Facebook!

Students graduating this year have more requirements than ever before. The class of 2011 must complete 4 years of English and Math, and three years of science and social studies in order to graduate. Due to the overwhelming academic requirements, it became difficult to include classes, like "publications", in student schedules. This led to the creation of the "Yearbook Club." In order to fill the 100+ pages, the "YBC" relied heavily on the social network Facebook. Facebook has exploded since its launch in 2004.

There are 600 million registered users, including many Leslie High School students. Users share photos, videos, thoughts, feelings and conversations. The integral nature of Facebook made it an easy choice for the theme of this year's Yearbook. This yearbook is truly a product of the entire student body. Many pictures were given to the yearbook staff through the "tagging" process and ideas were offered through comments and messages by students. The yearbook staff would like to tell you, "Enjoy YOUR Book of Faces"

This year was definitely the best year in high school I've had! This year was demanding academically. Even though some classes were harder than others, I can't complain with how much I have matured and the responsibility I have gained. My friendships have grown stronger than ever. This year is a year I will never forget!

Jenna Piper

This year was great!

My second year of high school is finished. Had a blast with all the new friends I made, and don't care about the ones I lost. True friends stay with you through everything. Love you all!

With the theme of "80's Rock Bands" what could be expected except for rocking good time? The week started with "Cowboy /Camo" day. On Tuesday, students dressed as their favorite super hero. Costumes ranged from the Joker, to Powerpuff girls, to Leslie High School original heroes. "Wacky Wednesday" brought even more creative costumes. Thursday was class color day. School spirit filled the halls on Friday with the annual "Black and Orange Day."

The float competition was more musical than ever this year. Freshman chose Queen's "We Will Rock You." Sophomores rocked with the Guns N Roses hit "Welcome to the Jungle." The juniors shocked in full Kiss makeup performing "I Want to Rock and Roll All Night", while the seniors own Brian Western entertained with some ACDC songs. All of the floats were impressive, but in the end, the Juniors reigned supreme. Sophomores took second place, with freshman in third and seniors taking last.

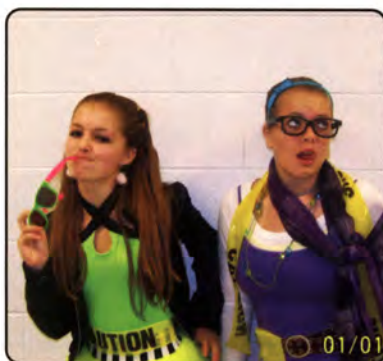

The beautiful weather coupled with a winning team encouraged a great turnout at the game. An end zone student section was added this year to allow students a front seat to the action. Once the game started, a few students lead the student section in cheers. The Leslie Blackhawks pulled out the big "W" and conquered the Albion Wild cats, 61 - 32..

ROOMERS

Dakota Riehl and Shannon Duffey pose for a photo.

In Mrs. Bush's first year as director, Leslie High School performed "Roomers," a one act play. Written by Jerome McDonough, the story follows the inhabitants of a rundown apartment building. The story gets really interesting when 2 visitors arrive,; one for which they must make a squeaky-clean impression, and one that they're trying to scare away with unusual tactics. The problem becomes: which is which?

Honors Night

Honors Convocation is perhaps the most rewarding event for graduates next to the actual turning of the tassel. Seniors in full graduation apparel, take the stage and are recognized for all of their accomplishments.

The night began with a scrumptious banquet honoring the distinguished alumna, Mrs. Wheaton. Several seniors and guests attended. At seven o'clock, the soon to be graduates marched solemnly into the auditorium where the award presentation began. High school staff and honored guests presented the awards to the students who were chosen for each of the scholarships and other awards. Students with a GPA of 3.25 - 3.49 received a silver honors sash. These students are referred to as Outstanding. Honor students are those who have earned a GPA of 3.5 - 4 throughout their entire high school career.

Dakota Riehl accepts an award.

Wrapping Up

The ceremony ended with two highly valued Leslie traditions: the Passing of the spade and the Hawk Mobile. Each year, a sash is added to the spade to represent that graduating class. Then the spade is passed from class president to class president. This year, Meaghan Farley passed the spade to Danielle Isham.

Apart from being inherited by an upcoming senior each year, the Hawk Mobile is also improved. This year, Brandon Kibbey and passed the keys to Andrew Arras and Colt Nevins.

This year, the Leslie Depot Diner got a taste of Hollywood. "Real Steel," a sci-fi drama featuring boxing robots, had a one day shoot in the city of Leslie. The director of the film, Shawn Levy, visited the diner just before the shoot and identified a few locals to play extras in the film. The filming took place in July 2010.

