Glee Club Concert '70'

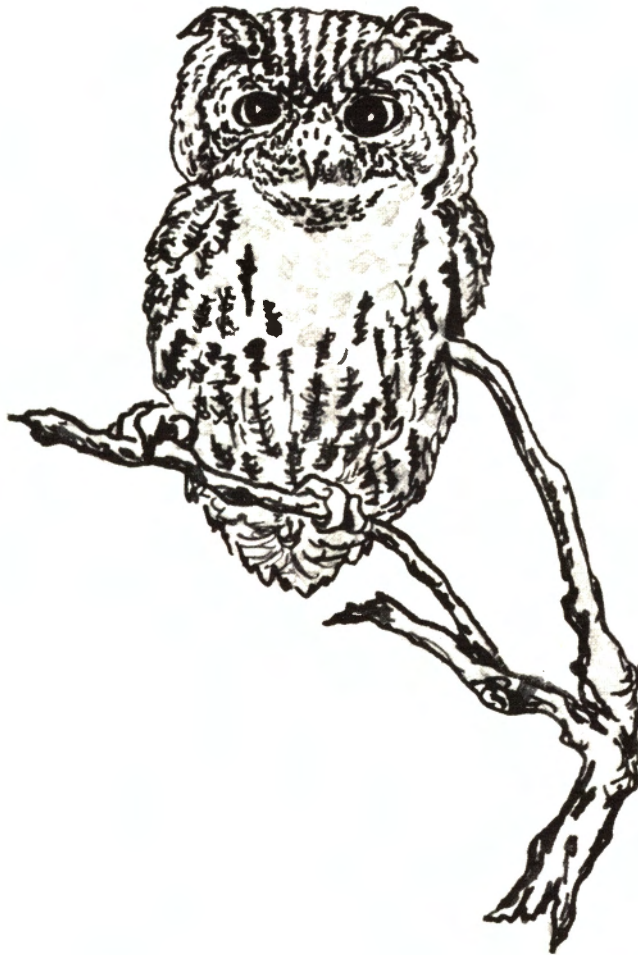

Miss Nellie Stephens

Miss Nellie Stephens has been teaching music for 26 years. She has been Glee Club Director for 21 years. On May 8th, 1970 she gave her last and magnificent performance in front of a packed auditorium. Several members of her "musical alumni" were present to give a final tribute in song in respect for her many wonderful years of service as chorus director.

administration

Mr. Howlett

As superintendent of Stockbridge Community Schools Mr. Howlett's job is never-ending. Despite his very busy schedule Mr. Howlett still finds the time to listen to the students.

Mr. Howlett, Mr. Lathrop, President, Mr. Campbell, Secretary.

Mr. Ford, Treasurer, Mr. Denome, Mr. Dancer, Mr. Breniser.

Mr. Ford, Mr. Denome, Mrs. Myers, Mr. Breniser.

The School Board's job is a tedious one. These dedicated people put in long hours seeking solutions to school problems. We would like to take this time to say thank you to these people.

Mr. Boyd, *Principal*

Determining official policy, planning schedules, and administering to the needs of a large rural school are no small tasks. Although it would be impossible to meet the total requests of the student body, the administration, under the leadership of Mr. Robert Boyd, Principal, has enacted many programs, including the abolishment of the no slacks rule.

Standing by to assist in the upholding of school policies is Mr. Phil Hora, the assistant principal. As the semester approaches, he finds his work cut out for him balancing class sizes and arranging teacher schedules.

WOW — JESSE!

Basketball fever ran rampant through Stockbridge this year. After last year's great season, the 1970-71 Panthers showed everyone they were the best team Stockbridge has ever had.

