regarded as a nuisance because of its objectionable flocking and roosting habits. It is in some respects a highly beneficial species."

Good points: It eats weevils which destroy grass and forage crops, Japanese beetles, potato beetles and caterpillars.

They also enjoy the Sibley's peas. But according to the old adage, there is some good in everyone.

Ogdensburg, N. Y.—A mongrel dog stood beside Jimmy White's hospital bed and received an American Humane society medal for bringing aid to the injured boy.

"Tippie", mixture of chow and collie, is credited with saving the life of 16-year-old Jimmy.

The boy and dog were playing together last winter when Jimmy fell and fractured his hip. The temperature was below zero.

"Tippie" ran to a nearby house and pawed and whined at the door. Then a physician, who lived there, followed the dog to the injured boy.

The boy has undergone two operations. Harper Kingston, who used to be "Tippie's" master, gave the dog to Jimmy after the accident.

The average person walks nearly eight miles a day; letter carriers 22 miles; policemen 34 miles.

Washington—The Agriculture department has reported that the 1949 cotton crop totaled 16,127,000 bales, the fourth largest in history. The department estimated the combined value of the lint and seed at \$2,549,741,000. That is about 4 per cent below the total value of the 1948 crop.

Farm prices of both cotton and cottonseed were propped under the government's price support programs.

At least report, the government had almost \$1,000,000,000 tied up in these commodities under price support.

Win Over Williamston In 6th Inning Rally

Stockbridge won over Williamston Sunday night with 7 runs, 8 hits, against Williamston's 2 runs, 2 hits. Stockbridge started off with a 2 run lead in their half of the first inning when with 2 men out Asquith walked and Moeckel hit a homer to center field.

It was a close game until the sixth when Stockbridge came thru with a five run rally which put the game pretty much on ice. Williamston picked up their two runs in the 7th.

The game proved rather exciting for the fans on account of plenty of arguments between the players and umpires.

Batteries for Williamston, Brandenburg and Stevens, and for Stockbridge, Campbell and Kaufmann.

Stockbridge plays a night game at Fowlerville Saturday July 29, and an afternoon game at Jackson, July 30, with Leake's Lounge.

Let's Write To Stalin!

By Gene Allman

This suggestion is made by Carl M. Saunders, editor of the Jackson Citizen Patriot who won the Pulitzer prize for the most outstanding newspaper editorial in 1949. We quote:

All over America Communists and glib stoges are circulating "peace petitions."

The petitions are phony because they assume to ask for outlawing the atomic bomb, although it is Russia which has blocked efforts of the United Nations to set up an honest program for control of atomic weapons. They are phony also because they pretend to have the backing of the United Nations and Trygve Lie, secretary, in addition both the UN and Mr. Lie have condemned the North Korean invasion of South Korea.

A few people actuated only by the dread of war and an honest desire for peace have signed these petitions.

That's where the Red propaganda scores. Why not offset that score? We Americans believe in peace. We didn't want to go into Korea. In fact, we got out once.

We are fighting today under direction of the United Nations and under the flag of that world-wide organization. Why not say so? Why not tell the chief of all the Russians that we're for peace and ask him to cooperate?

Let's write to Joseph Stalin, premier of the Union of Socialist Soviet Republics, telling him that we're for peace and asking him to cut out the dirty work and join up.

Isn't that a good idea. Each of us write a postcard to "Premier Joseph Stalin, care of Russian Embassy, Washington, D. C." On that postcard we could say something like this:

"Dear Mr. Premier: Communists in this country say you want peace. So do we—really! Peace petitions don't fool us. The way to peace is to call your Red friends out of South Korea and quit bullying small non-Communist nations. We'll get out of South Korea as soon as your gang does.

"Also we'll outlaw the atom bomb if you'll permit constant surveillance of all laboratories and factories which might produce the bomb.