JV

With the outstanding reputation our football program has it's no wonder we had so many young men try out for football this year. To avoid many cuts, the coaches decided to form two separate teams: JV and a Freshman team. Not every school had both teams so our guys had to be flexible at games. Overall, the JV and Freshmen teams combined forces to go 5-0 in conference!

A Great Year for Blackhawk Wrestling

Blackhawk wrestling had one of its most successful years in history this year. A great season was brought to a close by sending 4 wrestlers to the state competition. Heading to states were Brandon Fifield, Chanler Carmer, Zehlin Storr and first year competitor Ryan Armstrong. Brandon Fifield was the most successful, winning his weight class and accepting a scholarship to MSU for wrestling. Ryan Armstrong took 3rd in his class with Chanler Carmer taking 7th in his. A Year of Improving

The golf team was much improved this year. Even though they finished 6th in the league, we lowered our scores throughout the season.

With such a young team, we are looking for good things in the future.

The golf team finished 7th of 12 at districts.

Kyle Neff (shot a 90) and Carson Riehl (shot a 91) each qualified as individuals to go to the regional.

Varsity

One of the rainiest seasons on record!

The season started with a lot of rain and rain outs. Varsity started the season 3-3 and went on to lose 12 games in a row. After that, the Leslie Varsity team bounced back and won 8 of 11 games. This was a bit of a rebuilding year and the team performed as expected. The team goal was to finish at 500. In the end, they managed an overall 11-18 record. In league, they were 4-7 with a 4th place finish.

ALL ABOUT YOU!

The great thing about a yearbook is that it holds all the memories you made in school or doing school related things. The bad thing about a yearbook is that it holds all the memories you made **IN SCHOOL OR DOING SCHOOL RELATED THINGS**. There isn't usually a place in the yearbook to put stuff that you did during the school year, that didn't happen at a school, like someone's birthday party, or your youth group's food drive, or maybe that late night TP-ing trip you made with your besties. So here's your chance! Use double sided tape (not glue, it will wreck the pages) and add the pictures that we couldn't possibly get. And, don't forget to fill in the survey!

Inside each picture box are the dimensions for that picture to help with the cutting. Remember, double sided tape and not **GLUE!**

NEW FACULTY

This year Leslie High School hired many great new teachers. We have gotten to learn who they are, and they got to learn who we are. Here they were asked "What was one of your most memorable moments at Leslie High School?" And this is what they had to say...

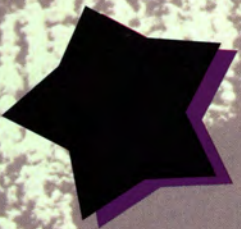

Mrs. Bush ~
"Directing the spring drama play."

Mrs. Montroy ~
"There are so many, I can't choose just one"

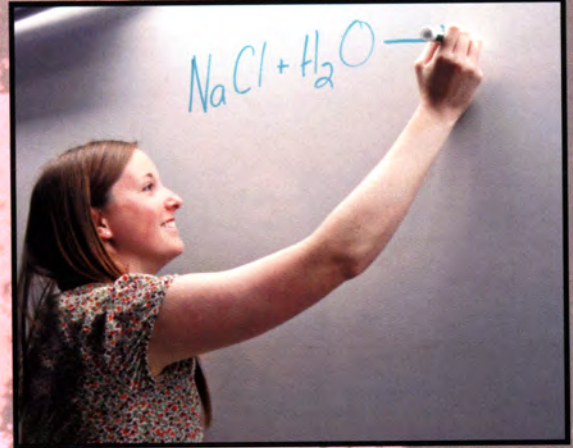

Ms. Hager ~
"An infamous Bill Nye video for physics."

Ms. Mohon ~

"One of my favorite moments was going to the first pep assembly of the year. It was exciting to see the whole school come together and be proud to be Blackhawks!"

Ms. O'Neil ~

"The staff versus student basketball game. It was tiring but a lot of fun."

Mr. Greenwood ~

"The High School Holiday Concert was very memorable. The band played difficult music very well and made me very excited about the progress that the students are making."

Many Band members performed at Solo/Ensemble. They were: Tori Cowan, Abby Orrick, Hailey Willett, Austin Seavolt, Nickole Wixson, Alyssa Zalewski, Amanda Wixson, Lauren Doane, Alexis Sanford-Wilson. Abby, Hailey, Austin and Nickole received I's. Tori, Alyssa, Amanda, Lauren and Alexis received II's.

There were many great songs hat were played. the soloists did an amazing job as well.