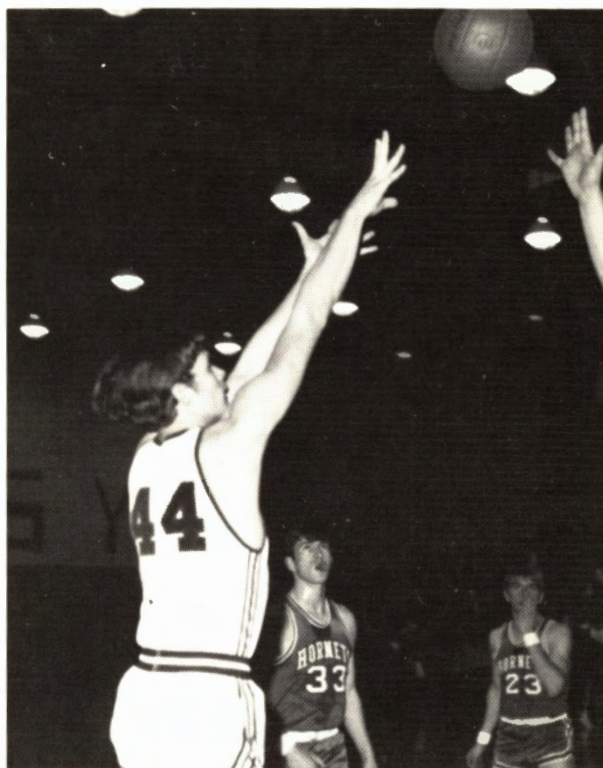

After an opening game victory of 87-76 over Chelsea, the Panthers rolled on to a second undefeated season. They scored over 100 points four times, including a school record of 113 points against Dansville. They again demolished Dansville by a score of 98-19.

After capturing the Ingham County League Title, the Panthers entered the District Tournaments. They beat Fowlerville and won the title by defeating Hartland, 93-69. At the Regionals, the Panthers met

Gary is doing what he likes to do best!

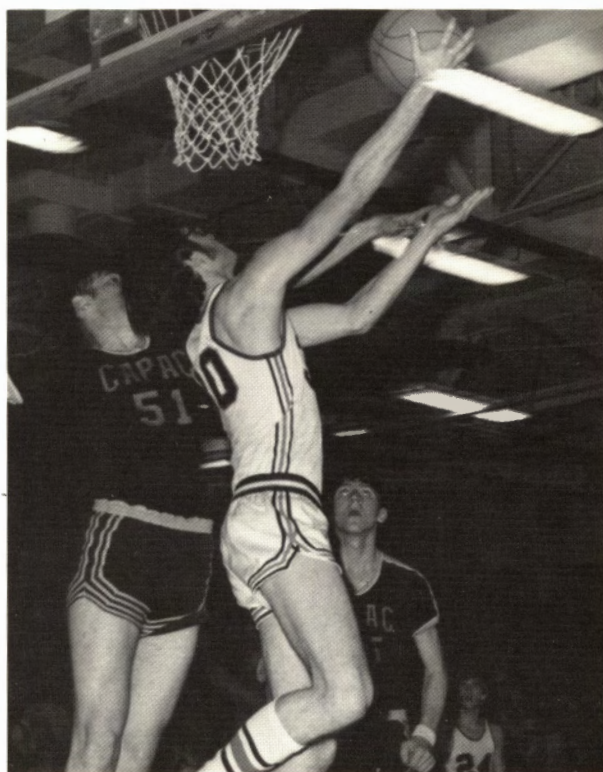

Perry for the third time and, again defeated them. This brought the mighty Panthers to a contest with Capac, whom they defeated to claim the Regional title. In quarter-final play, our cagers met a strong Hamtramack team, but the St. Ladislaus Greyhounds proved no contest as they were defeated 69-41. In an exciting game with Battle Creek Springfield, again the Panthers proved their skill. And then Shelby . . . To all of us at Stockbridge we still have the best team in the State. But the team could never have made it without their Coach, Mr. Hora. Mr. Hora was awarded the Coach of the Year from the Detroit News. We would like to salute Mr. Hora, the basketball team, and all the faithful followers for the excitement they caused this school, and the whole community.