"Don't let your agents mislead you. We lambaste President Truman on home affairs; but so far as Korea or any other threat from outside the US, we're back of the President all the way. Sincerely,

Probably you can write a better postcard note than that. You can say that you don't want your boy or your neighbor's boy to have to fight; but you want Stalin to know that they will fight if needed and if they do it's really peace they're fighting for.

But anyway, let's write to Joe. Let's get it off our chests.

Buy your postcard and send it a-long, and urge others in your family to do the same. A postcard costs only one cent.

This may sound silly; but it isn't. We know that Russia gets a great lot of misleading information from its agents in this country just as Hitler did, who thought we wouldn't fight. We know also that the Russian embassy reports to Moscow even little things which show trends.

It's just possible that, if the postcard shower spreads, Russia might decide reports of disunity in America aren't true. Let's do it! Write a postcard to Joe Stalin!

Six Steps to a better vacation in your Buick

1. Over-all LUBRICARE lubrication—including inspection of your Buick from radiator to rear end.
2. Removal of one front wheel, inspection of brake lining and wheel bearing.
3. Inspection of tires, plus cross-switching of wheels to save you money on wear and mileage.
4. Headlight aim corrected.
5. Stop lights and other warning lights checked.
6. Engine tune-up—for snappier performance and increased mileage economy.

Phone this week, for prices and an appointment—before the rush!

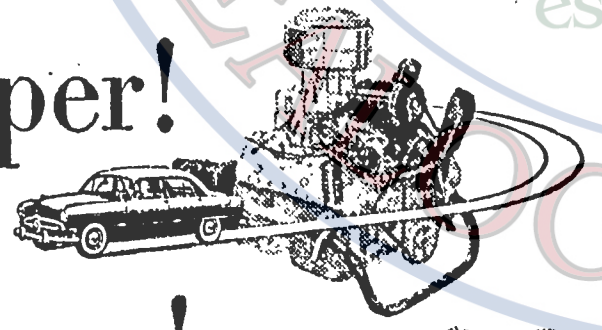

Put your Buick in Buick hands

SEE YOUR NEAREST BUICK DEALER

What a stepper!

V-8 or "Six" she steps out like no other low-priced car. Yet you can own a V-8 for hundreds less than most "Sixes"—a Ford "Six" for even less.

What a stopper!

Ford's 35% easier-acting King-Size Brakes use car momentum to help you stop. Like Ford's extra-rugged "Lifeguard" Body, they give you the kind of protection you'd expect only of costliest cars. And for added safety and comfort, there's the low and level "Mid-Ship" Ride—you're cradled between the wheels.

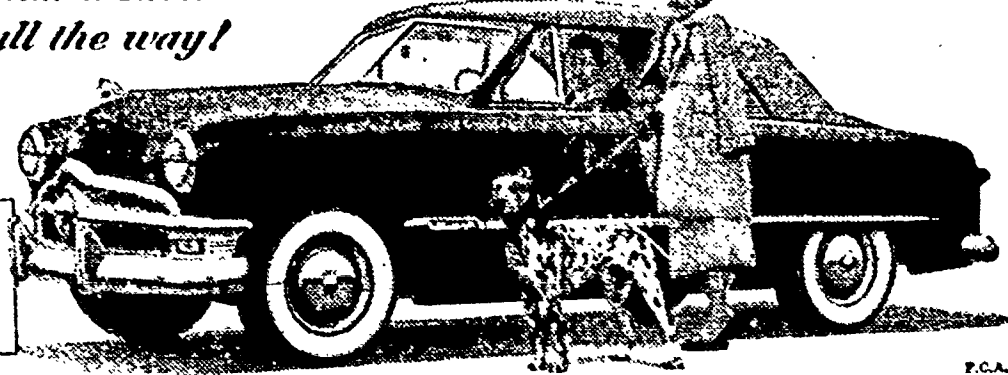

What a looker!

Ford's "Fashion Car of the Year." And Ford's stay good looking with baked-on finish "made to live outdoors." That means high resale value which, with Ford's low running costs, spells real savings.

And what a saver—
all the way!
